Hegemony Over A Vast Empire Extending Over 1000 Kms From Andhra In The North To Northern Sri Lanka In The South The Thesis Is Also The First Serious Attempt To Bring Out The Differences Between Bhakti Temples Or Temples Sanctified Through Holy Associations And Royal Temples Or Royal Chapels Of Kings The Reasons The Former Have Survived Almost 1000 Years As Places Of Worship While Many Of The Latter Are Languishing As Archaeological Monuments Origins of the Vedic Religion Sanjay Sonawani,2015-04-16 Whether Vedic people were indigenous habitants or emigrants is a hotly debated current issue Both sides involved in the debate have been vehemently using the available evidences with twists caused at times due to sheer neglect and at times even fraudulently to bring home their point of view somehow Nevertheless what is the truth Were there ever any migrations of so called PIE language speakers located at some hypothetical and yet uncertain homeland to spread the language and culture Are migrations necessary from any hypothetical homeland to result into a net of the languages What was the geography of Rig Veda Was the Avesta contemporaneous to the Rig Veda Did any relation ever exist between the Vedic people and the Indus Ghaggar civilisation Is there any relationship between the Vedic religion and the modern Hindu religion While answering to these vital questions this book postulates a theory on the issue of the so called IE languages and origins of the Vedic as well as the Zoroastrian religions It diligently explains how the religious and cultural ethos of the Indus Ghaggar Civilisation has flowed to us uninterrupted and exposes the schemes of the Vedicist scholars who are attempting to claim its authorship Islamization in Modern South Asia David Emmanuel Singh,2012-08-31 This book explores the religious identity of the indigenous Gujjars living in Rajaji National Park RNP Uttarakhand India In the broader context of forest conservation discourse steps taken by the local government to relocate the Gujjars outside RNP have been crucial in their choice to associate with NGOs and Deobandi Muslims These intersecting associations constitute the context of their transitioning religious identity The book presents a rich account of the actual process of Islamization through the collaborative agency of Deobandi madrasas and Tablighi Jama at Based on documents and interviews collected over four years it constructs a particular case of Deobandi reform and also balances this with a layered description of the Gujar responses It argues that in their association with the Deobandis the Gujjars internalized the normative dimensions of beliefs and practices but not at the expense of their traditional Hindu folk culture This capacity for adaptation bodes well for the Gujjars but their proper integration with wider society seems assured only in association with the Deobandis Consequently this research also points toward the role of Islam in integrating marginal groups in the wider context of society in South Asia **Crossing the Lines of Caste** Adheesh A. Sathaye,2015 Crossing the Lines of Caste offers a cultural historical analysis of the legends of Visvamitra a sage who is said to have used his ascetic power to change his caste and become a Brahmin It reveals how and why mythological culture has played an active role in the construction of Brahmin social power for more than three thousand years **Women Leaders in Chaotic Environments** Şefika Şule Erçetin,2016-10-27 This book spotlights how women leaders behave in chaotic environments and features examples of

women who have been key figures in determining complex socio economic outcomes throughout history Women leaders can be seen on many high levels in the political arena be they a prime minister empress or opinion leader From K sem Sultan of the Ottoman Empire to Benazir Bhutto women leaders have had an undeniable effect on modern history Is it possible to understand the current role of women in politics in Turkey without the First Lady Emine Erdo an Can we analyze Europe s future without Angela Merkel There are many different books about women leaders biography or memoirs of persons who worked closely with them However until now no in depth scientific analysis of such women leaders with respect to chaos and complexity theory has been available This work represents a unique and important step towards filling this gap in research and includes an epilogue presenting women s leadership model visualized by an eight pointed star **Animals as Religious**

Subjects Celia Deane-Drummond, Rebecca Artinian-Kaiser, David L. Clough, 2013-07-18 This book examines one of the most pressing cultural concerns that surfaced in the last decade the question of the place and significance of the animal This collection of essays represents the outcome of various conversations regarding animal studies and shows multidisciplinary at its very best namely a rigorous approach within one discipline in conversation with others around a common theme The contributors discuss the most relevant disciplines regarding this conversation namely philosophy anthropology religious studies theology history of religions archaeology and cultural studies The first section Thinking about Animals explores philosophical anthropological and religious perspectives raising general questions about the human perception of animals and its crucial cultural significance The second section explores the intriguing topic of the way animals have been used historically as religious symbols and in religious rituals The third section re examines some Christian theological and biblical approaches to animals in the light of current concerns The final section extends the implications of traditional views about other animals to more specific ethical theories and practices *A Traveler's Guide to the Afterlife* Mark
