perspective and the synchronic approach prevails over the diachronic Ben Sira characterized Ezekiel as the prophet who saw the appearance of the glory of God This characterization is not based on the number of occurrences of k b d in Ezekiel The peculiarity of Ezekiel is that k b d is used almost exclusively as a hypostasis of YHWH Ezekiel s description of the k b d of YHWH is more elaborate than any other Old Testament writer s and it highlights the dual and paradoxical nature of the divine k b d as both defying verbal description and being potentially visible This research highlights especially the importance of the visible aspect The Cumulative Book Index ,1933 **The Publishers' Trade List Annual** ,1979

The Mistranslated Book of Galatians Paul Sides,2016-05-30 In this book I breakdown Sha ul s letter to the Assembly in Galatia and reveal the true meaning of this letter in context of all of Sha ul s other writings The Torah The Heavenly Scroll and overcome the intentional efforts of the Christian translators to twist the Greek into English in order to abolish The Law This is not a word for word translation but a true translation of the intent of the letter No translation should ever be done in word for word for many reasons Do not add to or subtract from is not speaking about individual words but rather the intent and meaning of the text That is exactly what happens in a word for word translation attempt The intent and meaning is lost completely and the resulting translation is left void vague and uninspired The Hebraic Mindset the Idioms and the CONTEXT of the writer s other letters is left out and we are left to guess what Sha ul was trying to say Then add the influence of Hellenism words twisted into Greek and the pagan beliefs of the translators themselves and we end up with what we now have in our English Bibles a complete lie totally opposite of what Sha ul believed taught and wrote in this letter to the Assembly in Galatia This translation contains the missing context of all of Sha ul s writings The Torah The Heavenly Scroll the proper use of the Greek words and how they should have been handled in English For the first time this is the proper translation of the Book of Galatians This is what Christianity does not want you to know That Sha ul was a devout Nazarene a defender and teacher of The Torah **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library.
