Knowledge and Interaction Andrea A. diSessa,Mariana Levin,Nathaniel J.S. Brown,2015-12-07 Decades of research in the cognitive and learning sciences have led to a growing recognition of the incredibly multi faceted nature of human knowing and learning Up to now this multifaceted nature has been visible mostly in distinct and often competing communities of researchers From a purely scientific perspective siloed science where different traditions refuse to speak with one another or merely ignore one another is unacceptable This ambitious volume attempts to kick start a serious new line of work that merges or properly articulates different traditions with their divergent historical theoretical and methodological commitments that nonetheless both focus on the highly detailed analysis of processes of knowing and learning as they unfold in interactional contexts in real time *Knowledge and Interaction* puts two traditions in dialogue with one another Knowledge Analysis KA which draws on intellectual roots in developmental psychology and cognitive modeling and focuses on the nature and form of individual knowledge systems and Interaction Analysis IA which has been prominent in approaches that seek to understand and explain learning as a sequence of real time moves by individuals as they interact with interlocutors learning environments and the world around them The volume s four part organization opens up space for both substantive contributions on areas of conceptual and empirical work as well as opportunities for reflection integration and coordination

We re living through the greatest loss of faith in the history of the Catholic Church a refrain reverberating thru Catholic America Likely you are familiar with the statistics 25% percent decline in Mass attendance 15% of churches closed and or consolidated 65% of Catholics do not believe in the Real Presence Catholicism the largest Christian creed followed closely by fallen away Catholics America s religious decline is not new Experts claim Christianity has been on decline since the removal of prayer from public schools in 1962 Catholic school enrollment declined concurrently Yet prayer was not removed from Catholic schools Predictably Mass attendance followed What changed Catholic authorities proffered explanations and recommendations none of which stemmed the tide a sure sign the root cause was not rightly identified As a cradle Catholic father grandfather and amateur student of Mass I offer an assertion supported by my love of Catholicism logic and a book What changed was the equivalent of removing the pillar of prayer from public schools Mass was removed from Catholic catechesis school CCD RCIA adult formation ambo and domestic church A cursory look at a Baltimore Catechism the 1950 60s field manual for Catholics reveals a 30 page segment Catechism of the Mass immersing students in liturgical details A cursory look at current Catholic curricula reveals a paucity of information on Mass ranging from a few paragraphs in school texts to take home trifolds for CCD RCIA etc Is Mass that important Did you know Mass Is the most perfect way for man to praise and give thanks to God Is the only sacrifice perfect pleasing and acceptable to God Is the most sacred function of the Church surpassing all others in efficacy Is the Church s greatest prayer Is an offering for the whole Mystical Body of Christ Is the highest form of prayer for the faithful Is the Church s 1 effort to save souls Is the same sacrifice Christ made on the Cross Is the perfect answer to prayer as it brings mercy and salvation Christ won for us Is required attendance every Sunday and six Holy Days a year but Communion only once Is the Source and Summit of our Faith Seemingly Mass is the answer to everything integral to Catholicism Why is it not taught in Catholic education settings How do we reverse the tide Pope John Paul II Mass is Heaven on Earth What we celebrate on Earth is a mysterious participation in the heavenly liturgy If Catholics realized Mass is tantamount to Heaven on Earth would we be witnessing the greatest loss of faith in the history of the Catholic Church Emphatically No As one Priest opined We d have to double Masses and they d be SRO We would witness the greatest flood of student enrollment and Mass attendance since the inception of Catholicism in America We would have to double Catholic school classes and reopen shuttered schools and churches Catholics must re assess school CCD RCIA adult formation and domestic church catechesis to make space for a deep dive into Mass To fulfill the need I submit a book series Heaven on Earth The Order and Meaning of Mass Heaven on

Earth second edition text for adults Curriculum for students and educators Workbook of lesson reviews for students Heaven on Earth is not a theological or academic treatise but a user friendly step by step guide to Mass for the faithful unlike anything available elsewhere Author s Promise You will never ever go to church attend Mass or receive Communion the same way again
