**The Always Anonymous Beast** Lauren W. Douglas, 1987      The Always Anonymous Beast Lauren Wright Douglas, 1989-01-01      Investigating Women David Skene-Melvin, 1995-12 Female Detectives by Canadian Writers An Eclectic Sampler      **Detective Agency** Priscilla L. Walton, Manina Jones, 1999-05-31 A fun book about genre fiction and the ways women have appropriated the hard boiled tradition of Sam Spade Philip Marlowe and Mike Hammer and the writings of Hammet Chandler Spillane and others A story of texts movies TV shows and publishing it goes quite beyond textual analysis A bit like Jan Radway's and Tania Modleski's analysis of culture in the making and we'll probably have blurbs from both on the cover of our book      **The Gay Detective Novel** Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e.g. homophobia the closet gay marriage and the novels and series that address each of those themes      *The Woman Detective* Kathleen Gregory Klein, 1995 Kathleen Gregory Klein traces female paid professional private investigators in British Canadian and American novels revealing that the detective novel is both a reflection of and potential barrier to social change for women This edition adds sixty new female private eyes to the roster and includes an afterword that assesses the current state of the genre's new and old novels A comprehensive bibliography and a character list update the field through mid 1994      *Windabgeworfenes Licht* Dylan Thomas, 1992-08-11 Bislang gab es nur eine schmale Auswahl aus dem dichterischen Werk des genialen walisischen Rimbaud Mit dieser Ausgabe wird zum ersten Mal das ganze Panorama der ungestmen Begabung von Dylan Thomas sichtbar die Mythologie seines Selbst und der Landschaft deren M rchen und Mythen der Stoff seiner Gedichte sind Klaus Martens setzt den Grundton f r eine bersetzerische Vielstimmigkeit die berraschend viele neue T ne zur Sprache bringt      *Detecting Canada* Jeannette Sloniowski, Marilyn Rose, 2014-03-25 The first serious book length study of crime writing in Canada Detecting Canada contains thirteen essays on many of Canada's most popular crime writers

including Peter Robinson Giles Blunt Gail Bowen Thomas King Michael Slade Margaret Atwood and Anthony Bidulka Genres examined range from the well loved police procedural and the amateur sleuth to those less well known such as anti detection and contemporary noir novels The book looks critically at the esteemed sixties television show *Wojeck* as well as the more recent series *Da Vinci's Inquest* *Da Vinci's City Hall* and *Intelligence* and the controversial Durham County a critically acclaimed but violent television series that ran successfully in both Canada and the United States The essays in *Detecting Canada* look at texts from a variety of perspectives including postcolonial studies gender and queer studies feminist studies Indigenous studies and critical race and class studies Crime fiction enjoyed by so many around the world speaks to all of us about justice citizenship and important social issues in an uncertain world *Murder by the Book?* Sally Rowena Munt, 2003-09-02 *Murder by the Book* is a thorough and thoroughly enjoyable look at the blossoming genre of the feminist crime novel in Britain and the United States Sally Munt asks why the form has proved so attractive as a vehicle for oppositional politics whether the pleasures of detective fiction can be truly transgressive and when exactly it was that the dyke detective appeared as the new super hero for today Along the way Munt poses some critical questions about the relations between fiction and activism politics and representations the writer and the reader This will be an enticing book both for addicts of the genre and for teachers and their students *Lesbian Detective Fiction* Phyllis M. Betz, 2006-07-24 This work examines how lesbian detective and mystery fiction represents lesbian characters and experience within the confines of the genre As this book points out such fiction reveals the lesbian's increasing visibility in the wider society Nevertheless it can still be difficult to find a complete representation of lesbian life in mainstream literature Often the best place to find the lesbian represented in books is within the pages of genre fiction especially the detective story This book looks at how the lesbian characters public and private lives intersect often at the point of coming out or of moving from isolation to connection with the community Also considered is the lesbian detective's typical confrontation with two crucial elements of the investigator's role the use of violence and the acquisition and expression of authority within police systems Other topics of discussion include the cultural environments in which the stories are situated and the use of humor as a key weapon in the lesbian detective's investigative arsenal ***Detecting Women 2*** Willetta L. Heising, 1996 Lists over 3 400 mystery titles written by women in correct series order as well as more than 600 series detectives created by women and more Titles are indexed by mystery type and series setting *Crime Fiction since 1800* Stephen Knight, 2010-04-09 Since its appearance nearly two centuries ago crime fiction has gripped readers imaginations around the world Detectives have varied enormously from the nineteenth century policemen and a few women through stars like Sherlock Holmes and Miss Marple to newly self aware voices of the present feminist African American lesbian gay postcolonial and postmodern Stephen Knight's fascinating book is a comprehensive analytic survey of crime fiction from its origins in the nineteenth century to the present day Knight explains how and why the various forms of the genre have evolved explores a range of authors and movements

and argues that the genre as a whole has three parts the early development of Detection the growing emphasis on Death and the modern celebration of Diversity The expanded second edition has been thoroughly updated in the light of recent research and new developments such as ethnic crime fiction the rise of thrillers in the serial killer and urban collapse modes and feel good cozies It also explores a number of fictional works which have been published in the last few years and features a helpful glossary With full references and written in a highly engaging style this remains the essential short guide for readers of crime fiction everywhere

Pop Can Marlene A. D. Lynne Van Luven, Priscilla L. Walton, 1999

Mystery Women, Volume Two (Revised) Colleen Barnett, 2011-12-31 Many bibliographers focus on women who write Lawyer Barnett looks at women who detect at women as sleuths and at the evolving roles of women in professions and in society Excellent for all women s studies programs as well as for the mystery hound Look at the popularity of such reading guides as Willetta Heising s *Detecting Women* 3rd ed 0 9644593 7 X or Amanda Cross fiction *Honest Doubt* 0 345 44011 0 11 00
