Almanaque Bouret Para El Año 1897:

Almanaque Bouret para el año 1897 Raúl Mille, Alberto Leduc, 1992 **Panorama mexicano 1890-1910** Ciro B. Ceballos, 2006 **The Imagined Underworld** James Alex Garza, 2007-12-01 Recounts six infamous crimes committed in nineteenth century Mexico City and the underworld they were used to create Examining judicial records newspapers government documents and travel accounts the author uncovers the truth behind some of nineteenth century Mexico s most notorious criminals including the serial killer El Chalequero **Monuments of Progress** Claudia Agostoni, 2003 A social and cultural history of public health in Mexico during the late 1800s and early 1900s The book offers a fresh take on the history of medicine and public health by shifting away from the history of epidemic disease and heroic accounts of medical men and toward looking at public health in a broader social framework It shows how new public health policies were instrumental in the modernisation of Mexico Adds to a small but fast growing body of literature on the history of public health in Latin America and other developing areas of the world **Colonial and Postcolonial Change in Mesoamerica** Rani T. Alexander, Susan Kepecs, 2018-11-01 This book offers a new account of human interaction and culture change for Mesoamerica that connects the present to the past Social histories that assess the cultural upheavals between the Spanish invasion of Mesoamerica and the ethnographic present overlook the archaeological record with its unique capacity to link local practices to global processes To fill this gap the authors weigh the material manifestations of the colonial and postcolonial trajectory in light of local regional and global historical processes that have unfolded over the last five hundred years Research on a suite of issues economic history production of commodities agrarian change resistance religious shifts and sociocultural identity demonstrates that the often shocking patterns observed today are historically contingent and culturally mediated and therefore explainable This book belongs to a new wave of scholarship that renders the past immediately relevant to the present which Alexander and Kepecs see as one of archaeology s most crucial goals **Laura Méndez de Cuenca** Mílada Bazant de Saldaña, 2018-03-27 The exciting and heartbreaking biography of a woman willing to fight for liberation during a tumultuous time in Mexican history Provided by publisher **The National Union Catalog, Pre-1956 Imprints** Library of Congress, American Library Association.
