1539 Gomez Perez Dasmariñas had a distinguished career in Spain before being selected in 1588 to become the new governor of the Philippines. A devout Christian intent on converting the new country in which he found himself, Dasmariñas epitomised the Spanish state's increasing emphasis on its missionary role. He departed Spain with clear instructions from the king which had been drawn up in response to requests from the Philippines asking for a better governor and one of higher moral standards than they had previously enjoyed. From the evidence found in his sources, John Newsome Crossley argues that Dasmariñas largely measured up to these requirements. Killed in an attempt to capture the fort at Ternate in the Moluccas in 1593, Gomez Perez Dasmariñas was succeeded by his son Luis. After being replaced himself as governor in 1596, Luis remained in the Philippines until his death in the Chinese rebellion of 1603 in Manila. In revealing the story of the two Dasmariñas governors, this book further illuminates the history of the Spanish Philippines and its relationship both with the wider Spanish empire and the regional powers including China, Japan, Siam and Cambodia. Casuistry and Early Modern Spanish Literature, 2022-01-31

Casuistry and Early Modern Spanish Literature examines a neglected yet crucial field: the importance of casuistical thought and discourse in the development of literary genres in early modern Spain. Faced with the momentous changes wrought by discovery, empire, religious schism, expanding print culture, consolidation of legal codes and social transformation, writers sought innovation within existing forms: the novella, the byzantine romance, theatrical drama, and created novel genres, most notably the picaresque. These essays show how casuistry, with its questioning of example and precept and meticulous concern with conscience and the particularities of circumstance, is instrumental in cultivating the subjectivity, rhetorical virtuosity and spirit of inquiry that we have come to associate with the modern novel.
