Stay For Me Tam DeRudder Jackson, 2023-04-27 Garrett I ve made a few mistakes over the last decade but the one I regret most was letting Olivia Carter go When I see her again the past crashes over me reminding me of everything I ever wanted and gave up when I let our dreams separate us Managing Balefire into the world s biggest rock band came at a personal cost walking away from my only love When fate brings her back into my life I m determined not to screw up again After Balefire hires her studio to produce their next music video I have a second chance to rewrite our song if I can convince her I m a changed man Olivia Ten years ago Garrett Phillips chose to go with his boys and leave me in the dust of a ratty old tour bus Now I m working my ass off to make a name for myself as a Hollywood music video director Unfortunately my fledgling studio is bleeding money and my only hope of saving it is to make a video with the biggest rock band on the planet Too bad that means working with the man who tore my heart out of my chest when he chose his rock n roll dream over me He says he s grown up He says we can make things work But can I truly trust that this time he will stay for me
