

The Gender Defender is someone who actively, or by knowing inaction, defends the status quo of the existing gender system, and thus perpetuates the violence of male privilege and all its social extensions. The gender defender, or gender terrorist, is someone for whom gender forms a cornerstone of their view of the world. Shake gender up for one of these folks, and you're in trouble.

The Tao of Gender Tarynn M. Witten, 2002-04-25 The concept of gender is one that is static for many and malleable for some Many mistakenly interchange gender with sexuality Some argue that it is cultural environmental while others say that it is genetic What is gender The answer continues to elude Tarynn Whitten s introspective work seeks to explore the mystery of gender identity through an integration of various principles of Taoism The Tao of Gender grew out of a personal need to provide peaceful reading for those who seek The Way on their journey through life in a world where transgenderism and transsexuality are all too often misunderstood The author hopes to help those on this journey to find balance by tapping into their infinite capacity for resourcefulness and wisdom within What readers are saying This book is a gift of inspiration and insight for those who experience gender fluidity or want to explore the nature of trans genderism Tarynn artfully weaves the personal and the philosophical creating a tapestry of gender and Taoism with threads of self discovery and renewal Randi Ettner Ph D author of Gender Loving Care and Confessions of a Gender Defender *When The Opposite Sex Isn't* Sandra L. Samons, 2012-10-12 When there is uncertainty about the gender identity or social gender role of an individual determining exactly who the opposite sex is can be a complicated question for both the transgender person and for those who seek to relate to her Written in both an enlightened and a reader friendly style interspersed with vignettes When the Opposite Sex Isn't offers a combination of insights and common sense understanding of the diversity of the human condition together with

concepts of gender and sexuality that expand the horizons of any mental health professional regardless of the clinical focus of his or her work Samons challenges concepts once taken for granted thus providing stimulus for creative thinking which many lay readers will also find interesting and entertaining whether or not they are thus far acquainted with a transgender person
