Condo Carousel:

Condo Carousel Roy P. Fairfield, 1999 *Historic Lodgings of Ocean City: The Fisher Collection* Robert M. Craig, 2023

This is a visual history of the architecture of tourist accommodations in Maryland's famous beach resort. These have ranged from the Atlantic Hotel to the most recent chain hotels and condominiums that have so altered the streetscapes and skyline of the barrier island. Ocean City's architectural evolution paralleled national developments; it began on boardwalk adjacent and beachfront sites with turreted and gabled cottages and shingle clad Victorian hotels. By the 1920s porticoed boardwalk hostelrys emerged and as the popularity of the automobile increased auto camps and groups of cottages developed into motor courts and mom and pop motels during the mid 20th century. After the 1970s lodgings changed with infill condominium blocks, time shares, and megastructures casting afternoon shadows across the beach. *Ocean City* Gianni DeVincent Hayes, Nan DeVincent-Hayes, John E. Jacob, 1999

Ocean City, Maryland's own seaside resort has become so popular that it is almost too small, five square miles, to hold all its tourists. The last few decades have brought tremendous growth to the area in the form of both population and development. Bridges and tunnels have been built, high rise hotels and condominiums have grown up, and amusements of all kinds have become available to the summertime crowds. In this second volume of *Ocean City*, images of beach life from the late 1940s to the present day capture the spirit of this popular vacation spot. From funnel cakes to Ferris wheels and deep sea fishing to seasonal festivals, Ocean City now a year round retreat has offered millions of visitors an endless variety of entertainment. Having survived destruction caused by storms, problems associated with the real estate boom, and the overwhelming surge of visitors who each summer crowd the boardwalk and Coastal Highway, this small town has matured over the last few decades into the jewel of Maryland's shore. **Condo & Villa Vacations Rated** Clinton Burr, 1993

Over 17 million Americans have discovered the advantages and cost savings of renting a condo or villa at a full facility resort instead of staying at a hotel. The Burrs rate thousands of properties they have personally inspected and show how to negotiate discounted rates that can save the consumer anywhere from 600 to 2,000 a week. Maps **Red Grooms** Bartholomew F. Bland, 2008

Red Grooms' dazzling installation was created as a working gift shop for the Hudson River Museum in 1979. After extensive conservation, this beloved Westchester landmark has been reinstalled in its own gallery. The Bookstore incorporates many of the themes that run through Grooms' best work: the marriage of art and commerce, the clash of high and low, colorful New York characters, and an inviting three dimensional space that envelops and transports the viewer. The Bookstore deftly joins two favorite haunts of New York City booklover: the lively oldest secondhand bookshop in NYC, the Isaac Mendoza Book Company, and the Pierpont Morgan Library into a work of art. In terms of materials, The Bookstore was one of a limited number of pieces in which Grooms incorporated vinyl figures. The figures are painted from the inside, a technique inspired by medieval glass painting techniques, and then are stuffed and sewn. Tens of thousands of visitors passed through The Bookstore and embraced by its environment, it inevitably began to

suffer ravages caused by its popularity Plans were developed to restore the work and Grooms enthusiastically approved the conservation efforts and changes which include altering the position of the two entrances to fit new gallery space the creation of a central island that incorporated the original vinyl patrons and the design of a painted floor Grooms remains cautious of making too many changes to a piece that reflects a vision of New York in the 1970s already passing into history An artist can overwork a thing you can ruin the delicacy of a past moment very easily I think it s better to keep it like it was primitive in that way Wrapped Like Gold Robert Dutson,2024-10-16 Zach Westerman knows a lot about running a tuna boat He was a success on Wall Street too until the bottle destroyed his faith and a seventeen year career What he needs to know now is how to survive the storm from hell with a crew of hungover misfits Whether Zach s boat makes port or not soul mate Sondra Garcia is already making plans of her own When her brother sends a cryptic note about a Central American revolution she flees the country without a word Zach s world is shattered but the coup d etat has a stronger hold on Sondra than his love ever did When a former friend arranges for him to sleep with the fishes the last vestiges of his faith dissolve in the Atlantic Can Zach retrieve his soul in New England s icy waters Or will a reckless quest for gold steer him straight to Davy Jones s locker Whichever course he takes his sociopathic friend stalks him every step of the way If he s lucky the search will restore Zach s once unshakable faith the most precious gift of all If not his final voyage will destroy that and everything else that matters **Tour Book** ,2002 **Zigzags and Glow Sticks - a poetry collection** Aakriti Chaturvedi,2022-05-31 Everyone knows what it is like to go from periods of immense sadness to moments of intense happiness This collection incorporates true stories fictional stories and others stories in the form of poetry encapsulated in emotion I write about emotions that are otherwise hard to deal with social issues and mental illness The title Zigzags Glow Sticks is supposed to symbolize the intensity of the ups and downs of life the parts that never seem to get better and the parts that feel so great No matter who you are and where you come from this book is for you American Heritage Society's Americana ,1986 The Washingtonian ,1987-04 **Replika : Coherence** Hugo Bernard,2023-01-11 continues at breakneck speed from start to finish with a plot that keeps pulling the rug out from under you Reviewed by Pikasho Dekka for Readers Favorite Reality is slipping away Coherence is the second novel in the REPLIKA trilogy and picks up from where Sky s Mission ended Discovering the secrets of his mother s research Morgan sets out to defeat Henry and rescue Aviva from the Red Masks When Aviva suspects the Red Masks are not the only ones trying to control the Virt she must make a tough decision that may spark a deadly conflict in the city streets Hugo Bernard crafts another page turning technothriller while offering an original outlook on how simulated realities can redefine our existence *The Legend of Diadamia* C. J. Fisher,2005-12-05 Longtime residents of the Rhode Island mill village Amethyst Hill can tell you all about the haunting in the town s old cemetery The legend of the Amethyst Hill ghost has been around for as long as they can remember But the story becomes all too real for shopkeeper Lydia Gwyndorra and her friend Cory Spenceton who is the sole heir to the mansion that overlooks the town

where the Spenceton Textile Mills were once a prosperous industry With the discovery of some old diaries and stories from the past Lydia and Cory are curious to learn what happened that turned a beautiful intelligent young woman from the 1920s into the terrifying Amethyst Hill ghost While they uncover this compelling tale of murder and deception the supernatural activity around them intensifies at an alarming rate as though the ghost were watching their every move and manipulating Lydia and Cory into playing out the parts in a twisted reenactment of her past Discovering the truth behind the legend may no longer be a mere curiosity It now may be a matter of life and death A sequel to Afterimages The Legend of Diadamia is C J Fisher s second novel again combining his love of the old amusement parks from New England with his fascinations in history architecture movies ghost stories and new age philosophy
