Alone, Empty, and Screaming Dirk Larson,2022-04-06 What a fifty three years it has been I am the living proof that we have a relentless God whose grace has no end My heart pours out to those who are growing up or have grown up in the church those who were saved like me at an early age My father has always said Never forget what you were saved from For most of us that grew up in the church that from is nothing more than church pews and swing sets My story is for you and for those that love you Though God was always a part of my life He was never the Lord of my life I was saved but it was without effect Through the decades of utter darkness I have found my way through Forty seven years between salvation and surrender The reason for telling my story is to give hope to the hopeless No matter where you are no matter what you ve done no matter how long you ve run or where you re running to now you are not alone We are not alone The journey to whole is not an easy one but it is the only way that life will ever make sense There is a God that will carry you through if you re ready to let him My journey is far from over but if you d like we can do it together Are you ready 2
