Island Song Lyrics Volume 3 Larry W. Jones, 2004-04-05 Larry W Jones has written over 3 500 song lyrics with island based themes Most are in the style of the hapa haole return to paradise tradition of the golden years of Territorial Hawaii Volume 7 title page verso *Administration of Native Hawaiian Home Lands* United States. Congress. Senate. Select Committee on Indian Affairs, 1990 **Catalog of Copyright Entries** Library of Congress. Copyright Office, *The Gospel of John* Frederick Dale Bruner, 2012-02-22 The author of a much loved two volume Matthew commentary 1990 that he greatly revised and expanded fourteen years later Frederick Dale Bruner now offers *The Gospel of John A Commentary* more rich fruit of his lifetime of study and teaching Rather than relying primarily on recent scholarship Bruner honors and draws from the church's major John commentators throughout history including Augustine Chrysostom Aquinas Luther Calvin Bultmann Barrett and many more Alongside this historical interpretation is Bruner's own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the Gospel to present day experience Like Bruner's other work this commentary is rich in biblical insights broadly historical and deeply theological Here is what Eugene Peterson said about Bruner's earlier work on Matthew This is the kind of commentary I most want a theological wrestling with Scripture Frederick Dale Bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about God and ourselves His Matthew commentary is in the grand traditions of Augustine Calvin and Luther expansive and leisurely loving the text the people in it and the Christians who read it The same could well be said about the present John commentary which promises to be another invaluable resource for pastors teachers and laypeople alike **Jewel of the Pacific** Linda Lee Chaikin, 2013-04-01 The wedding's abandoned and the clouds of political disaster loom overhead The fire that almost ended Eden's life has put an end to the promise of marriage While saving Eden Rafe lost not only his eyesight but also his independence his determination and his pride In a short letter he ends Eden's hope for happiness Hurt and angry Eden sails to the leper colony on the island of Molokai where her mother is suffering During Eden's year long absence Rafe seeks medical care in San Francisco and eventually regains his sight Returning to his coffee plantation on the Big Island Rafe finds the beautiful Bernice Judson waiting This is the year of decision Hawaii is on the brink of revolution The anti Royalists threaten to depose the Hawaiian queen and bring the Hawaiian Islands under the Stars and Stripes Eden must choose a side in politics and where to put her trust Will Eden discover the painful lesson God wants her to learn And will she ever find healing for her broken heart with or without a life that includes Rafe **The Spider Web** Esther E. Yeatter, 2007-01-01 Although Filipino cinema dates to the early silent era and shares many characteristics with Western film it has frequently been ignored by Western critics and audiences This book offers a rare study of cinema in the Philippines The

first half of the work presents a history Chapters cover lost pre World War II films the postwar cinema boom the Philippines unique relationship with the United States and its manifestation on film and Filipino cinema s decline The second half of the book is the most comprehensive published filmography of Filipino cinema to date **Parts of the Pacific** Peripatetic Parson,1896 Author s account and observations about his travels through north Queensland Fiji New Zealand Samoa and Hawaii includes a chapter entitled About Aborigines **Our Hawaii: Islands and islanders** Charmian London,2006-01-01 Once upon a time only the other day when jovial King Kalakaua established a record for the kings of earth and time there entered into his Polynesian brain as merry a scheme of international intrigue as ever might have altered the destiny of races and places The time was 1881 the place of the intrigue the palace of the Mikado at Tokio The record must not be omitted for it was none other than that for the first time in the history of kings and of the world a reigning sovereign in his own royal person put a girdle around the earth The intrigue It was certainly as international as any international intrigue could be Also it was equally as dark while it was precisely in alignment with the future conflicting courses of empires Manifest destiny was more than incidentally concerned When the manifest destinies of two dynamic races move on ancient and immemorial lines toward each other from east to west and west to east along the same parallels of latitude there is an inevitable point on the earth s surface where they will collide In this case the races were the Anglo Saxon represented by the Americans and the Mongolian represented by the Japanese The place was Hawaii the lovely and lovable beloved of countless many as Hawaii Nei Kalakaua despite his merriness foresaw clearly either that the United States would absorb Hawaii or that allied by closest marital ties to the royal house of the Rising Sun Hawaii could be a brother kingdom in an empire That he saw clearly the situation to day attests Hawaii Nei is a territory of the United States There are more Japanese resident in Hawaii at the present time than are resident other nationalities not even excepting the native Hawaiians The figures are eloquent In round numbers there are twenty five thousand pure Hawaiians twenty five thousand various Caucasians twenty three thousand Portuguese twenty one thousand Chinese fifteen thousand Filipinos a sprinkling of many other breeds an amazing complexity of intermingled breeds and ninety thousand Japanese And most amazingly eloquent of all statistics are those of the race purity of the Japanese mating In the year 1914 the Registrar General is authority for the statements that one American male and one Spanish male respectively married Japanese females that one Japanese male married a Hapa Haole or Caucasian Hawaiian female and that three Japanese males married pure Hawaiian females When it comes to an innate antipathy toward mongrelization the dominant national in Hawaii the Japanese proves himself more jealously exclusive by far than any other national Omitting the records of all the other nationals which go to make up the amazing mongrelization of races in this smelting pot of the races let the record of pure blood Americans be cited In the same year of 1914 the Registrar General reports that of American males who intermingled their breed and seed with alien races eleven married pure Hawaiians twenty five married Caucasian Hawaiians three married pure Chinese four married Chinese Hawaiians and one married a

pure Japanese To sum the same thing up with a cross bearing in the same year 1914 of over eighteen hundred Japanese women who married only two married outside their race of over eight hundred pure Caucasian women who married over two hundred intermingled their breed and seed with races alien to their own Reduced to decimals of the females who went over the fence of race to secure fathers for their children 25 of pure Caucasian women were guilty 0014 of Japanese women were guilty in vulgar fraction one out of four Caucasian women one out of one thousand Japanese women **The Narrow Road** Rev. Ni'ihau Place Names John R. K. Clark,2023-10-31 The story of Ni ihau has been told many times by many people but Ni ihau Place Names adds new information to the island s history from a unique source Hawaiian language newspapers From 1834 to 1948 approximately 125 000 pages of Native Hawaiian expression were printed in more than 100 different newspapers John R K Clark has gathered and edited a large collection of invaluable articles that recorded daily life on Ni ihau events and topics of interest and the island s place names Additionally Keao NeSmith a Native Hawaiian of Kaua i and an applied linguist translator and researcher fluent in lelo Hawai i translated each passage into English Most of these excerpts have not appeared in any other publication Ni ihau is unique in the state of Hawai i because it is the only island that is entirely privately owned In 1864 Kamehameha V the monarch of the Kingdom of Hawai i sold the island to the Sinclairs a wealthy immigrant family looking to establish a ranching business Descendants of the Sinclairs still own the island today Diverse opinions about the sale of Ni ihau were published in newspapers across the Hawaiian Islands and this book traces the development and aftershocks of that historic event Ni ihau Place Names contains over thirty kanikau dirges poetic chants

written and published from 1845 to 1931 to honor deceased Ni ihau residents These compositions of deep emotion are treasuries of language history genealogy cultural knowledge and especially place names Another important contribution in this volume is the identification of lelo no eau proverbs and poetical sayings with demonstrations of their use in everyday conversation The book is divided into two main sections Ni ihau Place Names is an alphabetical list of prominent place names on the island accompanied by relevant passages in Hawaiian and their English translations The list also includes Lehua the small island near the northwest tip of Ni ihau Ni ihau History is an additional collection of articles that includes many lesser known place names and elucidates other topics deemed worthy by reporters and contributors of the time Following the main text readers will find helpful indexes of general terms place names and personal names
