

A CONCISE HISTORY OF CHRISTIANITY

THIRD EDITION

R. DEAN PETERSON

Concise History Of Christianity

Carter Lindberg

Concise History Of Christianity:

A Concise History of Christian Thought Tony Lane,A. N. S. Lane,2006-06 A succinct readable survey of key Christian thinkers and significant theological developments from the church s inception to the present **A Short History of Christianity** Salomon Reinach,2019-03-07 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **A Brief History of Christianity** Carter Lindberg,2009-02-04 Charting the rise and development of Christianity Carter Lindberg has succeeded in writing a concise and compelling history of the world s largest religion He spans over 2 000 years of colorful incident to give an authoritative history of Christianity for both the general reader and the beginning student Ranges from the missionary journeys of the apostles to the tele evangelism of the twenty first century Demonstrates how the Christian community received and forged its identity from its development of the Bible to the present day Covers topics fundamental to understanding the course of Western Christianity including the growth of the papacy heresy and schism reformation and counter reformation Includes an introduction to the historiography of Christianity a note on the problems of periodization an appendix on theological terms and a useful bibliography An authoritative yet succinct history written to appeal to a general audience as well as students of the history of Christianity Written by internationally regarded theologian Carter Lindberg who is the author of numerous titles on theology and Church history **A Concise History of Christianity** R. Dean Peterson, **A Concise History of Christianity** R. Dean Peterson,2000 Chronologically organized from the pre Christian era to the present R Dean Peterson s A Concise History of Christianity acquaints students with the historical development of the Christian Church as well as the people places and ideas that have shaped Christianity With a writing style that is accessible without slighting scholarship the author s prose is understandable to beginning readers Throughout Dr Peterson includes examples and illustrations to give readers a feel for history while timelines and detailed maps place events in chronological and geographical context From publisher s description **A Short History of Christianity** J. M. Robertson,2016-09-28 An attempt to write the history of Christianity in the space of an average novel is so obviously open to objections that instead of trying to parry them I will merely state what seems to me the possible

compensation of brevity in such a matter It is or may be conducive to total comprehension to coherence of judgment and in a measure even to the understanding of details A distinguished expert in historical and philological research has avowed that specialists sometimes get their most illuminating ideas from a haphazard glance into a popular and condensed presentment of their own subject Without hoping so to help the experts I humbly conceive that the present conspectus of Christian history may do an occasional service even to an opponent by bringing out a clear issue Writers of a different way of thinking have done as much for me The primary difficulty is of course the problem of origins In my treatment of this problem going as I do beyond the concessions of the most advanced professional scholars I cannot expect much acquiescence for the present It must here suffice to say first that the data and the argument insofar as they are not fully set forth in the following pages have been presented in the larger work entitled Christianity and Mythology 1 or in the quarters mentioned in the Synopsis of Literature appended to this volume and secondly to urge that opponents should read the study on the Gospels by Professor Schmiedel in the new Encyclop dia Biblica before taking up their defensive positions

Short History of the Christian Church John Fletcher Hurst,1893

A Short History of Christianity Geoffrey Blainey,2013-10-24 For two thousand years Christianity has had a varying but immense influence on world history Accomplished historian Geoffrey Blainey leads us through the history of this world changing religion A Short History of Christianity vividly describes many of the significant players in the religion s rise and fall through the ages from Jesus himself to Francis of Assisi Martin Luther Francis Xavier John Wesley and even the Beatles who claimed to be more popular than Jesus Blainey takes us into the world of Christian worshipers through the ages from housewives to stonemasons and traces the rise of the critics of Christ and his followers Eminently readable and written with Blainey s characteristic curiosity and storytelling skill this book often places Christianity at the center of world history Will it remain near the center Blainey s narrative illustrates that Christianity s history is a much repeated story of ups and downs

A Short History of Christianity Martin E. Marty,1959

A Short History of Christianity J. M. Robertson,2023-10-28 In A Short History of Christianity by J M Robertson the author provides readers with a comprehensive overview of the development of Christianity from its origins to the present day Written in a clear and concise style Robertson explores the key events figures and movements that have shaped the religion offering valuable insights into its theological and cultural significance This book is a valuable resource for those looking to gain a deeper understanding of Christianity s history and its impact on the world Robertson s objective and unbiased approach to the subject makes this book a trustworthy and informative read for scholars and students alike His attention to detail and depth of knowledge ensure that readers will come away with a nuanced perspective on Christianity and its place in human history I would highly recommend A Short History of Christianity to anyone interested in exploring the complexities of this influential religion

A Short History of Christianity Stephen Tomkins,2012-09-12 Worshipped by 2 billion Christians and revered by 1 3 billion Muslims Jesus Christ is the most famous human being ever Yet how did this man from an obscure backwater in

the Roman Empire achieve such extraordinary acclaim How did religion founded in his name grow to become the most powerful on earth What has been its relationship through history with that other giant of religions Islam In this fast paced and entertaining book journalist and historian Stephen Tomkins sets out to provide the answers Beginning with the life of Jesus he presents awarts and all portrait of the key people events and movements in Christian history For every debauched pope murderous crusader and hate filled inquisitor there are glorious examples of heroic self sacrifice spiritual enlightenment and social transformation Despite setbacks and conflict the church has continued to change and grow with the result that at the start of the 21st century its centre of gravity is moving south into sub Saharan Africa and South America The author ends by looking to the future for the story is far from over All those wanting to understand where Christianity is going need to learn where it has come from and in this book they will find a lively and informative guide

A Concise History of English Christianity David Lawrence Edwards,1998 In this text the author has condensed his three volume work Christian England into one volume It examines the relationship between Christianity and the changing social political and cultural developments of England over the centuries

Christianity: A Brief History Michael D. Robinson,2019-06-14 Christianity is one of the world s great religions with more than two thousand years of history and over two billion adherents worldwide But what is Christianity Where did it come from How did it develop to its current forms What doctrines do Christians affirm What ethical norms do they endorse What relationships between church and state do they champion and why What changes have transpired for the faith over the centuries And what new challenges does Christianity face in the contemporary world These and other questions are addressed in Michael Robinson s Christianity A Brief History After a concise description of the social political and religious world of first century Palestine the text quickly examines the Jesus of history and tradition including Jesus impact upon his first century followers the narrative then moves to describe the expansions and developments of Christianity through the ancient medieval modern and contemporary eras Along the way readers learn of the varied beliefs mores rituals struggles and triumphs of the faith as well as of the spiritual heights and moral blunders of its people Robinson s intention is to introduce Christianity through its story and through those who lived it

A Short History of Christianity John Mackinnon Robertson,1913 **A Short History of Christian Doctrine** Bernhard Lohse,1966 This book has earned wide acceptance as an outstanding single volume history of doctrine It is ideally suited for classroom and seminar use as well as research and independent study With remarkable conciseness and clarity Lohse shows how doctrinal development has occurred in the various periods of the Church s history from the first century to the present He explores and discusses one by one the dogmas and doctrines that constitute the milestones in the story of the Church s effort to proclaim the message of Jesus Christ to each age This Revised American Edition includes a new preface by the author an account of the significance of the Second Vatican Council and alterations in the For Further Reading section to bring it up to date

A Short History of Christianity Martin E. Marty,1987-01-01 For the non specialist Martin Marty traces

the church's quest through twenty centuries for unity, sanctity, universality and authentic witness. He delves into the disparity between the ideals of the church and historical reality in order to provide a brilliant, instructive and eminently fair statement of the history of Christianity from its founding to the present day. In this second edition, revised and expanded, Marty has added an entirely new section entitled Postscript and Prescript in which he discusses the recent past and prospects. Fresh insights and revisions based on the most recent contemporary developments keep this volume abreast of the times, making it an up-to-date survey of the history of Christianity.

A Short History of Christianity beyond the West Klaus Koschorke, 2024-11-04. Today the majority of the world's Christian population lives in the Global South. Knowledge of their history is therefore indispensable. This textbook offers a compact and vivid overview of the history of Christianity in Asia, Africa and Latin America since 1450, focussing on diversity and interdependence, local actors and global effects. Maps, illustrations and numerous photos, as well as continuous references to easily accessible source texts, support the reader's own reading and its use in various forms of academic teaching. Special bonus material including 250 photos taken by the author can be accessed here: <https://doi.org/10.6084/m9.figshare.27623484.v2>.

A Short History of Christianity John Mackinnon Robertson, 2019-03-07. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity, individual or corporate, has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

A Short History of Christianity (Classic Reprint) M. Robertson, 2015-07-04. Excerpt from *A Short History of Christianity*. An attempt to write the history of Christianity in the space of an average novel is so obviously open to objections that instead of trying to parry them, I shall merely state what seems to me the possible compensation of brevity in such a matter. It is or may be conducive to total comprehension, to coherence of judgment and in a measure even to the understanding of details. A distinguished expert in historical and philological research has avowed that specialists sometimes get their most illuminating ideas from a haphazard glance into a popular and condensed presentment of their own subject. Without hoping so to help the experts, I humbly conceive that the present conspectus of Christian history may do an occasional service even to an opponent by bringing out a clear issue. Writers of a different way of thinking have done as much for me. The primary difficulty is of course the problem of origins. In my treatment of this problem, going as I do beyond the concessions of the most advanced

professional scholars I cannot expect much acquiescence for the present About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Short History of Christian Thought Linwood Urban, 1986 What do Christians believe and why do they believe it What are the historical roots of modern Christian doctrines and what logical connections link them together This concise introduction to Christian thought provides thorough yet succinct answers to these and other important questions incorporating expanded discussions of the sacraments the Church and the ministry recent ecumenical movements and trends and women's ordination Avoiding a strict chronological approach the author traces the development of each great issue that formed Christian theology Questions of doctrine such as the Trinity and the Incarnation are dealt with in full Also addressed are the important issues in natural theology such as the existence of God miracles freedom of the will and the problem of evil The text shows which issues in Christian thought constitute the common denominators of Christian belief and traces the roots of Christian doctrine to their sources explaining why certain doctrines are logically essential to Christianity and were thus adopted By analyzing the significant issues in Christian thinking from their early formulations to contemporary re-examination A Short History of Christian Thought demonstrates that classical Christian doctrines are reasonable articulations of basic convictions and that Christian thought is relevant to the full range of human experience

The Enigmatic Realm of **Concise History Of Christianity**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Concise History Of Christianity** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those who partake in its reading experience.
