Mobile Bay and the Mobile Campaign Chester G. Hearn, 2010-06-21 In the Civil War both sides understood that closing the South's ports would halt the introduction of war materiel to the industrially weak region Though the North captured New Orleans in 1862 they did not attack the Confederate navy in Mobile Bay or the city of Mobile Alabama until 1864 The two year delay allowed much needed supplies to enter the Confederacy and changed the face of the ensuing Mobile Campaign as technological advances in ships submarines mines and fortification made a striking difference in the fighting This book examines the politics preparations leaders and battles that made the Mobile Campaign a microcosm of the overall conduct of the Civil War *The Scotch-Irish; or, The Scot in North Britain, north Ireland, and North America* Charles A. The Boyds Elizabeth Boyd Henry Tennies, 2007-06 This is both a chilling yet gripping saga of a noble people warriors in the fight for Scottish Freedom and leaders and followers of the Religious Reformation in Scotland They were the Calvinists followers of John Knox determined to institute the reforms flowing from the Reformation in the 1500s They fought valiantly despite persecution and massacre They bravely signed the National Covenant of Scotland and many became known as Covenanters Hunted down like wild animals many decided to make the short sea journey of 20 miles across the channel from southwestern Scotland to the Province of Ulster Northern Ireland which had been opened up to English and Scottish settlers in the early 1600s While the Scottish English and some Huguenot settlers flourished in the Province of Ulster Northern Ireland the grin of the wolf was not long in planning a tortuous massacre in order to exterminate all Protestants in the Province of Ulster Northern Ireland What followed was so horrific as to be scarcely fit for the printed page Yet the Massacres of 1641 and 1688-91 are described in detail Finally with discrimination in their midst unjust laws legislated against them treated as second class citizens many Scottish English and Huguenot settlers decided a greater destiny lay across the Atlantic where others seeking religious and civil liberties had preceded them Their sojourn in Ulster Northern Ireland had been a bitter disappointment This bitterness against their British landlords carried over to America The Scots from Ulster became the backbone of the American Revolutionary War When Washington was in his deepest despair at Valley

Forge The Ulster Scots were with him The story of the Boyd Family begins in Scotland carries over to Northern Ireland and follows them to the frontier of all the colonies in America It could be the story of thousands of Scots who all experienced the same pilgrimage and endured the same hardships and sufferings History of Lancaster County Israel Daniel Rupp,1844
