WILLARD R. ESPY

"Our best existing comic poet has composed an hilarious book that ought to be in every schoolroom that has managed to drag its pupils through the elements of English grammar. To Willard Espy, the English language is what a football is to Joe Namath, a golf ball to Arnold Palmer, the male of the species to Zea Zea Gabor: a wonderful object to manipulate, to flog, to coax and have a barrel of fun with. The best comic anthology there has ever been."
