The Mask: A Periodical Performance by Edward Gordon Craig Olga Taxidou,2014-06-03 No study of modern theater is complete without a thorough understanding of the enormous influence of visionary genius Edward Gordon Craig Born in England in 1872 Craig went on to become famous world wide as an actor manager director playwright designer and most importantly an author and theorist whose books were translated into German Russian Japanese Dutch Hungarian and Danish Although an essential parallel to the European avant garde Craig was often read as exceptional and highly innovative in his native Britain thus The Mask not only appears as Craig s main cosmopolitan

project but also at times functions as a surrogate stage for his experiments in theater practice The book has a comprehensive chronology extensive notes and a bibliography making it an essential text for undergraduates postgraduates actors theatre professionals designers directors researchers and writers in the fields of theatre studies especially theater set and lighting and theater history

The Mask Maker Diane Glancy, 2002 A mixed blood American Indian woman divorcTe Edith Lewis travels to Oklahoma to teach children the art and custom of mask making and discovers new meaning in her life General Fiction

Beyond the Mask Irène Eynat-Confino, 1987 Eynat Confino goes beyond the usual consideration of Craig s purported theories of the actor scenery and the scene painter to get at the heart of Craig s idea of theater She draws not only on the research of contemporary Craig scholars but on material hitherto unavailable his writings and daybooks and the writings of friends She ties Craig s encounter with Isadora Duncan to a decisive modification in his notion of movement To have an instrument more controllable than the actor he invented the ber marionette a giant puppet Craig also invented the Scene a kinetic stage the screens that brought him worldwide fame were simply an adaptation of this concept Eynat Confino argues that a scenario Craig wrote in 1905 here published for the first time reveals a theosophical system like that of Blake a system that was the main force motivating Craig s artistic quest In her final chapter she carefully examines the psychological aesthetic and circumstantial factors that kept Craig from completing his work to bring friendliness humor love ease peace to the world

The Mask John Semar, 1967

Between the Masks Diane DuBose Brunner, 1998 Between the Masks articulates a study of representation and the politics of place through a pedagogy of narrative performing inquiry and a critical reflection on identity As a resistance to essentialist politics the text focuses on the identity making marking role of cultural materials in the recovery of different and overdetermined histories It proposes a multicultural revision of knowledge that displaces the binarisms of insider outside rather than simply shifting the margin to the center By combining perspectives that produce strong readings with a semiotic method of analysis the essentialist representations of racial ethnic sexual and class biases will be revealed as strategies of power that employ appearance in their seduction By this method Brunner suggests a view of reflexive performance that seeks not to legitimate but to critique displace and liberate these illusions of identity Between the Masks promotes critical teaching that can bring together the literary the historic the theoretical and the sociological Brunner suggests the combined study of cultural studies and education as a theoretical and pedagogical site which embraces curriculum theory teacher preparation and policy This book marks a move toward intertextual interdisciplinary study which will help educators modulate the complicated conversations and contexts of todayOs schools

Mask, 2002

The Mask of Memnon Jean-Luc Beauchard, 2022-03-31 What gives life its meaning This question stands behind every philosophical inquiry and philosophy itself arises from it Confronting the problem of meaning is as Camus says the fundamental task of human life Yet at bottom meaning is an aesthetical category Meaning hinges on interpretation It makes sense then to turn to art and in particular the art form which deals most explicitly with meaning the novel if we are to attempt to address it Inspired by but critical of Roland Barthes's death of the author literary theory The Mask of Memnon seeks to reconcile opposing philosophical approaches to the question of meaning by examining the death of the author from the perspective of the character not the reader In this work the traditional dichotomy between external objective meaning and internal subjective meaning is upended and a new paradigm is proposed

The Mask, 1967

Civil Disobedience from Nepal to Norway Tapio Nykänen, Tiina Seppälä, Petri Koikkalainen, 2022-09-30 This volume explores the shifts in how civil disobedience has come to be theorized defined understood and practised in contemporary politics As social activism takes increasingly global forms the goals of individuals and groups who view themselves as disobedient activists today can be defined in broader cultural terms than before and their relationship to law and violence can be ambiguous Civil disobedience may no longer be entirely nonviolent its purposes no longer necessarily serve

progressive or emancipatory agendas Its manifestations often blur the lines established in classic philosophically justified and self regulatory forms as epitomised in mass nonviolent protests of Mahatma Gandhi and Martin Luther King and theories of Arendt Rawls and Dworkin How civil disobedience operates has changed over the years and this volume unpacks its many contemporary lives It discusses new theoretical and political dilemmas and paradoxes through empirical cases and practical examples from Europe the United States and South Asia which enables a mirroring perspective for the challenges and complexities of civil disobedience in different parts of the world Bringing together innovative and introspective perspectives on people and protests in contemporary political contexts this volume will be of great interest to scholars and philosophers of political science international relations theory political philosophy peace and conflict studies sociology and cultural studies
