Concrete Jungle Jeff Grubb, 1985-12-01 **Marvel Graphic Novels and Related Publications** Robert G.

Weiner, 2008-09-18 This work provides an extensive guide for students fans and collectors of Marvel Comics Focusing on Marvel s mainstream comics the author provides a detailed description of each comic along with a bibliographic citation listing the publication s title writers artists publisher ISBN if available and a plot synopsis One appendix provides a comprehensive alphabetical index of Marvel and Marvel related publications to 2005 while two other appendices provide selected lists of Marvel related game books and unpublished Marvel titles **The B List** David Sterritt, John C.

Anderson, 2008-10-20 What kind of collection could possibly find common ground among The Son of Kong Platoon and Pink Flamingos What kind of fevered minds could conceive of such a list What are the unheard of qualities that tie them all together The answers This book The National Society of Film Critics And the far reaching enticements of the B movie itself Once the B movie was the Hollywood stepchild the underbelly of the double feature Today it is a more inclusive category embracing films that fall outside the mainstream by dint of their budgets their visions their grit and occasionally sometimes essentially their lack of what the culture cops call good taste The films in The B List are offbeat unpredictable and decidedly idiosyncratic And that s why we love them **Sustaining a City's Culture and Character** Charles R. Wolfe, 2021-02-22

Somewhere between character and caricature there exists an authentic a truly unique urban place that blends global and local old and new Yet in a dramatically changing world dominated by crises of climate change maintaining public health and social justice finding such places and explaining their relevance may be easier said than done Sustaining a City s Culture and Character accepts that challenge and provides a comprehensive method for assessing how and why successful places come to be with an explicit emphasis on context Authenticity culture character and uniqueness are words with meanings that depend on who is using them and in what contexts Through text interwoven with 160 full color photographs by the author and select illustrations by others this book addresses how to enact blended and contextualized urban change using the past and the status quo as catalysts rather than castaways It provides resources and examples for the context vetting process and for understanding how one era object or generation informs the next This beautiful full color book illustrates how we can understand or unlock a public place neighborhood or city Based on comparative experiences around the world the book proposes a new tool called LEARN Look Engage Assess Review and Negotiate as a way of sustaining urban culture and character in transformative times Inspired by recent efforts and outcomes the book is full of relevant examples They include moving a small Swedish city reviving Irish market towns and revitalization efforts adjacent to London s Waterloo Station Sustaining a City s Culture and Character provides a catalog of techniques that emphasize bottom up resident based input about local history building forms natural and open spaces cultural assets and tradition and related policy planning and regulatory examples For those who seek an urbanism of distinctiveness to enhance city livability rather than a bland generic

uniformity the book examines on a global basis how the many interrelated facets of an urban area's unique yet dynamic context built social cultural and intangible can be championed and advanced rather than simply borrowed from another place

London's Aylesbury Estate Michael Romy, 2020-09-18 This book looks beyond the Aylesbury's public face by examining its rise and fall from the perspective of those who knew it based largely on the oral testimony and memoir of residents and former residents youth and community workers borough Councillors officials police officers and architects What emerges is not a simple story of definitive failures but one of texture and complexity struggle and accord family and friends and of rapidly changing circumstances The study spans the years 1967 to 2010 from the estate's ambitious inception until the first of its blocks were pulled down It is a period rarely dealt with by historians of council housing who have typically confined themselves to the years before or after the 1979 watershed As such it demonstrates how shifts in housing policy and broader political economic and social developments came to bear on a working class community for good and more especially for ill
