Lost Secrets of the Gods Michael Pye, Kirsten Dalley, 2025-09-12 Are there 10 000 year old secret societies that still exist today Was there a race of giants that once inhabited the Americas Did ancient Egypt and ancient China have heretofore undiscovered ties Lost Secrets of the Gods delves into these ancient mysteries and many more in articles by some of the world s most intrepid and knowledgeable researchers The old paradigms of history are being radically transformed as we discover more evidence of little known

cultures and what they achieved Many ancient cultures spoke and wrote of visitors that gave them knowledge and helped shape their societies Who were they and where did they come from We now know that many ancient cultures had advanced knowledge of science agriculture and astronomy only some of which has been rediscovered in the last 100 years Were The Iliad and The Odyssey really about an epic struggle in pre Celtic Europe What happened to the Persian army that completely disappeared from Egypt 2 500 years ago Did the ancients know how to create psychic guard dogs to protect sacred sites There is much more to history than what has officially been recorded Lost Secrets of the Gods reveals startling truths and asks fascinating questions traditional historians have long ignored *Handbook of Polynesian Mythology* Robert D. Craig,2004-10-25 An accessible concise reference source on Polynesia s complex mythology product of a culture little known outside its home Encounters with the West introduced Polynesian mythology to the world and sealed its fate as a casualty of colonialism But for centuries before the Europeans came that mythology was as vast as the triangle of ocean in which it flourished as diverse as the people it served and as complex as the mythologies of Greece and Rome Students researchers and enthusiasts can follow vivid retellings of stories of creation death and great voyages tracking variations from island to island They can use the book s reference section for information on major deities heroes elves fairies and recurring themes as well as the mythic implications of everything from dogs and volcanoes to the hula Easter Island and tattooing invented in the South Pacific and popularized by returning sailors Holding Forth the Word of Life John de Jong,Csilla Saysell,2020-04-09 Holding Forth the Word of Life is a collection of essays offered to honor Tim Meadowcroft on his retirement from Laidlaw College An international authority on Daniel over the last twenty five years Tim has established himself as one of New Zealand s leading biblical scholars While specializing in Old Testament Tim has taught and published in New Testament as well as hermeneutics and theological interpretation of Scripture Beyond academic work he has also remained committed to the church and its voice in wider society This collection of essays written by leading scholars from New Zealand and beyond covers all of these areas Old Testament New Testament intertestamental texts hermeneutics theological interpretation of Scripture reception history and theological reflection on pressing issues facing society

Global Indigenous Communities Lavonna L. Lovern,2021-05-15 Global Indigenous Communities is a wide ranging examination of global Indigenous communities that continue to suffer from colonization and assimilation issues including intergenerational trauma The scholarship is interdisciplinary it is not easily categorized as sociology anthropology ethnography or philosophy but cuts across all of these disciplines as well as Indigenous methodologies The book not only presents an academic study of Indigenous issues covering Indigenous community life religion the environment economic matters education and healthcare but also incorporates contributions from Carol Locust EdD that reflect on her lifetime of experience in Indigenous education and healthcare Each studied prism of Indigenous life is revealed to be impacted by the experience of intergenerational trauma that results from continued colonization Ultimately this book aims to bridge the

communication gap between Western and Indigenous scholarship and readership artfully combining Indigenous approaches with a traditional academic style
