The Politics of the Solar Age Hazel Henderson,1988 **Reclaiming Christmas** Ginger Jurries,2013-12 Are you tired of the materialistic craziness of Christmas celebrations Instead of relishing the wonder and joy of the holy holiday we stumble through in a commercial haze feeling exhausted and ready for it all to be mercifully finished Is there an alternative to this commercial dilemma Happily there is What we need is not only permission to reclaim our sacred season but also creative ideas for peace filled stress free and meaningful celebrations A plethora of delightful and diverse ideas can help your family not only to anticipate the season but also to grow closer through Advent and enjoy the holy season in a more meaningful other centered way *Hundred Dollar Holiday* Bill McKibben,2013-06-25 Too many people have come to dread the approach of the holidays a season that should and can be the most relaxed intimate joyful and spiritual time of the year In

this book Bill McKibben offers some suggestions on how to rethink Christmastime so that our current obsession with present buying becomes less important than the dozens of other possible traditions and celebrations Working through their local churches McKibben and his colleagues found that people were hungry for a more joyful Christmas season For many trying to limit the amount of money they spent at Christmas to about a hundred dollars per family was a real spur to their creativity and a real anchor against the relentless onslaught of commercials and catalogs that try to say Christmas is only Christmas if it comes from a store McKibben shows how the store bought Christmas developed and how out of tune it is with our current lives when we re really eager for family fellowship for community involvement for contact with the natural world and also for the blessed silence and peace that the season should offer McKibben shows us how to return to a simpler and more enjoyable holiday Christmas is too wonderful a celebration to give up on too precious a time simply to repeat the same empty gestures from year to year This book will serve as a road map to a Christmas far more joyful than the ones you ve known in the past
