Always The Islands Of Memory:

Prince Edward Island Memories Laurie Brinklow, 2002-06 **Starting from Staten Island: Memories of Peace and War in the 1930s and 1940s** George T. Wright, 2014-09-14 My earlier book *The Wrights of Vermont* Wheatmark 2013 reported the search I began about ten years ago for my father's Vermont forebears I had learned a lot especially about my grandmother's heroic efforts to save her shaky marriage Eventually she left Vermont to begin a new life on Staten Island for herself and her two sons Dad and Uncle Ray This book shows Dad and Mother starting their family on Staten Island and describes our home our neighborhood the boarding house where we sometimes dined the schools we attended the songs we sang how we learned to think about money work fun guilt and politics and our experience especially mine of illness solitude and books Later chapters show our horizons expanding They tell where we went on outings and how we spent our summers ours at a riverside cottage near the New Jersey coast and mine at an unusual summer camp in upstate New York and they sketch the different world we found when we moved to Manhattan in 1941 I entered Columbia then and began to discover new realms of literature philosophy and music Then at eighteen with other young men of that time I was swept up into military service in the U S Army and war in France and Germany *Reminiscing About Ocean Beach and Fire Island* Cheryl Dunbar Kahlke, 2011-02-03 The editor Cheryl Dunbar Kahlke has woven five written accounts about Fire Island into a very readable book generously complemented with photographs and postcards of the 1920s to the 1940s era The five narratives are universal in emotion and yet simultaneously immensely personal in detail That private quality triggers the reader's sensation of a personal knowledge of the feelings and experiences of each In addition each tale is enhanced by that presenter's honest abandon as they penned their memories in their own vernacular and individual colloquial style Overall the subject matter Fire Island universalizes the outpourings Factual and historic details in timelines maps charts newspaper articles and other memorabilia add to the book These keep the stories grounded in historic reality which is useful for those who desire a deeper background of the times *BIM - Barbados Island Memories* Khaidji, 2016-04-23 BIM Barbados Island Memories is a collection of acrostic poems by Khaidji each taken from the 24 lines of the National Anthem of Barbados The first poem therefore is In Plenty And In Time Of Need The poems included here have been recorded and read on local radio traditionally on Independence Day Read the cleverly crafted poems that teach of Barbados and its people Bajans *Islands Magazine*, 1999-01 **Social Capital, Resilience and Adaptation on Small Islands** Jan Petzold, 2017-03-24 The book deals with the role of social capital regarding its potential to increase small islands adaptive capacity to climate change The case study of the Isles of Scilly UK shows how social structures can play a very important role for climate change adaptation It is argued that social features have to be understood in a non deterministic and potentially ambivalent manner according to their place specific geographical cultural and historical context Only then risk management and adaptation strategies can succeed and function in a sustainable way The findings have relevance for the further refinement of social capital theory and social

emergence Combined with the perspective of resilience this approach is also relevant from a policy standpoint given that small islands have been identified as hotspots not only due to their vulnerability but also because they serve as examples for media and politics to advance the agenda of environmental protection *Care Alumni Memories* , **Islands in Geography, Law, and Literature** Chiara Battisti,Sidia Fiorato,Matteo Nicolini,Thomas Perrin,2022-04-04 This collection explores the heterogeneous places we have traditionally been taught to term islands It stages a conversation on the very idea of island ness thus contributing to a new field of research at the crossroads of law geography literature urban planning politics arts and cultural studies The contributions to this volume discuss the notion of island ness as a device triggering the imagination triggering narratives and representations in different creative fields they explore the interactions between legal socio political and fictional approaches to remoteness and the state of insularity policy responses to both remoteness and boundaries on different scales and the insular legal framing of geographical remoteness The product of a cross disciplinary exchange on islands this edited volume will be of great interest to those working in the fields of Island Studies as well as literary studies scholars geographers and legal scholars **Island Song Lyrics** Larry W.
