The Almost Perfect Murder Hulbert Footner, 2017-09-05 **The Almost Perfect Murder Investigating the Almost Perfect Murders** Anthony Nott, 2020-03-30 A British detective superintendent recounts a remarkable ten year investigation and other compelling murder cases he worked in his long police career Anthony Nott joined the Metropolitan Police in 1971 in a very different world from that of today In this memoir he describes his early experiences in the Met including the arrest of a man for murdering a prostitute in Kings Cross He was present when a fellow police officer was almost stabbed to death and witnessed an act of police brutality when he interrupted the beating of a petty criminal in a cell by the CID In 1976 he transferred to the county force of Dorset where not long after his promotion to detective sergeant he engaged in what would be a ten year long investigation into the disappearance of Monica Taylor leading to the eventual conviction of her husband Peter for what was almost the perfect murder Monica s remains were never found He also recounts a series of other cases in which he was involved from the murder and decapitation of a woman in Bournemouth and the random killing of another to the extremely violent killing of a gay man in Boscombe Gardens Bournemouth in which it took two years to bring the perpetrators to justice While he served as a DCI in Bournemouth in 1994 the chance visit of a detective sergeant from Guernsey who was investigating a life insurance fraud led to the reopening of a missing person enquiry from eight years earlier and resulted in the conviction of Russell Causley for murder despite his wife s body also never being recovered This book provides an insight into the methodical and transparent way in which the police investigate complicated crimes from riots to almost perfect murders

Almost Perfect Murders Hy Conrad, 1997 Pit your wits against a shrewd detective who s trying to solve diabolical murders all over the world Follow the elegantly enigmatic plot twists keep track of the carefully laid out clues and see who s first to nab the culprit you or the pro At the end of each story are three questions you must answer to beat the seasoned gumshoe

Almost Perfect Greg Fogarty, 2011-02-25 On July 2 1970 tourists in Australia spotted a smashed car teetering precariously on a cliff edge overlooking the raging ocean below It seemed the car would fall into the water at any moment but the car lingered as did a mystery revealed when police traced the license plate to the Crawford household Here the police discovered the shocking truth a mother and her three children had been murdered with the husband and father now missing the main suspect The quadruple homicide sent a wave of panic through Australia Where

was the husband And what would make a father kill his own children There was much speculation but few answers as the Crawford patriarch remained missing Forty years passed forty years of Australia's Most Wanted police dead ends and silence until an unidentified body appears in a Texas morgue Almost Perfect is the firsthand look at a terrible crime from the perspective of Greg Fogarty a neighbor to the Crawford family and later a member of the Victoria Police Force Australia Using his skills of observation and investigation Fogarty has put together a tragic and detailed crime narrative with a shocking conclusion Could a morgue in San Angelo Texas hold the body of Australia's most sought after murderer or will the Crawford homicide remain unsolved forever *The Almost Perfect Murder* Hulbert Footner, 2018-10-10 The Almost Perfect Murder Large Print By Hulbert Footner The powder marks around the wound could be seen by all In his confusion and excitement the butler felt that he ought to notify his master of what had happened before sending for the police Nobody in the house knew where Mr Whittall was dining that night and the butler started telephoning around to his clubs and to the houses of his most intimate friends in the endeavour to find him He could not get any word of him He was still at the telephone when Mr Whittall returned home This would be about eleven Mr Whittall's first act was to telephone to the local police station He upbraided the butler for not having done so at once A few minutes later the police were in the house Mrs Whittall's own maid had identified the revolver as one belonging to her mistress She had testified that she had seen nothing strange in the behaviour of her mistress before she left the house *Almost Perfect Crimes* Hy Conrad, 1995 Presents seventeen short crime stories with sections giving clues and solutions for each **An Almost Perfect Murder** John Suter-Linton, 2006 On a Sunday evening Ricky Conway mother of two and estranged wife of a serving police officer was found deceased in her Canberra suburban home Police suspected Ricky had committed suicide as the day before she had tried but failed But one detective on the case noticed something unusual the toilet seat had been left up Ricky however had been home alone all weekend From this one observation suspicions grew and an exhaustive investigation was launched into her death Some thought the detectives were wasting their time particularly as they began to focus on one of their own Despite criticism the investigation continued uncovering an evil conspiracy of deceit and manipulation Even so there was no hard evidence to incriminate their prime suspect John Conway The pressure was on the investigators to find the evidence or disband It seemed Ricky's murder would be unsolved that was till a break through came from an unlikely source Without it Ricky's death would have been a perfect murder **Murder! Too Close To Home** JT Lewis, 2014-03-05 We both leaned against the old house peeling paint digging into my arms as I glanced into the window She was there Raising her gun toward the Sheriff she took careful aim as a maniacal sneer formed on her lips You disgust me she snarled with unbounded rage Throwing her head back suddenly she let loose a loud evil laugh straight from the bowels of hell At least this way I get to personally witness your last breath she grinned as she cocked her gun Quite the consolation prize I assure you I glanced over at Frank who nodded as he tensed himself to break through the door Cocking my own weapon I knew that this was the moment capture or kill this all

ended now I damn you to Hell Sheriff she shouted next You should feel right at home there Frank burst through the door with me close behind I had no way of knowing that this would be the moment that changed my life forever J T Lewis is the author of the Adventures of Gabriel Celtic series which includes Murder Too Close To Home Gabriel s Revenge In Case of Death and The Book of Gabriel Watch for the release of Murmansk coming the summer of 2015 And check out J T Lewis newest series The Nick Behr mysteries Being Crazy is all fun and games until somebody dies Includes previews of In Case of Death and The Artifact Hunter Herefordshire Murders and Misdemeanours David Phelps,2024-07-15 A look at the dark side of life in Herefordshire through the centuries This book will fascinate anyone with an interest in the history of crime as well as those who want to know more about the history of this area **Don't Bug Me; I'm Reading** Bill York,2012-05-31 My cathedral is in an isolated wilderness away from contemporary blight After several years of marriage my wife describes me as odd I prefer eccentric She calls me a cheapskate I am frugal I also choose to be different we put way too much emphasis on the words Hall of Fame legend glamour champion celebrity and famous I may admire but never idolize Heroes arent on golf courses nor in stadiums but in the uniforms of our firefighters military and police officers There are no idols in my life Stars are to be revered only in the night sky not in Hollywood Rather than sit in a night club involved in inane conversations I would rather see hummingbirds performing aerobatics canoe a rogue river watch a moose cavorting with her calf in a turbulent stream see the Aurora Borealis fire streamers of color across a darkening sky study undulating lines of snow geese buffeted by lofty winds honking their way to their mysterious destinations There are yet unseen wonders in nature My adventurous nature was established when I lived for a month on a Chipewyan reservation in Manitoba hunting seal and bear from a dog sled using harpoons and bow and arrows living the way of their ancestors Frogs in a well have a limited view of the limitless sky Beyond every horizon there is a horizon I have canoed the Mackenzie River in Canadas Northwest Territory the Churchill in Manitoba Fraser River in British Columbia the Deschutes in Oregon and the Wolverine in Nunavut I lust to explore each wilderness on earth where overpopulation has not contaminated the environment Time away from the fallacies of civilization is regenerative **Homicide** Bal K. Almost Perfect Murders Introduction

In today's digital age, the availability of Almost Perfect Murders books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Almost Perfect Murders books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Almost Perfect Murders books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for

educational or professional purposes. By accessing Almost Perfect Murders versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Almost Perfect Murders books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Almost Perfect Murders books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Almost Perfect Murders books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Almost Perfect Murders books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Almost Perfect Murders books and manuals for download and embark on your journey of knowledge?
