Alternative Futures For Worship Vol Iii The Eucharist:

Alternative Futures for Worship Michael A. Cowan, 1987 The Eucharistic Prayer at Sunday Mass Richard E. McCarron, 2008-04-28

Down in the valley God asked the prophet Ezekiel a mighty question Mortal can these dry bones live Ezekiel 37 3 Today this question is being posed once more to those who are charged with the preparation and celebration of the Sunday liturgy the assembly that celebrates the ministers from within that assembly who prepare and serve and those ordained as priests or bishops who preside We have come a long way since the early days of the conciliar reform of the liturgy Assemblies respond and sing the word is proclaimed with dignity and reverence careful attention is given to environment and season and all come to the communion table Many assemblies strive to realize fully week after week the vision of the Council that the eucharistic liturgy be seen heard felt and smelt as the summit toward which the activity of the church is directed the source from which all its power flows This is critical work if we are utterly convinced that the preeminent manifestation of the church is present in the full active participation of all God's holy people in these liturgical celebrations But many still know liturgical assemblies that are but shadows of who they are called to be and celebrations are slivers of what they could be Many stand at the brink of the valley and behold dry bones And when we come to the eucharistic prayer named the central prayer of the Sunday liturgy we behold very dry bones indeed The question is put forth Can these dry bones live We have come to realize that liturgy is something people do something people live The eucharistic prayer is more than its words It is a way of praying and living What lies in the ritual book must be enfolded when we gather We come together and breathe life into our rituals and their words We can do this because we have first been sealed in the Spirit the one who aids us in our weakness to pray that the very Spirit intercedes with sighs too deep for words Romans 8 26 from Chapter 1 Models of the Eucharist, Second Edition Irwin, Kevin W., 2020 In this book updated with the texts of the third edition of the Roman Missal Kevin Irwin reflects on the jewel in the crown of Catholicism the celebration of the Eucharist His book theological pastoral and contemporary is essentially concerned with issues about the Eucharist that face us today decades after the truly historic and unprecedented revisions that took after the Second Vatican Council Some of these concerns are the result of unforeseen developments about the Eucharist resulting from other factors for example the decline in numbers of clergy which has led in some places to Sunday celebrations without the Mass Other concerns arise from a lack of proper catechesis about the Mass and a keen desire to understand why and how the Eucharist is at the center of Catholic life In addition to being expressly theological this book is also expressly pastoral in that it is a reflection on the life lived by the church as it enacts the Eucharist and seeks to live out what the Eucharist celebrates The book is aimed at the audience of educated Catholics who seek a deeper appreciation of what the Eucharist is and who want to appropriate that understanding in the way they live their lives This book will be of particular interest to pastoral ministers both those present and those in training and the communities of faith whom they serve **Between Cross and Resurrection** Alan E.

Lewis,2003-06-20 For much of Christian history the church has given no place to Holy Saturday in its liturgy or worship Yet the space dividing Calvary and the Garden may be the best place from which to reflect on the meaning of Christ s death and resurrection This superb work by the late Alan Lewis develops on a grand scale and in great detail a theology of Holy Saturday The first comprehensive theology of Holy Saturday ever written *Between Cross and Resurrection* shows that at the center of the biblical story and the church s creed lies a three day narrative Lewis explores the meaning of Holy Saturday the restless day of burial and waiting from the perspectives of narrative hearing the story doctrine thinking the story and ethics living the story Along the way he visits as many spiritual themes as possible in order to demonstrate the range of topics that take on fresh meaning when viewed from the vantage point of Holy Saturday *Between Cross and Resurrection* is not only incisive and elegantly written but it is also a uniquely moving work deeply rooted in Christian experience While writing this book Lewis experienced his own Holy Saturday in suffering from and finally succumbing to cancer He considered *Between Cross and Resurrection* to be the culmination of his life s work

The Reception of the Second Vatican Council's Liturgical Reforms in Nigeria (Nsukka Diocese) Uchenna Aba,2016 Fifty years after the promulgation of the Constitution on the Sacred Liturgy a great moment has dawned in which a more dispassionate assessment of the reception of this important document has become imperative in order to enable the Church to undertake necessary steps in realizing the full potential of the renewal envisaged by the Council Fathers The present study identifies peculiar and diverse challenges confronting the process of reception in the Nsukka Diocese Nigerian Church today However the author acknowledges that the full reception of *Sacrosanctum Concilium* is still a work in progress Uchenna Aba is a Catholic priest in Nsukka Nigeria and currently the Chaplain of St Martin s Parish Goch Diocese of Muenster Germany Dissertation Subject Religious Studies African Studies

Sacred Mysteries Dennis Chester Smolarski,1995 *Sacred Mysteries* opens by reflecting on the continual process of reform in the church and on the foundational principles for all liturgical action It then moves to a discussion of each of the sacraments with particular reference to the way they are ritualized in the assembly A final chapter addresses practices that can cloud the experience of mystery during liturgical celebrations and thus inhibit rather than enhance the power of the rite

Sacraments Ray Robert Noll,1999 Firmly rooted in the tradition of the Church and some of the best scholarship of the past 40 years Noll explores the sign meaning and experience of each of the seven sacraments in the church Included is a CD ROM containing articles and passages by some of today s key sacramental theologians

Living in the Margins Terry A. Veling, 2002-11-12 A gifted theologian sheds light on the meaning and value of intentional faith communities in the margins of parish life

Alternative Futures for Worship Volume 2 Mark Searle, 1987 These volumes provide creative and provocative analysis of each of the Church's seven sacraments

Toward a Trinitarian Theology of Liturgical Participation R. Gabriel Pivarnik, 2013-01-01 Half a century after the Second Vatican Council called for the active participation of the laity in the liturgy a comprehensive theology of what liturgical participation actually means remains elusive While most sacramental studies have highlighted the role and action of Christ the conciliar reform and the theology that emanated from it call for a deeper trinitarian understanding of the liturgy and sacraments In this fascinating new work Gabriel Pivarnik identifies the major theological developments in the concept of active participation of the last century most notably in Mediator Dei and the Vatican II documents He also considers the reception of those developments Drawing especially on the work of Cipriano Vagaggini and Edward Kilmartin Pivarnik offers a lucid demonstration of how liturgical participation can be viewed in metaphysical soteriological and ecclesiological terms through the lens of a trinitarian narrative

Worship and Christian Identity E. Byron Anderson, 2017-04-21 Worship and Christian Identity argues that sacramental and liturgical practices are the central means by which a church shapes the faith character and consciousness of its members Consequently for any church to set aside such practices as outdated or irrelevant is to set aside the means by which the church nurtures and sustains its theological identity From this perspective Anderson explores the following questions What is the relationship between worship and belief What is the relationship between corporate worship and the formation of Christian persons and communities What is the relationship between worship and our knowledge of ourselves our world and God How might our attention to the reform and renewal of worship and sacramental practice provide a framework for theological evangelical and sacramental renewal Questions of sacramental practice inclusive or transformative language and the renewal of congregational hymnody have been largely displaced by marketing

questions and conflicts between traditional and contemporary worship The hour of worship is subdivided now into increasingly specialized target audiences of singles seekers boomers and X ers with worship carefully packaged as traditional or contemporary What at various points has been understood as a means of grace is now seen primarily as a means of numerical growth Missing in the conflict between traditional and contemporary worship is significant discussion of what is at stake for the identity of Christian persons and communities in the shape and practice of worship Perhaps more surprising discussion of the theological shape and practice of worship also has been absent in discussions concerning theological standards These absences suggest that for many in the church today worship is a means for expressing a community s belief but has little to do with the shape and character of that belief The assumption that worship is only or primarily a pragmatic means for expressing a community s belief stands in sharp contrast to the Christian tradition This assumption also contrasts with the insights provided by recent work in ritual studies psychology and faith development Worship and Christian Identity is an important book for faculty and students in seminary and graduate programs in liturgical studies and religious education particularly those interested in the relationships between liturgical studies and practical theology ritual studies and liturgical theology as well as the role of worship in Christian formation Chapters are Making Claims About Worship Worship as Ritual Knowledge Worship as Ritual Practice Trinitarian Grammar and the Christian Self Trinitarian Grammar and Liturgical Practice and A Vision of Christian Life The Rites of Christian Initiation Maxwell E. Johnson, 2016-03-24 Originally published in 1999 The Rites of Christian Initiation was hailed for its clarity and comprehensiveness Kallian McDonnell OSB called it the best overall treatment of Christian initiation available and Paul Bradshaw predicted it would be the standard textbook on the subject for very many years to come The current edition draws on new translations of early texts on baptism as well as recent scholarship on the early traditions in the East and West It is sure to replace itself as the new standard reference on the rites of Christian initiation Maxwell E Johnson s expanded and revised text provides a more complete view of the history and interpretation of the rites in the Eastern Church including two chapters that explore the pre Nicene Eastern and Western traditions in detail Revisiting the theology of baptism this edition also provides more nuanced positions on the Eastern and Western traditions Finally recent liturgical developments in American Protestant churches particularly Lutheran as well as the ongoing development of the RCIA and confirmation practices of Catholics made it necessary to revisit the place and meaning of these rites in the church today Maxwell E Johnson PhD is professor of liturgy at the University of Notre Dame and an ordained minister of the Evangelical Lutheran Church in America He has published in Worship and is the editor of and contributor to Living Water Sealing Spirit Readings on Christian Initiation Liturgical Press 1995 and the revised and expanded edition of E C Whitaker Documents of the Baptismal Liturgy Liturgical Press and S P C K 2003 to which this study serves as a companion volume *The Other Side of Sin* Andrew Sung Park, Susan L. Nelson, 2012-05-21 The good news of Jesus Christ is for both sinners and the sinned against For the past two thousand years Christian theologians have

focused on the experience of sinners but treated their victims inadequately To counterbalance this perspective a diverse group of Christian scholars consider sin from the other side To make sense of Christianity from this standpoint they offer a more complex and comprehensive analysis of human participation in evil and its reconciliation than the simple formula of sin and repentance *The Other Side of Sin* is an original fresh and exciting adventure into one of the most needed areas of theological thinking

A Life in Conversation Michael A. Cowan, 2015-04-30 In a long and creative academic career Professor Bernard J Lee has published and taught on the cutting edge of Catholic theology He has been a beloved teacher generous mentor and cherished colleague during his academic tenures at Maryville University St Johns University Collegeville Loyola University New Orleans and St Marys University San Antonio In *A Life in Conversation* his colleagues and former students offer a collection of essays that honor him on the occasion of his eightieth birthday The essays focus on many aspects of Lees pioneering work which includes explorations in process theology ecclesiology the Jewish world of Jesus sacramentology religious life small Christian communities and practical theology Gathered here under the metaphorical umbrella of conversation a commitment of primary and life long importance to Professor Lee these essays offer glimpses of the stature of a religious thinker whose life in conversation continues to affect deeply his students and colleagues alike The authors contributing to this volume are Dianne Bergant C S A Michael A Cowan Nancy Dallavalle William V DAntonio Peter Eichten Thomas F Giardino S M Andrew Simon Sleeman O S B Terry A Veling and Evelyn and James Whitehead *A Life in Conversation* concludes with an essay by Professor Lee

On the Way, 1995 This report studies the catechumenate as an approach to Christian initiation and sees in it an encouraging framework on which a way forward could be based Issues relating to children are considered including parental faith infant baptism and the difficulties with children receiving communion

The Authentic Doctrine of the Eucharist Teresa Whalen, 1993 At the heart of Roman Catholicism lies the celebration of the Eucharist as it both expresses and renews the living faith of Catholics Each new generation accepts the tradition even as it articulates its own authentic understanding and expression of the Eucharistic doctrine *The Authentic Doctrine of the Eucharist* documents the rich heritage of this living tradition

Chrismation Nicholas E. Denysenko, 2014 What is chrismation Nicholas Denysenko breaks open chrismation as sacrament of belonging by exploring its history and liturgical theology This study offers a sacramental theology of chrismation by examining its relationship with baptism and the Eucharist and its function as the ritual for receiving converts into the Orthodox Church Drawing from a rich array of liturgical and theological sources Denysenko explains how chrismation initiates the participant into the life of the triune God beginning a process of theosis becoming like God The book includes a chapter comparing and contrasting chrismation and confirmation along with pastoral suggestions for renewing the potential of this sacrament to transform the lives of participants
