Lorence,2011-03-01 In Georgia during the Great Depression jobless workers united with the urban poor sharecroppers and tenant farmers In a collective effort that cut across race and class boundaries they confronted an unresponsive political and social system and helped shape government policies James J Lorence adds significantly to our understanding of this movement which took place far from the northeastern and midwestern sites we commonly associate with Depression era labor struggles Drawing on extensive archival research including newly accessible records of the Communist Party of the United States Lorence details interactions between various institutional and grassroots players including organized labor the Communist Party the Socialist Party liberal activists and officials at every level of government He shows for example how the Communist Party played a more central role than previously understood in the organization of the unemployed and the advancement of labor and working class interests in Georgia Communists

gained respect among the jobless especially African Americans for their willingness to challenge officials help negotiate the welfare bureaucracy and gain access to New Deal social programs Lorence enhances our understanding of the struggles of the poor and unemployed in a Depression era southern state At the same time we are reminded of their movement s lasting legacy the shift in popular consciousness that took place as Georgians influenced by a new sense of entitlement fostered by the unemployed organizations began to conceive of new more equal relations with the state Hidden History of Herndon Barbara A. Glakas,2019-03-11 Local author Barbara Glakas uses rare photographs and firsthand accounts to tell little known stories of the people places and events that shaped the history of the Town of Herndon A mysterious stranger who passed through the village one night suggested the name Herndon after the captain of a sunken ship The Civil War split loyalties among the townspeople and brought an unexpected Confederate raid on the town Prohibition brought bootleggers with it but its repeal caused an uproar from temperance minded residents Lively community fairs were ever present in the 1920s but so was the Ku Klux Klan Behind Herndon s past as a sleepy farming community hide forgotten tales of growth and progress
