William C. Pearce

Alternate Wars:

Alternate Wars Gregory Benford, Martin Greenberg, 2004-12 What would have happened if history had been different if the major events that shaped our times had occurred in a different way or not at all From a Trojan War in which Helen surrenders to a Civil War fought with robots from a World War I in which Teddy Roosevelt tries to recapture the glory of San Juan Hill to a World War II in which the race is not for atomic weapons but for orbital rockets these bold excursions in time depict bizarre new worlds oddly familiar disturbingly different

A Global Security System: An Alternative to War Kent Shifferd, Patrick Hiller, David Swanson, 2018-06-12 GSS is World Beyond War's effort to describe an alternative security system one in which peace is pursued by peaceful means to replace the present war system It describes the hardware of creating a peace system and the software the values and concepts necessary to operate a peace system and the means to spread these globally Key sections include Why is an Alternative Global Security System both Desirable and Necessary Why we Think a Peace System is Possible Common Security Demilitarizing Security Managing International and Civil Conflicts International Non government Organizations The Role of Global Civil Society Creating a Culture of Peace Accelerating The Transition To An Alternative Security System This report is based on the work of many experts in international relations peacebuilding and peace studies and on the experience of many activists This 3rd edition reflects new thinking and insights as well as the feedback from readers and partners This is not just another report but a living document that we will continually seek to improve New in this edition is an analysis of Trump's foreign policy agenda updated and new data on peace economics and military spending and new or updated sections including the business of peacebuilding demilitarizing security multi track diplomacy framework to peacemaking and many other additions
