It contains feelings from different times and many events of my life. *So Pretty So Many Tears* has poems from many different emotions I have felt.

throughout my life Some of the poems that are written in this book were written when I was 16 years old although I have been writing since I was much younger when I had already been physically and emotionally abused Then I lost The Love Of My Life I fell in love with Tony when I was 12 years old We got together when I was 16 and then we separated for a few years because of my family We got back together when I turned 24 and he was 25 years old A couple of days before he turned 27 years old he passed away yes I lost my love I lost my life hence I lost my mind When I finally gave my whole self to him and finally stopped worrying about what my family felt about him Ever since then I have been truly going through years of so much denial of his death self conviction and guilt over what happened and how it happened I sank into the Abyss of my empty soul and I didn't want to be found because I knew deep inside if I found myself deep within my secretly wounded heart I would realize and find out that I lost the only love I had ever had He was my only friend and I knew that I would lose my mind if I ever lost him There was no way that I wanted to live in this ugly world without him by my side and I had told him that I would never be afraid of anything not even the end of the world so long as he was there by my side even when the end of the world was occurring I have been abused most of my life first by my mother then by my older brother then later on when I got married to someone else other than my true love I went through some inner hell tortures as well as physical tortures with my husband always on drugs such as heroine crystal meth and crack cocaine when I didn't even know what all that stuff was or what it did to someone Anyhow the book contains all of my dreadful melancholic horrific details of just how much I had lost my mind For I truly did lose my mind when Tony left my world The only thing I had to stay alive for was my children that I already had and when The One I Loved left my world I went insane but I didn't even know it and neither did anyone else for that matter I really didn't know how to handle living life without Tony I needed to learn how to live again not only for myself but for my children and the book does indeed hold the deepest fears tears and loves in my life The book contains so many feelings tears and love and as one person put it So Pretty So Many Tears when the tears wouldn't stop and how I couldn't stop thinking of and wanting to die Like I said I actually really lost my mind There are many different poems in this book some are regarding abuse death love reincarnation and even living with physical pain as I do now and have been ever since the year of 2001 it seems as if once the denial stopped and the admission of Tony being dead occurred the pain and suffering I had secretly been feeling in my heart and my soul suddenly spurted out of me and showed and was now felt physically For the secret I was holding within me was the secret I withheld even from my own self and that was that Tony was dead I was full of secrets all of my life first I held the secret from my family the love I had for Tony he was my secret love Then I held the biggest secret from myself the death of Tony's body but not the death of my love for him There are also some poems from my granddaughter Vanessa Espitia and from two of my daughters Desiree Grace and Princess Anna both of whom I encourage to write all their thoughts and feelings from their heart if that is what they want to do Most of my 12 children are blessed with the talents of writing and art along with some of my grandchildren So Pretty [Catalog of Copyright Entries](#) Library of
