Alternate Roots Plays From The Southern Theatre:

Alternate Roots Valetta Anderson, Kathie deNobriga, 1994 *Alternate ROOTS* is one of the American South's oldest theatres. This collection brings together some of the best work of their seventeen year history. **Art in a Democracy** Ben Fink, 2023-03-14 Collaborative plays with diverse ensembles across the country address pressing issues of our times. The plays in Volume 2 come from Roadside's intercultural and issue specific theater work including long term collaborations with the African American Junebug Productions in New Orleans and the Puerto Rican Pregones Theater in the South Bronx as well as with residents on both sides of the walls of recently built prisons. Roadside has spent 45 years searching for what art in a democracy might look like. The anthology raises questions such as: What are common principles and common barriers to achieving democracy across disciplines and how can the disciplines unite in common democratic cause. *Performing Communities* Robert H. Leonard, Ann Kilkelly, 2006-04 Ensemble Theater is the hottest American performance medium today. It's more than art, it's a movement. **Contemporary Plays by Women of Color** Roberta Uno, 2005-06-28 *Contemporary Plays by Women of Color* is a ground breaking anthology of eighteen new and recent works by African American, Asian American, Latina American and Native American playwrights. This compelling collection includes works by award winning and well known playwrights such as Anna Deavere Smith, Cherrie Moraga, Pearl Cleage, Marga Gomez and Spiderwoman as well as many exciting newcomers. *Contemporary Plays by Women of Color* is the first anthology to display such an abundance of talent from such a wide range of today's women playwrights. The plays tackle a variety of topics from the playful to the painful and represent numerous different approaches to playmaking. The volume also includes an invaluable appendix of published plays by women of color, biographical notes on each writer, the production history of each play. *Contemporary Plays by Women of Color* is a unique resource for practitioners, students and lovers of theatre and an inspiring addition to any bookshelf. *Restaging the Sixties* James Martin Harding, Cindy Rosenthal, 2006 A dynamic exploration of eight radical theater collectives from the 1960s and 70s and their influence on contemporary performance. *Local Acts* Jan Cohen-Cruz, 2005 The author surveys community based performance in the US from its roots to present day popular culture. She describes performances and processes and shows how ritualism reinforces community identification while aestheticism enables locals to transgress cultural norms. **The SAGE Handbook of Performance Studies** D. Soyini Madison, Judith Hamera, 2006 Publisher description. **The Color of Theater** Roberta Uno, Lucy Mae San Pablo Burns, 2005-12-01 *The Color of Theater* presents a range of essays, interviews and performance texts that illustrate and examine the process, evolution and dynamics of making theater in the dawning moments of the 21st century. It brings together writings by artists, intellectuals and art activists exploring contemporary practices within multicultural, intercultural and ethnically specific theaters. This provocative and dynamic resource brings forth critical issues of cultural aesthetics, engaging theatre as a crucial site for examining the intricate intersections of race, gender, class, sexuality and national and global politics.

Montgomery,2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottomiller s Index to Plays in Collections has undergone seven previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide **A Handbook to Appalachia** Grace Toney Edwards,JoAnn Aust Asbury,Ricky L. Cox,2006 A Handbook to Appalachia provides a clear concise first step toward understanding the expanding field of Appalachian studies from the history of the area to its sometimes conflicted image from its music and folklore to its outstanding literature Also includes information on African Americans Asheville North Carolina ballads baskets bluegrass music blues music Cherokee Indians Cincinnati Ohio Churches Civil War coal cultural diversity death folk culture food Georgia health immigration industry Irish Kentucky Midwest migration Melungeons Native Americans North Carolina out migration politics population poverty Radford University schools Scotch Irish Scotland South Carolina storytelling strip mining Tennessee Ulster Scots Virginia West Virginia Women etc The Revolution Will Be Improvised Elizabeth Rodriguez Fielder,2024-10-22 The Revolution Will Be Improvised The Intimacy of Cultural Activism traces intimate encounters between activists and local people of the civil rights movement through an archive of Black and Brown avant gardism In the 1960s Student Nonviolent Coordinating Committee SNCC activists engaged with people of color working in poor communities to experiment with creative approaches to liberation through theater media storytelling and craft making With a dearth of resources and an abundance of urgency SNCC activists improvised new methods of engaging with communities that created possibilities for unexpected encounters through programs such as The Free Southern Theater El Teatro Campesino and the Poor People s Corporation Reading the output of these programs Elizabeth Rodriguez Fielder argues that intimacy making became an extension of participatory democracy In doing so Rodriguez Fielder supplants the success failure binary for understanding social movements focusing instead on how care work aligns with creative production The Revolution Will Be Improvised returns to improvisation s roots in economic and social necessity and locates it as a core tenet of the aesthetics of obligation where a commitment to others drives the production and result of creative work Thus

this book puts forward a methodology to explore the improvised often ephemeral works of art activism **Theatre, Performance and Change** Stephani Etheridge Woodson, Tamara Underiner, 2017-12-01 This book works to make change strange from and for the field of theatre and performance studies Growing from the idea that change is an under interrogated category that over determines theatre and performance as an artistic social educational and material practice the scholars and practitioners gathered here including specialists in theatre history and literature educational theatre youth arts arts policy socially invested theatre and activist performance take up the question of change in thirty five short essays For anyone who has wondered about the relationships between theatre performance and change itself this book is an essential conversation starter **The Southern Quarterly** ,1998 Meeting the Moment Jan Cohen-Cruz, Rad Pereira, 2022-06-14 Composes the recollections of socially engaged theater makers and performers to discuss the challenges and adaptations of the field Meeting the Moment explores experiences of a diverse range of progressive theater and performance makers in the U S in their own words since 1965 These performers often unknown beyond their immediate audience articulate diverse influences Curated stories from over 75 interviews and informal exchanges offers insight into the field and point out limitations due to discrimination and unequal opportunity for performance artists over the past 55 years They also reflect on how artists are educated and supported what content is deemed valuable and how it is brought to bear as well as which audiences are welcome and whether cross community exchange is encouraged The book s voices from the field point to more diverse and inclusive practices and give hope for the future of the art Remapping Performance Jan Cohen-Cruz, 2015-07-13 Completing a trilogy of works by Jan Cohen Cruz Remapping Performance focuses on the work of artists and experts who collaborate across fields to address social issues The book explores work of a range of artists who employ artistic training methodologies and mind sets in their work with experts from other sectors such as medicine and healthcare and from other disciplines to draw an expanded map of performance platforms including university community partnerships neighbourhood bases and cultural diplomacy Case studies include ArtSpot Productions Mondo Bizarro s Cry You One about climate change in southern Louisiana incorporating theatrics and organizing Michael Rohd Sojourn Theatre s social and civic practices Anne Basting s University of Wisconsin Milwaukee based integration of performance and creative aging and the collaborative cultural diplomacy experiment smARTpower Short companion pieces add expertise from Helen Nicholson Todd London Julie Thompson Klein Nancy Cantor Maria Rosario Jackson and Penny Von Eschen Jan Cohen Cruz ends with suggestions for fully integrating performance in cross sector initiatives This latest book by a leading figure in engaged applied theatre and performance builds on its predecessors by offering a future oriented perspective a vision of art and performance interacting with a range of social sectors and with an emphasis on HE in such partnerships and will be a must read for all students and scholars working in this field Theatre Profiles ,1977 *Flashes of a Southern Spirit* Charles Reagan Wilson, 2011-05-01 Flashes of a Southern Spirit explores meanings of the spirit in the American South

including religious ecstasy and celebrations of regional character and distinctiveness Charles Reagan Wilson sees ideas of the spirit as central to understanding southern identity The South nurtured a patriotic spirit expressed in the high emotions of Confederates going off to war but the region also was the setting for a spiritual outpouring of prayer and song during the civil rights movement Arguing for a spiritual grounding to southern identity Wilson shows how identifications of the spirit are crucial to understanding what makes southerners invest so much meaning in their regional identity From the late nineteenth century invention of southern tradition to early twenty first century folk artistic creativity Wilson examines a wide range of cultural expression including music literature folk art media representations and religious imagery He finds new meanings in the works of such creative giants as William Faulkner Richard Wright and Elvis Presley while at the same time closely examining little studied figures such as the artist revivalist McKendree Long Wilson proposes that southern spirituality is a neglected category of analysis in the recent flourishing of interdisciplinary studies on the South one that opens up the cultural interaction of blacks and whites in the region

Writers and Miners David C. Duke, 2021-10-21 Coal miners evoke admiration and sympathy from the public and writers some seeking a muse others a cause traditionally champion them David C Duke explores more than one hundred years of this tradition in literature poetry drama and film Duke argues that as most writers spoke about rather than to the mining community miners became stock characters in an industrial morality play robbed of individuality or humanity He discusses activist writers such as John Reed Theodore Dreiser and Denise Giardina who assisted striking workers and looks at the writing of miners themselves He examines portrayals of miners from *The Trail of the Lonesome Pine* to *Matewan* and *The Kentucky Cycle* The most comprehensive study on the subject to date *Writers and Miners* investigates the vexed political and creative relationship between activists and artists and those they seek to represent
