Along The Domestic Foreign Frontier Exploring Governance In A Turbulent World:

Along the Domestic-Foreign Frontier James N. Rosenau, 1997-06-28 James Rosenau explores the enormous changes in both national and international political systems which are currently transforming world affairs **Along the Domestic-Foreign Frontier** James N. Rosenau, 1997-06-28 James N Rosenau explores the enormous changes that are currently transforming world affairs He argues that the dynamics of economic globalization new technologies and evolving global norms are clashing with equally powerful localizing dynamics The resulting encounters between diverse interests and actors are rendering domestic and foreign affairs ever more porous and creating a political space designated as the Frontier wherein the quest for control in world politics is joined He contends that it is along the Frontier and not in the international arena that issues are contested and the course of events configured Along the Domestic-Foreign Frontier James N. Rosenau, 1997-06-28 James N Rosenau explores the enormous changes that are currently transforming world affairs He argues that the dynamics of economic globalization new technologies and evolving global norms are clashing with equally powerful localizing dynamics The resulting encounters between diverse interests and actors are rendering domestic and foreign affairs ever more porous and creating a political space designated as the Frontier wherein the quest for control in world politics is joined He contends that it is along the Frontier and not in the international arena that issues are contested and the course of events configured Canada Among Nations, 2005 Andrew Fenton Cooper, Dane Rowlands, 2005 This text provides an in depth examination of the challenges confronting the new Canadian government as it charts a course in the turbulent world of international affairs Fifty Key Thinkers on Globalization William Coleman, Alina Sajed, 2013-06-26 Fifty Key Thinkers on Globalization is an outstanding guide to often encountered thinkers whose ideas have shaped defined and influenced this new and rapidly growing field The authors clearly and lucidly survey the life work and impact of fifty of the most important theorists of globalization including Manuel Castells Joseph Stiglitz David Held Jan Aart Scholte Each thinker s contribution to the field is evaluated and assessed and each entry includes a helpful guide to further reading Fully cross referenced throughout this remarkable reference guide is essential reading for students of politics and international relations economics sociology history anthropology and literary studies Values, Interests and Power: South African foreign policy in uncertain times Daniel D. Bradlow, Elizabeth Sidiropoulos, 2020-01-01 About the publication South Africa s foreign policy makers are facing a substantial challenge From the advent of the democratic era in 1994 through to the early 2000s South Africa was a highly respected actor in international affairs with a number of impressive accomplishments in the areas of global governance peacekeeping and international norm entrepreneurship However since that time the country s international standing has declined The value based and innovative foreign policy that earned the early post apartheid South African government such great international respect has been replaced by a more transactional and tactically driven approach to international affairs The country s position as Africa s leading economy and voice in international affairs is

increasingly being challenged by other African states This book explores how South Africa can develop a foreign policy strategy that is appropriate to the uncertain times in which we live and that both helps the country address its overwhelming domestic challenges of poverty inequality and unemployment and regain its former high international reputation The contributors to this book offer analyses and proposals for developing such a strategy within the context of the country's constitutional order and institutional constraints and that addresses the diverse and complex global and regional aspects of the country's international relations Endorsements In this valuable book which should be on every diplomat's bookshelf some of SA's foremost experts offer the government frank and compelling advice on how to conduct a much better foreign policy over the next decade The authors challenge Pretoria to muster all the country's assets and skills and not just those of the ruling party to pursue only the most important foreign policy goals And to be guided always by the lodestar of the Constitution Peter Fabricius Foreign Policy Analyst former Foreign Affairs Editor at Independent Newspapers In this one of a kind book of twelve chapters by emerging and experienced scholars the authors probe into factors shaping South African foreign policy lessons learned and the future strategy of the country's foreign policy in an ever changing world A compelling read for policy makers and scholars Ambassador Prof Iqbal Jhazbhay University of South Africa Member of the ANC's N E C International Relations Sub Committee its breadth will engage newcomers its insights will be useful to scholars and practitioners alike Professor Amrita Narlikar President German Institute for Global and Area Studies GIGA This book offers compelling insights on South Africa's foreign policy These varied pieces provide textured and critical perspectives that may help open up an avenue to re imagine South Africa's foreign policy afresh in the post Zuma years It is a compendium that should appeal to scholars of international relations practitioners of foreign policy and the broader policy community Professor Mzukiso Qobo Head School of Governance University of the Witwatersrand This nuanced and richly detailed volume offers the reader superb analyses of South Africa's foreign policy The authors contributions present both theoretical considerations and specific policy recommendations which make the book highly useful for both scholars and policy makers Each chapter is thus certain to significantly contribute to promoting the public debate about South Africa's place in the world Professor Oliver Stuenkel Funda o Getulio Vargas FGV Table of Contents ACKNOWLEDGMENTS CONTRIBUTORS Defining a South African foreign policy for the 2020s Challenges constraints and opportunities by Daniel D Bradlow Elizabeth Sidiropoulos Luanda Mpungose Foreign policy under the Constitution by Jonathan Klaaren Daiyaan Halim The courts and foreign policy powers by Nicole Fritz Overcoming bureaucratic and institutional challenges in South African foreign policy making by Arina Muresan Francis Kornegay South Africa's security interests in Africa Recommendations for the 2020s by Aditi Lalbahadur Anthoni van Nieuwkerk South Africa's peace and security interests beyond the continent by Garth Le Pere Lisa Otto Regional integration and industrial development in Southern Africa Where does South Africa stand by Maria Nkhonjera Simon Roberts South Africa and African continental economic integration in the 2020s by Lumkile Mondli

perhaps trump cards in the twenty first century Godson defines covert action as influencing events in other parts of the world without attribution and counterintelligence as identifying neutralizing and exploiting the secret activities of others Together they provide the capability to resist manipulation and control others to advantage Counterintelligence protects U S military technological and diplomatic secrets and turns adversary intelligence to U S advantage Covert action enables the United States to weaken adversaries and to assist allies who may be hampered by open acknowledgment of foreign support Drawing on contemporary and historical literature broad ranging contacts with senior intelligence officials in many countries as well as his own research and experience as a longtime consultant to the U S government Godson traces the history of U S covert action and counterintelligence since 1945 showing that covert action works well when it is part of a well coordinated policy and when policy makers are committed to succeeding in the long term Godson argues that the best counterintelligence is an offensive defense His exposition of the essential theoretical foundations of both covert action and counterintelligence supported by historical examples lays out the ideal conditions for their use as well as demonstrating why they are so difficult to attain This book will be of interest to students and general readers interested in political science national security foreign policy and military policy *Sovereignty, Democracy, and Global Civil Society* Elisabeth Jay Friedman, Kathryn

Hochstetler, Ann Marie Clark, 2012-02-01 *Sovereignty Democracy and Global Civil Society* explores the growing power of nongovernmental organizations NGOs by analyzing a microcosm of contemporary global state society relations at UN World Conferences The intense interactions between states and NGOs at conferences on the environment human rights women s issues and other topics confirm the emergence of a new transnational democratic sphere of activity Employing both regional and global case studies the book charts noticeable growth in the ability of NGOs to build networks among themselves and effect change within UN processes Using a multidimensional understanding of state sovereignty the authors find that states use sovereignty to shelter not only material interests but also cultural identity in the face of external pressure This book is unique in its analysis of NGO activities at the international level as well as the complexity of nation states responses to their new companions in global governance **The Future of Terrorism** John Horgan, Max Taylor, 2013-01-11 These papers from a meeting on terrorism in Cork in 1999 include the effects of changing geo politics on terrorism strategic and tactical responses to innovations in terrorism the changing nature of terrorism the threat of weapons of mass destruction and single issue terrorism **Foreign Correspondence** John Maxwell Hamilton, Regina G. Lawrence, 2013-09-13 Despite the importance of foreign news its history transformation and indeed its future have not been much studied The scholarly community often calls attention to journalism s shortcomings covering the world yet the topic has not been systematically examined across countries or over time The need to redress this neglect and the desire to assess the impact of new media technologies on the future of journalism including foreign correspondence provide the motivation for this stimulating exciting and thought provoking book While the old economic models supporting news have crumbled in the wake of new media

technologies these changes have the potential to bring new and improved ways to inform people of foreign news In an increasingly globalized era journalism is being transformed by the effortlessly quick sharing of information across national boundaries As such we need to reconsider foreign correspondence and explore where such reporting is headed This book discusses the current state and future prospects for foreign correspondence across the full range of media platforms and assesses developments in the reporting of overseas news for audiences governments and foreign policy in both contemporary and historical settings around the globe As Emmy Award and Pulitzer Prize winning correspondent Serge Schmemmann reminds us in this book quality journalism and unbiased reporting are as valid and necessary today as they ever were one of the primary tasks of journalists and scholars as they follow the changes taking place must be to ensure that the new international information order now imposed by the Internet remains true to the ideals and traditions that define our journalism This book was originally published as a special issue of Journalism Studies

Foreign Policy Analysis Chris Alden, Amnon Arran, 2016-10-04 Building on the success of the first edition this revised volume re invigorates the conversation between foreign policy analysis and international relations It opens up the discussion situating existing debates in foreign policy in relation to contemporary concerns in international relations and provides a concise and accessible account of key areas in foreign policy analysis that are often ignored Focusing on how foreign policy decision making affects the conduct of states in the international system and analysing the relationship between policy agency and actors the volume examines foreign policy and bureaucracies domestic sources of foreign policy foreign policy and the state foreign policy and globalization foreign policy and change Features of the second edition include a wider range of contemporary case studies and examples from around the globe analysis of new directions in foreign policy analysis including foreign policy implementation and the changing media landscape fully updated material across all chapters to reflect the evolving research agenda in the area This second edition builds on and expands the theoretical canvas of foreign policy analysis shaping its ongoing dialogue with international relations and offering an important introduction to the field It is essential reading for all students of foreign policy and international relations

Providing Global Public Goods Inge Kaul, Pedro Conceicao, Katell Le Goulven, Ronald U. Mendoza, 2003-01-16 Elaborating on the concepts first introduced in Global Public Goods this book addresses the long overdue issue of how to adjust the concept of public goods to today s economic and political realities The production of global public goods requires the orchestration of initiatives by a large number of diverse actors across different levels and sectors It may require the collaboration of governments business and civil society and in most cases it almost certainly calls for an effective linkage of the local national regional and global levels In light of today s new realities this book examines a series of managerial and political challenges that pertain to the design

and implementation of production strategies and the monitoring and evaluation of global public goods provision As participatory decision making enhances the political support for and thus the effectiveness of certain policy decisions this volume offers suggestions on a number of pragmatic policy reforms for bringing the global public more into public policy making on global issues Nine case studies examine the importance of the global public good concept from the viewpoint of developing countries exploring how and where the concerns of the poor and the rich overlap Providing Global Public Goods offers important and timely suggestions on how to move in a more feasible and systematic way towards a fairer process of globalization that works in the interests of all

Transnational Islamic Actors and Indonesia's Foreign Policy Delphine Alles, 2015-12-14 The past fifteen years have seen Indonesia move away from authoritarianism to a thriving yet imperfect democracy During this time the archipelago attracted international attention as the most populated Muslim majority country in the world As religious issues and actors have been increasingly taken into account in the analysis and conduct of international relations particularly since the 9 11 events Indonesia's leaders have adapted to this new context Taking a socio historical perspective this book examines the growing role of transnational Islamic Non State Actors NSAs in post authoritarian Indonesia and how it has affected the making of Indonesia's foreign policy since the country embarked on the democratization process in 1998 It returns to the origins of the relationship between Islamic organisations and the Indonesian institutions in order to explain the current interactions between transnational Islamic actors and the country's official foreign policies The book considers for the first time the interactions between the parallel diplomacy undertaken by Indonesia's Islamic NSAs and the country's official foreign policy narrative and actions It explains the adaptation of the state's responses and investigates the outcomes of those responses on the country's international identity Combining field collected data and a theoretical reflexion it offers a distanced analysis which deepens theoretical approaches on transnational religious actors Providing original research in Asian Studies while filling an empirical gap in international relations theory this book will be of interest to scholars of Indonesian Studies Islamic Studies International Relations and Asian Politics
