Conducting Tours, A Practical Guide, 3rd ed, 2001 *Conducting Tours* Marc Mancini, 1996 Widely recognized as the bible for veteran tour conductors this information packed resource offers insight into conducting successful and lucrative tours Every important aspect of this exciting profession is covered The perceptive handbook delves into client and escorting psychology preparing prospective tour guides for the unexpected 185 illus **A Practical Guide to Choral Conducting** Harold Rosenbaum, 2017-10-17 Rooted in the experience of a professional choral conductor this book provides a guide to practical issues facing conductors of choral ensembles at all levels from youth choruses to university ensembles church and community choirs and professional vocal groups Paired with the discussion of practical challenges is a discussion of over fifty key works from the choral literature with performance suggestions to aid the choral conductor in directing each piece Dealing with often overlooked yet vital considerations such as how to work with composers recording concert halls and choral tours A Practical Guide to Choral Conducting offers a valuable resource for both emerging choral conductors and students of choral conducting at the undergraduate and graduate levels *Manual for Guiding Techniques* Ettore Amato, 2021-06-15 As far as I am aware Tourist Guide Techniques have not previously been the subject of many manuals I have decided then to offer the future tourist guides everything my long career in the tourism field has taught me about the technical aspects of guiding This to help them to better understand their role as interpreters of what is observed and how to practise it efficiently There is no such thing as a universal way in which to guide tourists since this art and profession derives its uniqueness from the spontaneity and individual charisma of each tourist guide What is presented in this manual is a method based on assorted suggestions and procedures that will assist the tourist guides and establish a sound understanding of what they must know This manual therefore does not intend to supply a set formula which must be followed slavishly since that would inhibit the individual creativity which each tourist guide should possess Instead this manual provides a mean to

better prepare them TECHNICALLY for their future tasks Author **Ecotourism** Sue Beeton,1998 What is ecotourism Working in and with the local environment Starting and managing a tourist business Tour Operators and Operations Jacqueline Holland,David Leslie,2017-12-14 With a focus on the creation and distribution of packaged holidays this text covers the fundamentals of business and the relationship between tour operators and destinations With particular reference to the sustainability of both parties it reviews the impacts and influences of tour operations and practices on destinations within the overriding context of tour operator responsibility It addresses the entirety of this key component of the tourism sector and reflects the shift in recent years from traditional sun sea and sand holiday to more bespoke packages
