Concise Theology J. I. Packer, 2011-07-14 Studying theology doesn't need to be intimidating Respected theologian and author of *Knowing God* J. I. Packer explains the essentials of biblical belief and Christian doctrine in a style that can be understood easily by any follower of Jesus With each chapter being the perfect length for busy readers this summary of Christian teaching covers 94 beliefs from a Reformed perspective Each one highlights a unique facet of God and His plan for us Packer offers precise descriptions that are accessible without sacrificing depth including Scripture verses on each topic for further study Thoughtfully arranged and refreshingly readable this resource addresses How predestination fits into God's redemptive plan The mystery of the Trinity The process of sanctification The purpose of spiritual gifts Whether you're new to faith or a longtime believer who's ready to dig deeper discover for yourself why Christian theology is more than just a system of beliefs it's a way of life Scriptural Perspicuity in the Early English Reformation in Historical Theology Richard M. Edwards, 2009 A consistent indigenous English doctrine of scriptural perspicuity correlates with a commitment to the availability of the vernacular scriptures in English and supports the English roots of the Early English Reformation EER Although political events and figures dominate the EER its religious component springing from John Wyclif and streaming throughout the tradition must be recognized more widely This book critically surveys the doctrine of scriptural perspicuity from the beginning of the Church in the first century noted as early as John Chrysostom through the seventeenth century examining its impact on the current debates concerning competing hermeneutical systems reader response hermeneutics and the debates in conservative American Presbyterianism and Reformed theology on subscription to the Westminster Confession of Faith the length of creation days and other issues *Discipled Leader* Preston Poore, 2021-07-20 A must read for every leader Dan T. Cathy Chairman and CEO at Chick-fil-A Inc Preston Poore has spent decades in corporate America Despite all the excellent advice he was given for growing in leadership there was something missing a way to bring his Christian beliefs to bear in his professional life not just his personal life So Preston sought his own answer to how his faith could impact his management of hundreds of employees What he discovered was this the first step wasn't adjusting his leadership style Instead he needed to let God change him before he could effect real change in his workplace And in order to model discipleship to his team he needed to first be discipled by the Spirit Here in the day to day practice of being a disciple of Jesus Christ Poore found where his faith and exceptional leadership intersect Through personal stories biblical principles and hands on workplace guidance Poore offers readers a unique look at this seldom discussed connection He challenges struggling leaders to engage in the hard work of daily discipleship And he charges experienced leaders to return to the fundamentals of their faith encouraging them to disciple other Christians with leadership potential For anyone wrestling with how to bring faith to the workplace whether it be a cubicle or a boardroom *Discipled Leader* reveals that leadership doesn't begin behind the desk it begins in the soul Who Am I? Jerry Bridges, 2012-03-15 Best selling author Jerry Bridges The

Pursuit of Holiness The Discipline of Grace The Bookends of the Christian Life and many other books asks perhaps the most fundamental question of existence Who am I He then turns to Scripture to unpack for the Christian eight clear interlocking illuminating answers I Am a Creature I Am in Christ I Am Justified I Am an Adopted Son of God I Am a New Creation I Am a Saint I Am a Servant of Jesus Christ I Am Not Yet Perfect A direct honest presentation of biblical truth and all new material from Jerry Bridges Who Am I demonstrates for believers that they can and should rightfully claim for themselves an unshakeable lifelong personal foundation of confidence in one thing and one thing alone the gospel of a victorious resurrected Savior

Free for Christ: Religious Obedience and Thomistic Moral Theology Mother Mary Christa Nutt, R.S.M.,2024-08-01 What is it about the practice of obedience to God that makes it significant for human happiness and sanctity And how should the obedience proper to vowed religious life be understood relative to the responsibilities of conscience and personal freedom In the present day religious obedience is often viewed either as a negative cramping of personal autonomy by an external authority or as a positive submission to law that somehow assures one s fidelity but the common thread for both perspectives is a distinctly modern approach to obedience characterized by legalism and voluntarism In Free for Christ Mother Mary Christa Nutt R S M proposes a different approach to religious obedience that foregrounds virtue based moral agency rooted in metaphysics and the mystery of God examining obedience not simply in relation to commands and laws but as a spiritual philosophical and theological reality one that situates the human person in relation to God the Church and those others who share this religious life Taking her starting point from Thomas Aquinas Nutt examines obedience as a dimension of prudence and worship that is as a way that the human being can become relative to God as first source and final end and thus as a way that the grace of Christ can take deeper root as a path to authentic freedom and interiority From this ground of Thomistic metaphysics and ethics emerges a theological anthropology of obedience closely tied to Aquinas s teaching on providence and religion

The Role of Religion in Marriage and Family Counseling Jill Duba Onedera,2007-07-19 Religion can play a vital role in the way people relate to each other particularly with interpersonal dynamics within a family The role of a couple or family s religion s in the counseling room is no less important This book provides practitioners with an overview of the principles of the major world religions with specific focus on how each religion can influence family dynamics and how best to incorporate this knowledge into effective practice with clients

B. B. Warfield's Scientifically Constructive Theological Scholarship David P. Smith,2011-08-05 B B Warfield the Lion of Princeton is perhaps America s most prolific and preeminent biblical and theological scholar and yet he has been largely misunderstood and misrepresented In this landmark work David Smith penetrates to the defining features of Warfield s thought and helps us understand its revolutionary character Warfield s detractors have maligned his thought as static and beholden to an outdated epistemology yet Smith debunks this myth Placed within his historical context we discover Warfield expressing the organic and dynamic nature of truth overcoming the subject object dilemma that plagues Western

epistemological rationalism and mysticism and all through his explaining the doctrinal system warranted by the Bible Theological scholarship and American church historiography will have to reckon with this fresh and much needed apologetic on America's preeminent apologist **A Complete Catalogue of Books General, Theological, Historical, Artistic, Educational, and Juvenile**, 1886 *Trinitarian Pneumatological Personhood and the Theology of John Zizioulas* Ronald L. Adkins, 2023-02-28 In a growing secular society what distinguishes a Christian from a non-Christian Is a Christian identified by certain religious and ceremonial activity social action principles or do their relationships identify them as Christian This book suggests that a Christian person is in a continual relationship with the Triune God through the Holy Spirit Furthermore this living relationship reflects the eternal relationship of the Father Son and Holy Spirit because people have been created in the image and likeness of the Triune God This book uses historical theological philosophical and biblical approaches to understand the Christian person Throughout this book the reader will be engaged with the modern Greek theologian John Zizioulas However this book is a study on the person of the Holy Spirit though never separated from the trinitarian relationship who makes a human person a Christian **An Emerging Cosmotheandric Religion?** Jyri Komulainen, 2005 This study gives a detailed analysis of the theology of religions of Raimon Panikkar b 1918 a Catalan born Hindu Christian His radical pluralism is found to be based on his idiosyncratic cosmotheandricism and even to show signs of inclusivism

Just as I Am David C. Hacker, This book examines the relationship between the conversion theology popularized by Charles Grandison Finney and the theological drift of Baptists in the South from Calvinism to Arminianism It begins with a survey of the historical evidence of the Calvinistic roots of Baptists in the South by way of a brief overview of Baptist origins in England followed by an overview of Baptist life in America including the founding of the first Baptist church in the colonies in the seventeenth century developments in Baptist soteriology in the eighteenth and nineteenth centuries and concluding with trends that emerged in the twentieth century Next an overview of the traditional or Calvinistic Baptist view of conversion that was the majority view prior to the mid nineteenth century which provides a brief contrast of the two predominant views held by evangelicals Arminianism and Calvinism and demonstrates how uncommon the views of conversion popularized in the mid to late nineteenth century had been previously The remainder of the book focuses on the conversion theology of Finney and the opposition from his contemporaries by analyzing Finney's rejection of reformed orthodoxy and the use of the means of grace his views that revival and conversion are of human rather than divine origin his departure from the Edwardsean theological tradition he had inherited his Pelagian and semi Pelagian tendencies his conflation of backsliders with false professors and the fact that he propagates and popularizes existing error rather than inventing new a theology or methodology Next is a survey of the effects of Finney's theology on Southern Baptists and evangelicalism as a whole under the following headings Finney's polemical rewriting of history and its impact on subsequent generations the effects of revivalism and the specific effects of Finney's theology on Baptists the understanding of God and

His role in conversion and church practice The book wraps up with a summary of the lingering effects of Finney's Pelagian theology on the church today which concludes that Finney's influence on Baptists in the South was part of the theological shift from their Calvinistic roots to Arminianism as the dominant theology and ends with practical and pastoral applications for the church today

Application Commentary of the Gospel of Matthew John M. Strohman, J.D., 2014-12-16 The Application Commentary of the Gospel of Matthew is a verse by verse examination of the Gospel of Matthew and should be seriously considered for application in personal family devotions group Bible studies and Sunday school classes It is designed to build up and equip the Christian new believer or lifelong in understanding and living out God's Word Each section concludes with a portion called Summary and Application which discusses how to apply the scripture studied to daily life James summed up this concept when he wrote But prove yourselves doers of the word and not merely hearers who delude themselves James 1:22

The Bible Made Impossible Christian Smith, 2012-08-01 Biblicism an approach to the Bible common among some American evangelicals emphasizes together the Bible's exclusive authority infallibility clarity self sufficiency internal consistency self evident meaning and universal applicability Acclaimed sociologist Christian Smith argues that this approach is misguided and unable to live up to its own claims If evangelical biblicism worked as its proponents say it should there would not be the vast variety of interpretive differences that biblicists themselves reach when they actually read and interpret the Bible Far from challenging the inspiration and authority of Scripture Smith critiques a particular rendering of it encouraging evangelicals to seek a more responsible coherent and defensible approach to biblical authority This important book has generated lively discussion and debate The paperback edition adds a new chapter responding to the conversation that the cloth edition has sparked

Divine Simplicity in the Theology of Irenaeus Jonatán Simons, 2023-07-31 This book focuses on Irenaeus as key to the early Christian appropriation of divine simplicity as a philosophical principle since he is the first Christian source to explain his usage in relation to God Beyond providing limits for what a simple God can and cannot mean he also applies this principle to God's activity i.e. creating and to God's names and powers There is a growing interest in the early Christian appropriation of divine simplicity Simons' study is timely as the first book to focus exclusively on the earliest explanation and application

The Company We Keep Jonathan Holmes, 2014-09-01 Friendship This one word can mean a hundred different things to each person We all

want friends but often struggle to develop meaningful friendships Does the Bible speak to and present a vision and theology of biblical friendship Is there anything unique about biblical friendship **Grace Is Free** Marci Preheim, 2014-03-01 What Does Godly Look Like A great treason is infiltrating the Christian world today The gospel is meant to set people free but instead it has been subtly tainted by the enemy False teaching has slipped in virtually unnoticed but its effects are deadly To do lists competition even with spiritual disciplines and extra rules have enslaved women to self righteousness instead of leading them to Christ s righteousness Disguised as helpful tips for women this distortion robs Christian women of intimacy with each other and labels them as godly for what amounts to human effort and worldly success Many people view this competition for godliness as striving for excellence After all what man doesn t want a woman who is zealous to be the best homemaker mother and wife But if organization and domestic genius were prerequisites for godliness then Martha Stewart would be one of the godliest women in the world The truth is when women spend more time trying to appear godly rather than actually being close to God there can be no other motive than a desire for approval from people rather than from God himself Grace Is Free unmask this false gospel and the bondage to people s approval that comes with it It attempts to realign perspectives and help women understand how to rest through faith in what has already been accomplished through Jesus Christ The true gospel is received through faith not activity For in the gospel a righteousness from God is revealed a righteousness that is by faith from first to last just as it is written The righteous will live by faith Romans 1 17
