

# Guidelines for Leaving Kids HOME ALONE

## AGE APPROPRIATE:

|                 |                                                                                                 |
|-----------------|-------------------------------------------------------------------------------------------------|
| 7 & under       | Should not be left alone for any period of time                                                 |
| 8-10 years old  | Should not be left alone for more than 1½ hours & only during daylight and early evening hours. |
| 11-12 years old | May be left alone for up to 3 hours but not late at night.                                      |
| 13-15 years old | May be left unsupervised, but not overnight.                                                    |
| 16-17 years old | May be left unsupervised (in some cases, for up to two consecutive overnight periods).          |

## SAFETY TIPS:

- Things to memorize: Full name, address, telephone number.
- Post an emergency list - local, long distance numbers to call in case of emergency.
- Let neighbors know that your child may be home alone.
- Call the child several times while you are away.
- Teach your child how to lock windows and doors.
- Tell your child not to go into other people's homes (neighbors included) without your permission.
- Designate a safe house to run to if the child feels like he/she is in danger.
- Teach children kitchen safety and what is/is not okay when you are not at home with them.
