Along The Kent Coast:

Along the Kent Coast Ray Hollands, Paul Harris, 2003 This book is a unique photographic record of a journey along the Kent coastline From the starkness of Dungeness in the south to the magisterial sweep of Dartford Bridge in the north the descriptions of Paul Harris and the contemporary photographs of Ray Hollands capture the county's rich variety of town and landscape its ancient fortifications and modern harbours its busy riverways hidden creeks and isolated headlands But it is above all the unusual the hidden and the bizarre that this book reveals the images presented here record both precise moments in time and place and yet suggest timeless almost sculptural qualities Whether the scene be dramatic or everyday whether the site be well known or unfrequented Along the Kent Coast offers a new perspective that will continuously surprise and delight both those familiar with Kent and the tourist or traveller just passing through These are images to treasure to look at and cherish time and time again

Maritime Kent Through the

Ages Stuart Bligh, Sheila Sweetinburgh, Elizabeth Clare Edwards, 2021 A wide ranging history of the geography and communities of Kent from the earliest times to the present day Kent with its long coastline and its important geopolitical position close to London and continental Europe and on major trading routes between Britain and the wider world has had a very significant maritime history This book covers a wide range of topics relating to that history from the earliest times to the present day It sets Kent's varied coastline and waters in their geological and geographical context showing how erosion and sediment deposition have contributed to the changing nature of maritime activities and populations It examines Kent's strategic role in the defence of the country with the development and redevelopment of coastal defences including four naval dockyards It goes on to consider the supporting industries which grew up around the coastline those which supplied raw materials and agricultural products from the county's hinterland and its wider national and international trading links It also discusses the diverse coastal communities of Kent and how they have changed in response to the demands of defence trade and changing population and migration patterns In addition the book includes detailed case studies which explore particular subject areas as exemplars of the major themes covered by the book

The European Dimension of British Planning

Mark Tewdwr-Jones, Richard H. Williams, 2005-07-08 The UK government of Tony Blair is committed to fostering a European dimension of planning practice Significant developments in relation to planning within Europe are occurring The creation of the European Spatial Development Perspective the reform of the Structural Funds and the implementation of programmes to foster trans national co operation between governments will all impact on UK government and on planning system in particular Even within the UK devolution and regionalisation will bring new pressures for overall co ordination on the issue of European spatial planning Issues concerning the revisions of the Structural Funds in 2000 and 2006 and funding opportunities for local authorities are closely connected with the theme of this book More importantly it is expected that the link between funding and spatial policy within British planning will become more clearly defined during this period The European dimension of British planning as a consequence may grow significantly over the next few years The authors tackle four key issues in their discussion of this topic British political attitudes to Europeanisation issues The changing relationships between different arms of the state The often complex interdependencies between tiers of governance The rapidly changing definition of British urban and regional planning
