This all embracing chronicle of Piatigorsky's tempestuous life and career finally reveals the full life story of a musical legend. Bela Bartok László Somfai, 2023-12-22. This long awaited authoritative account of Bartok's compositional processes stresses the composer's position as one of the masters of Western music history and avoids a purely theoretical approach or one that emphasizes him as an enthusiast for Hungarian folk music. For Bela Bartok composition often began with improvisation at the piano. László Somfai maintains that Bartok composed without preconceived musical theories and refused to teach composition precisely for this reason. He was not an analytical composer but a musical creator for whom intuition played a central role. These conclusions are the result of Somfai's three decades of work with Bartok's oeuvre of careful analysis of some 3 600 pages of sketches, drafts and autograph manuscripts and of the study of documents reflecting the development of Bartok's compositions. Included as well are corrections preserved only on recordings of Bartok's performances of his own works. Somfai also provides the first comprehensive catalog of every known work of Bartok published and unpublished and of all extant draft sketch and preparatory material. His book will be basic to all future scholarly work on Bartok and will assist performers in clarifying the problems of Bartok notation. Moreover it will be a model for future work on other major composers. This long awaited authoritative account of Bartok's compositional processes stresses the composer's position as one of the masters of Western music history and avoids a purely theoretical approach or one that emphasizes him as an enthusiast for Hungarian

Music, Books on Music, and Sound Recordings Library of Congress, 1989 **Musical times and singing-class circular**, 1897 *David Baker* Monika Herzig, 2011-11-16. A Living Jazz Legend musician and composer David Baker has made a distinctive mark on the world of music in his nearly 60 year career as player chiefly on trombone and cello, composer and educator. In this richly illustrated volume Monika Herzig explores Baker's artistic legacy from his days as a jazz musician in Indianapolis to his long term gig as Distinguished Professor and Chairman of the Jazz Studies department at Indiana University. Baker's credits are striking: in the 1960s he was a member of George Russell's out there sextet and orchestra; by the 1980s he was in the jazz educator's hall of fame. His compositions have been recorded by performers as diverse as Dexter Gordon and Janos Starker, the Beaux Arts Trio, the Composer's String Quartet and the Czech Philharmonic. Featuring enlightening interviews with Baker and a CD of unreleased recordings and Baker compositions, this book brings a jazz legend into clear view. *National Union Catalog*, 1983 *The Musical Times and Singing-class Circular*, 1881
