Arrival Of Fergal Flynn:

The Arrival of Fergal Flynn Brian Kennedy, 2004-01-01 For sixteen year old Fergal Flynn growing up in 1980s Belfast isn't easy His father and brothers despise him he's his mother's favourite one day her punching bag the next he has no idea what he wants to do with his life and he fancies one of the boys in his class Fergal just wants to belong but knows he never will When handsome young Father Mac arrives in the parish Fergal embarks on a whirlwind journey towards a new life As their relationship deepens he discovers his sexuality his talent for singing and the wonderful terrifying opportunities the world has to offer Funny tender and unflinching **The Arrival of Fergal Flynn** is the story of a young man struggling to find his voice against all the odds **The Arrival of Fergal Flynn** Brian Kennedy (Vocalist), 2004 **And the Healing Has Begun...** Katrin Pietzonka, 2013

For anyone interested in Northern Ireland it's history it's culture it's music finally here comes a book that offers a new approach into understanding the complex diversity that has shaped Northern Irish society and its people during the times of the Troubles and beyond Like poems songs in their own right should be recognised as historical documents From Mickey McConnells Only our Rivers Run Free and Phil Coulter The Town I loved so Well to Tommy Sands There Were Roses political social developments inspired Northern Irish poets and songwriters alike By incorporating a great amount of background information on the artists mentioned above and resulting from personal interviews with the author a very unique insight into the history of Northern Ireland is given In addition the vast amount of songs written from an outsiders perspective and in particular in the Rock and Popmusic Genre such as Paul McCartney's Give Ireland back to the Irish John Lennon's Sunday Bloody Sunday to James Taylor's Belfast to Boston and Katie Melua's Belfast also required appropriate recognition Together all these songs compiled and discussed in this book will provide the reader with a better understanding of Northern Ireland's history its society its people past and present Whether it is for further academic research or simply used as reference material for anyone interested in Irish Music and Songs about and from Northern Ireland this book will remain an essential guide and reference book in years to come Sons of Ulster

Caroline Magennis, 2010 Sons of Ulster explores the representation of masculinity within a number of Northern Irish novels written since the mid 1990s focusing on works by Eoin McNamee Glenn Patterson Robert McLiam Wilson The book sets out to disrupt notions of a hegemonic Irish masculinity based on violent conflict sectarian rhetoric No Country for Old Men Paddy Lyons, 2008 The concepts of Ireland and Irishness are in constant flux in the wake of an ever increasing reappraisal of the notion of cultural and national specificity in a world assailed from all angles by the forces of globalisation and uniformity Reimagining Ireland interrogates Ireland's past and present and suggests possibilities for the future by looking at Ireland's literature culture and history and subjecting them to the most up to date critical appraisals associated with sociology literary theory historiography political science and theology *OK2BG* Jack Dunsmoor, 2015 *OK2BG* is narrative nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation

about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author s attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in OK2BG is to read reassess before you run asunder A Sexual Life, a Spiritual Life Pat Buckley,2005 In this candid at times raw account of a life of turmoil dissident Bishop Pat Buckley reveals how his battles with Rome were paralleled by an internal battle between his own sexuality and his deeply held spirituality Sexually abused at the age of six by a trusted family friend Pat Buckley went on to join the priesthood eventually being consecrated as a Bishop in controversial circumstances in 1998 Throughout his life he struggled with his homosexuality finally coming out in 1999 A Sexual Life A Spiritual Life is not just a confession of Pat Buckley s sexuality however He uses his own experiences to delve into the deep connection between sex and spirit quoting St Bonaventure s maxim that the mind s road to God always begins in the sexual appetite Further he is highly critical of the way in which the Catholic Church has for centuries separated sexuality from spirituality making sex a source of sin and shame thereby doing such terrible violence to the human soul The only way to restore peace to the human soul Bishop Buckley argues is to reconcile the sexual and the spiritual It is this reconciliation he says which has at last brought him peace in his own life and which the Church must face up to with compassion and honesty if it is to make peace with those it has alienated BOOK JACKET **Fortnight** ,2006 **Australian Book Review** ,2005 **Alternative Ulsters** Mark Carruthers,2014-04-01 Excellent Thought provoking A must read Belfast Telegraph Fascinating Irish Times Mark Carruthers has done something remarkably clever and refreshing A very important book Belfast News Letter The best political book of the year Alex Kane Ulster is an ambiguous and complex place With six of its nine counties in Northern Ireland and three in the Republic of Ireland it is perhaps most readily associated with the Troubles of the past four decades It is also however a place with a rich literary musical and sporting heritage Its people represent a surprising mix of cultural identities religious ideologies and political allegiances There is no one settled Ulster identity but as this collection of conversations bears out there are many areas where experiences and beliefs overlap even though people come from very different backgrounds and traditions In Alternative Ulsters the broadcaster Mark Carruthers interviews a wide range of high profile writers actors journalists and politicians each of them with an enduring Ulster connection He uses his finely tuned skills as an interviewer to draw each contributor into a personal reflection on identity The stories and experiences that helped shape and influence each of the thirty six interviewees are presented here in a series of colourful lively and at times deeply moving exchanges Together these conversations with those who know the place best

explore Ulster in the twenty first century revealing a freshness of thought and a richness of culture that rarely make the headlines

Roman Song Brian Kennedy, 2005 When Fergal Flynn's remarkable singing talent is discovered by world renowned opera star Alfredo Moretti the young man sets out from his native Belfast for Rome to study under the famous singer This new sophisticated world is a far cry from working class Belfast But Fergal soon finds out that escaping from a troubled past is not just a matter of geography The more he tries to disguise his rough edges the harder it becomes for him to unearth his true voice Moving back in time to the glamour of 1950s Venice *Roman Song* also tells the story of three leading lights of Tosca Alfredo Marla Davis and Brendan Fiscetti and of Amelia the beautiful widowed countess whose entrance stage left creates a bitter rift between the three companions When three decades on Alfredo gets word that Brendan Fiscetti is starring at the Teatro where Fergal works backstage it becomes clear that Fergal is not the only one running from his past *Roman Song* is an enchanting and funny tale of coming to terms with your true self and of how facing your demons can open the door to the fulfilment of dreams
