Computerah Dr Moshe Katz On Hidden Codes In The Torah:

Computerah Dr. Moshe Katz,1996 *Computerah* Moshe Katz,2013-11 This amazing book featuring full illustrations explores all the mysteries of the new field of knowledge known as Torah Codes Through the discovery of intricate codes found throughout the Torah by computers the divine nature of the Torah has been proven beyond a doubt Ark Code Barry Steven Roffman,2004 Computerah Dr. Moshe Katz,1996 **Beyond Faith** Aaron Minsky,2008 This is an important book which should see the light of day Rabbi Pinchas Stolper Orthodox Union I feel this work will be of great value to the thinking Jew Rabbi Yitzhak Rosenbaum National Jewish Outreach Program There is little doubt in my mind that this encyclopedic work will be an indispensable resource Rabbi Tovia Singer Outreach Judaism Israel National Radio This book would also be beneficial to non Jews who wish to know what Judaism thinks of them and their role in creation Rabbi Yisroel Fried Chabad Lubavitch [CLICK HERE](#) to go to the author s personal website *Jewish Statesmanship* Paul Eidelberg,2002-10-03 Declaring that Israel is disintegrating the author argues that the fundamental cause of the disintegration is a normless or irrational conception of democracy that clashes with Judaism and renders it impossible for Israel to achieve the national unity required for survival in a hostile Arab Islamic environment Recognizing the fundamental tension between conceptions of Israel as a democratic state versus a Jewish state he opts for moving in the direction of the latter rejecting such democratic concepts as a state made up of citizens pluralistic government that listens to the voices of the Arab or the secular Jew and other such dangers to the Jewish state Only when Israel is based solely on the religious laws of Judaism he argues can it effectively deal with the populations around it that are destined to remain hostile and ruled by dictatorships Annotation copyrighted by Book News Inc Portland OR **The Signature of God** Grant R. Jeffrey,1998 Collects historical archaeological and scientific evidence verifying the authenticity and accuracy of the Bible The Twin Towers in Torah Codes Matityahu Glazerson,2002 **Judaic Man** Paul Eidelberg,1996 However Professor Eidelberg argues the Greco Christian tradition contains certain inherent dichotomies for example the individual vs society freedom vs authority morality vs the law reason vs revelation the physical vs the spiritual that have contributed to the malaise of contemporary society
