Alone with the Hairy Ainu Arnold Henry Savage Landor, 2018-04-08      Alone with the Hairy Ainu Arnold Henry Savage Landor, 2024-01-15 Embark on a riveting journey to the remote Ainu lands with Arnold Henry Savage Landor in *Alone with the Hairy Ainu*. This captivating travel narrative takes readers deep into the heart of Japan's northernmost islands where Landor shares his extraordinary encounters with the indigenous Ainu people. As the title suggests, Landor's account is an intimate exploration of a culture largely unknown to the outside world. Join him as he navigates through the unique landscapes, engages with Ainu traditions, and forms genuine connections with the Hairy Ainu. *Alone with the Hairy Ainu* is more than a travelogue; it's a vivid portrayal of a disappearing way of life, a testament to Landor's adventurous spirit, and a bridge between two worlds. Immerse yourself in this timeless tale of cultural discovery and human connection, where each page unveils the richness of Ainu heritage and the allure of uncharted frontiers.

**Alone with the Hairy Ainu** A. H. S. Landor, 2012 Alone with the Hairy Ainu. Or, 3800 Miles on a Pack Saddle in Yezo and a Cruise to the Kurile Islands. By A.H. Savage Landor. London, J. Murray, 1893 Arnold Henry Savage Landor, 1970 *Alone with the Hairy Ainu* Arnold Landor, 2011-10-31

Arnold Henry Savage Landor was a painter explorer writer and anthropologist *Alone With The Hairy Ainu* is his fascinating historical account of an almost forgotten ethnic minority the Ainu of Hokkaido Japan Preface This book is not meant as a literary work for I am not and do not pretend to be a literary man It is but a record an amplified log book as it were of what befell me during my solitary peregrinations in Hokkaido and a collection of notes and observations which I hope will prove interesting to anthropologists and ethnologists as well as to the general public Without any claim to infallibility I have tried to take an open minded and sensible view of everything I have attempted to describe in most cases however I have given facts without passing an opinion at all and all I have said I have tried to express as simply and plainly as possible so as not to give rise to misunderstandings There are a few points which I want to make quite clear First that I went to Hokkaido entirely on my own account and for my own satisfaction Next that I accomplished the whole journey some 4200 miles out of which 3800 were ridden on horseback and on a rough pack saddle perfectly alone By alone I mean that I had with me no friends no servants and no guides My baggage consisted of next to nothing so far as articles for my own convenience or comfort were concerned I carried no provisions and no tent I am endowed with a very sensitive nature and I pride myself in possessing the gift of adaptability to an extreme degree and this may partly explain why and how I could live so long with and like the Ainu whose habits and customs as my readers will see are somewhat different to ours When I go to a country I do my best to be like one of the natives themselves and whether they are savage or not I endeavour to show respect for them and their ideas and to conform to their customs for the time being I make up my mind that what is good for them must be good enough for me and though I have occasionally had to swear at myself for doing in Ainuland as the Ainu does especially as regards the food I was not much the worse for it in the end I never use force when I can win with kindness and in my small experience in Hokkaido and other countries I have always found that real savages in their simplicity are most gentleman like people With few exceptions they are good natured dignified and sensible and the chances are that if you are fair to them they will be fair to you Civilised savages and barbarians I always found untrustworthy and dangerous

Alone with the Hairy Ainu Arnold Henry Savage Landor,2013-10 I have often asked myself why I went to Yezo and when there what possessed me to undertake the laborious task of going round the island up its largest rivers travelling through jungles and round lakes climbing its highest peaks and then proceeding to the Kuriles There are certain things in one s life that cannot be accounted for and the journey which I am going to relate is one of them Pleasure and rest were the two principal objects which had primarily induced me to steer northwards but it was my fate not to get either the one or the other
