Alphonsus Liguori Théodule Rey-Mermet,1989 St. Alphonsus Liguori : Tireless Worker for the Most Abandoned Théodule Rey-Mermet,1989 *15 Days of Prayer with Saint Alphonsus Liguori* Jean-Marie Segalen,2001 15 Days of Prayer with Saint Alphonsus Liguori is one of twenty titles in the series 15 Days of Prayer with This series provides an introduction to spiritual masters of both modern and historical times and gives the reader an opportunity to participate in a spiritual conference with a great teacher if only through the pages of a book Each volume contains a brief history of each spiritual guide an itinerary for each of the fifteen days an invitation for reflection in each chapter and a bibliography at the end of the book **The Oxford Handbook of the Reception of Aquinas** Matthew Levering,Marcus Plested,2021 This Handbook provides a comprehensive survey of Catholic Orthodox and Protestant philosophical and theological reception of Thomas Aquinas over the past 750 years *The Heart of Perfection* Colleen Carroll Campbell,2020-08-25 Winner of the 2020 Catholic Press Association Book Award In a book hailed as liberating Gary Chapman New York Times bestselling author an award winning author and mother of four weaves her own stories and struggles with those of seven ex perfectionist saints and one heretic who show us how to pursue a new kind of perfection freedom in Christ Spiritual perfectionism an obsession with flawlessness rooted in the belief that we can earn God s love is dangerous because so many of us mistake it for virtue Its toxic cycle of pride sin shame blame and despair distorts our vision dulls our faith and leads us to view others through the same hypercritical lens we think God is using to view us As a lifelong overachiever who drafted her first r sum in sixth grade and spell checked her high school boyfriend s love letters Colleen Carroll Campbell knows something about the perfectionist trap But it was only after she became a mother that she started to see how insidiously perfectionism had infected her spiritual life how lethal it could be to her happiness and her family and how disproportionately it afflicts the people working hardest to serve God In the ruins of her own mistakes Colleen dug into Scripture and the lives of the canonized saints for answers She discovered to her surprise that many holy men and women were in fact recovering perfectionists And their grace fueled victory over this malady not perfectionist striving was the key to their heroic virtue and contagious joy In *The Heart of Perfection* Colleen weaves the stories and wisdom of seven ex perfectionist saints and one heretic with Scripture and beautifully crafted tales of her own trial and error experiments in applying that wisdom to her life Gorgeously written and deeply insightful Colleen Carroll Campbell s *The Heart of Perfection* is a must read Jeannie Gaffigan executive producer of *The Jim Gaffigan Show* that gives us permission to walk in the freedom of God s unconditional love Jennifer Fulwiler author of *One Beautiful Dream* For a free *Heart of Perfection* reading guide for book clubs visit Colleen Campbell.com **The Catholic Enlightenment** Ulrich L. Lehner,2016 Whoever needs an act of faith to elucidate an event that can be explained by reason is a fool and unworthy of reasonable thought This line spoken by the notorious 18th century libertine Giacomo Casanova illustrates a deeply entrenched perception of religion as prevalent today as it was hundreds of years ago It is the

sentiment behind the narrative that Catholic beliefs were incompatible with the Enlightenment ideals Catholics many claim are superstitious and traditional opposed to democracy and gender equality and hostile to science It may come as a surprise then to learn that Casanova himself was a Catholic In *The Catholic Enlightenment* Ulrich L Lehner points to such figures as representatives of a long overlooked thread of a reform minded Catholicism which engaged Enlightenment ideals with as much fervor and intellectual gravity as anyone Their story opens new pathways for understanding how faith and modernity can interact in our own time Lehner begins two hundred years before the Enlightenment when the Protestant Reformation destroyed the hegemony Catholicism had enjoyed for centuries During this time the Catholic Church instituted several reforms such as better education for pastors more liberal ideas about the roles of women and an emphasis on human freedom as a critical feature of theology These actions formed the foundation of the Enlightenment's belief in individual freedom While giants like Spinoza Locke and Voltaire became some of the most influential voices of the time Catholic Enlighteners were right alongside them They denounced fanaticism superstition and prejudice as irreconcilable with the Enlightenment agenda In 1789 the French Revolution dealt a devastating blow to their cause disillusioning many Catholics against the idea of modernization Popes accumulated ever more power and the Catholic Enlightenment was snuffed out It was not until the Second Vatican Council in 1962 that questions of Catholicism's compatibility with modernity would be broached again Ulrich L Lehner tells for the first time the forgotten story of these reform minded Catholics As Pope Francis pushes the boundaries of Catholicism even further and Catholics once again grapple with these questions this book will prove to be required reading

The Heart of Holiness Fr. Gary Lauenstein, C.Ss.R., 2016-09-06 The Heart of Holiness shows how our everyday experiences of human friendship teach us the most basic path to holiness of life and union with God Fr Lauenstein reviews what Scripture says about holiness and what the greatest saints have practiced throughout the first two millennia of the Church's history We learn how important our experiences of human friendship are to our experience of friendship with God and that holiness is essentially a deep friendship with God How do we understand holiness How do we articulate the invitation to friendship that God offers us What role do prayer devotions and liturgy have in our spiritual lives and growing in holiness How do we understand the death of Christ and a loving God the Father This book helps us to answer these important questions in our journey towards a deeper friendship with God Understanding the heart of holiness underscores for us the necessity to set aside issues which cause conflicts with others and how developing a loving friendship with God is directly connected with living in friendship with our brothers and sisters
