XHOSA FOLK & FAIRY TALES - 21 Xhosa children's stories from Nelson Mandela's homeland George McCall Theal, 2020-06-22 Xhosa Folk to name but a few Like Native Americans and most other African folk and fairy stories each story carries a moral as they were used to teach children the morals and lessons they would carry with them through life Despite this they are also extremely amusing and entertaining But the tribes of South Eastern Africa were not as isolated as many would think Long before the Europeans arrived on the coast of South East Africa Indians and Arabians had been trading regularly along this coast mostly for gold and slaves and often venturing far inland to obtain either or both There was also frequent contact with at least the neighbouring tribes of the Bechuana the Zulu the Sotho the Qwa Qwa and the Gariep Indeed many locally crafted items found their way North to the ancient city state of Great Zimbabwe some even making it as far afield as India and Arabia In the days long before Radio TV and the Internet many a traditional story would have been shared around a blazing campfire and it is with this mix of Indian Arabian and inter tribal African cultures that stories or fragments of stories would have been swapped with the peoples they met So if one of these stories should ring with familiarity you don t have to look far to find the reason for it
