The Opposite of Butterfly Hunting Evanna Lynch,2021-10-14 Raw frank and utterly heartfelt but full of love and joy too one of the most moving and uplifting memoirs I ve ever read Daisy Buchanan Evanna s account of overcoming an eating disorder gives an unsparing insight into the mental health system and the journey to true recovery A beautifully courageous and honest memoir Bonnie Wright As well as charting her adolescent battle with anorexia it offers a darkly compelling highly topical account of journeying from girlhood to womanhood in the spotlight of global celebrity The Mail on Sunday A raw and powerful memoir it shares lessons banishing self hatred The Sunday Telegraph Gradually I began to feel this dawning awareness that womanhood was coming for me that it was looming inevitably and it didn t feel safe Evanna Lynch has long been viewed as a role model for people recovering from anorexia and the story of her casting as Luna Lovegood in the Harry Potter films has reached almost mythic proportions Here in her fascinating new memoir Evanna confronts all the complexities and contradictions within herself and reveals how she overcame a life threatening eating disorder began to conquer her self hate and confronted her fear of leaving the neatness and safety of girlhood for the unpredictable journey of being a woman all in the glare of the spotlight of international fame Delving into the very heart of a woman s relationship with her own body Evanna explores the pivotal moments and choices in

her life that led her down the path of creativity and dreaming and away from the empty pursuit of perfection and reaches towards acceptance of the wild sensual and unpredictable reality of womanhood This is a story of the tragedy and the glory of growing up of mourning girlhood and stepping into the unknown and how that act of courage is the most magical and creatively liberating thing a woman can do
