The Comte de St. Germain Isabel Cooper-Oakley, 2014-06-27 The Count of St Germain The Most mysterious man in history Who was he Where did he come from Where did he go What did he do What made him so famous What was the big mystery When was his birthday and where Did he really die **The Comte de St. Germain** I. Cooper-Oakley, 1912 *The Comte de Saint Germain* Isabel Cooper-Oakley, 2021-04-15 The Count St Germain was a man of mystery An 18th century European aristocrat of unknown origin He had no visible means of support but no lack of resources and moved in high social circles He was a renowned conversationalist and a skilled musician He dropped hints that he was centuries old and could grow diamonds He never ate in public was ambidextrous and as far as anyone could tell totally celibate He served as a backchannel diplomat between England and France and may have played some role in Freemasonry He hobnobbed with Marie Antoinette Catherine the Great Voltaire Rousseau Mesmer and Casanova He dabbled in materials and textile technology as well as alchemy as did many intellectuals of the time e g Newton These are established historical facts documented by the extensive collection of contemporary accounts in this book Less well understood are some of the other stories that have been made about the elusive Count he always appeared about forty years old popped up from time to time after his official death on February 27th 1784 made spot on unambiguous prophecies could transmute matter and spontaneously teleported to distant locations This has made him a subject of interest for students of the esoteric The Theosophists of which Cooper Oakley was a founding member considered St Germain to be one of the hidden immortals who manipulate history In the 20th century the I Am Activity and its successors such as Elizabeth Clare Prophet s adherents elevated St Germain to the status of a demigod an Ascended Master *Comte de St. Germain* I. Cooper Oakley, 1999-09

The Comte de St. Germain Isabel Cooper-Oakley, 2016-12-09 An updated edition of this classic biography with a NEW FOREWORD by Solomon James The Count of St Germain or rather the Comte de Saint Germain is one of the most mysterious figures from eighteenth century Europe By turns he was an aristocratic nobleman a diplomat a spy a composer or as some like to claim a charlatan The fact that he never ate in public or give credible sources for his background education and wealth only adds to the mystery that surrounded the Comte de Saint Germain during his lifetime Some saw him as an ascended Master a wandering immortal or as an emissary from the Great Brotherhood In recent decades with the popular rise of occultism and attendant New Age systems the Count has received renewed attention This book by Isabel Cooper Oakley remains the best known biography of this illusive figure It is a biographical sketch compiled from letters diaries and private records written about the Count by members of the French aristocracy who knew him in the 18th century It is a testimony to both the recorders and to Isabel Cooper Oakley that such sketches were able to be collated when taken into account that the Count made deliberate efforts to obscure and mystify his own movements NOTE This edition by Azafran Books was published in December 2016 and has been re edited and formatted by a team of dedicated real people not an

algorithm This edition is NOT from a scanned copy with original errors PLEASE regard all reviews prior to our publication date as referring to other editions which may have typographical errors Our books have been carefully re published to the highest of standards *The Comte de St . Germain* Isabel Copper-Oakley,2019-09-27 The great Occultist and Brother of the White Lodge the Count of Saint Germain fragments of whose life are herein given was the greatest force behind in the intellectual reforming movement which received its deathblow in the outbreak of the French revolution Phoenix like it has rearisen and it reappeared in the 19th Century as the Theosophical Society of which this Great Brother is one of the recognized leaders Still living in the same body the perennial youth of which astonished the observers of the 18th century He has fulfilled the prophecy made to Mme d Adh mar that he would show himself again a century after his farewell to her and in the growing spiritual movement which is seen around us on every side He will be one of the acknowledged Chiefs Profoundly interesting therefore must be every detail that can be gathered of His eighteenth century life and much is gathered here ANNIE BESANT *The Comte De St. Germain* Isabel Cooper-Oakley,2017-04-07 St Germain was an Alchemist of the highest order He fascinated the world and took the noble elite by storm He created a mythos that surrounds him to this day In fact some believe that St Germain the Alchemist is still alive to this day *The Comte de St. Germain* Isabel Cooper-Oakley,1927 *The Comte De St. Germain* I. Cooper-Oakley,2015-11-28 The Comte De St Germain The Secret of Kings **Madame Blavatsky on the Count de Saint-Germain** Helena Petrovna Blavatsky,2018-03-17 Count de Saint Germain was certainly the greatest Oriental Adept Europe has seen in last centuries of the last millennium He never laid claim to spiritual powers but proved to have a right to such claim He was a pupil of Indian and Egyptian hierophants and proficient in the secret wisdom and arts of the East Saint Germain is until this very time a living mystery And the Rosicrucian Thomas Vaughan another one Together with Mesmer he belonged to the Lodge of the Philalethes Like all great men the Count was slandered and lied about Saint Germain was a fifth rounder a rare case of abnormally precocious individual evolution He was sent by Louis XV to England in 1760 to negotiate peace between the two countries Before and during the French Revolution the Count puzzled and almost terrified every capital of Europe and some crowned Heads Saint Germain predicted in every detail the social and political upheaval in France that lasted from 1789 until 1799 In fact it was he who brought about the just outbreak among the paupers and put an end to the selfish tyranny of the French kings The Count s temperamental affinity to the celestial science forced the Himalayan Adepts to come into personal relations with him When True Magic has finally died out in Europe Saint Germain and Cagliostro sought refuge from the frozen hearted scepticism in their native land of the East **The Comte de St. Germain, the Secret of Kings** Isabel Cooper-Oakley,1912 *The Comte de St. Germain* Isabel Cooper-Oakley,2021-06-20 St Germain was the man who knew everything and never died He was seemingly more myth than man His life was engulfed in mystery upon mystery and centuries later his legacy has left a lasting mark on the face of both Western esotericism and Freemasonry alike *The Most Holy Trinosophia of the Comte*

De Saint Germain Comte De St. germain,2008-07-04 This is the only book attributed to the mysterious and allegedly immortal Comte De St Germain This was written by the historical man not the St Germain so popularly Channeled The Trinosophia is an allegorical account of an alchemical and spiritual initiation It is a strange and dream like journey hypnotic beautiful and lyrical Are you ready to take the first step The Jewish Alchemists Raphael Patai,2014-07-14 In this monumental work Raphael Patai opens up an entirely new field of cultural history by tracing Jewish alchemy from antiquity to the nineteenth century Until now there has been little attention given to the significant role that Jews played in the field of alchemy Here drawing on an enormous range of previously unexplored sources Patai reveals that Jews were major players in what was for centuries one of humanity s most compelling intellectual obsessions Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The Most Holy Trinosophia of the Comte de Saint-Germain* comte de Saint-Germain,1936 **The Comte de Saint-Germain** Jean Overton Fuller,1988 The Secret Teachings Of All Ages Manly P Hall,1973 Secret Teachings of All Ages Manly Palmer Hall,2005-02-09 Manly Palmer Hall wrote this book at age twenty one and self published it later in his mid twenties The book is pure conceptual truth without bogging ourselves down with the details Great read for anyone who likes Joseph Campbell and wishes to follow up on the Power of Myth and get into the right hand occult

Comte de St. Germain Manly Palmer Hall,1946 The Secret Trachings of All Ages Manly Palmer Hall,2020-09-28 NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world but the ageless truths of life like many of the earth s greatest thinkers have usually been clothed in shabby garments The present work is an attempt to supply a tome worthy of those seers and sages whose thoughts are the substance of its pages To bring about this coalescence of Beauty and Truth has proved most costly but I believe that the result will produce an effect upon the mind of the reader which will more than justify the expenditure Work upon the text of this volume was begun the first day of January 1926 and has continued almost uninterruptedly for over two years The greater part of the research work however was carried on prior to the writing of the manuscript The collection of reference material was begun in 1921 and three years later the plans for the book took definite form For the sake of clarity all footnotes were eliminated the various quotations and references to other authors being embodied in the text in their logical order The bibliography is appended primarily to assist those interested in selecting for future study the most authoritative and important items dealing with philosophy and symbolism To make readily accessible the abstruse information contained in the book an elaborate topical cross index is included I make no claim for either the infallibility or the originality of any statement herein contained I

have studied the fragmentary writings of the ancients sufficiently to realize that dogmatic utterances concerning their tenets are worse than foolhardy Traditionalism is the curse of modern philosophy particularly that of the European schools While many of the statements contained in this treatise may appear at first wildly fantastic I have sincerely endeavored to refrain from haphazard metaphysical speculation presenting the material as far as possible in the spirit rather than the letter of the original authors By assuming responsibility only for the mistakes which may appear herein I hope to escape the accusation of plagiarism which has been directed against nearly every writer on the subject of mystical philosophy Having no particularism of my own to promulgate I have not attempted to twist the original writings to substantiate preconceived notions nor have I distorted doctrines in any effort to reconcile the irreconcilable differences present in the various systems of religious philosophic thought The entire theory of the book is diametrically opposed to the modern method of thinking for it is concerned with subjects openly ridiculed by the sophists of the twentieth century Its true purpose is to introduce the mind of the reader to a hypothesis of living wholly beyond the pale of materialistic theology philosophy or science The mass of abstruse material between its covers is not susceptible to perfect organization but so far as possible related topics have been grouped together
