Always In Her Heart:

It's Always the Heart Arthur E. Constantine, MD, 2014-03 A cardiologist presents a collection of stories from actual patients whose heart problems provide a compelling illustration of his own unique brand of cardio theology *Her Heart's Desire* Charles Garvice, 1900 **From My Heart** Leoparda Moonwater, 2012-01-25 From my heart is my first collection of poetry I've been writing it since I was a teen but this is the first publication of my poetry To top it off it's not even all my poetry There will be more book collections There's something for just about everyone in my works but is full of poetry about love This is a mature readers collection none suitable for those under 18 I also have mini editorials throughout the book as background for the poetry I also have included some pieces from my next book to come out real soon titled First Draft This book is how it is titled It is unfinished works in the first to third drafting stage It is mainly my Para Perter fiction novel multiple series that I have been working on for three years now I would say Hopefully I will have the first tale book for them real soon to introduce you to the story lines Until then Hope you enjoy From My Heart **Looking upon the Heart** Pete Carlson, MFT, 2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person's behavior personal growth and spiritual maturity We are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome psychological behavioral and relational dysfunction and sin Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts As a result of Looking upon the Heart the Lord reigns and leads us to a life of victory in Jesus *My Heart's Desire* David Jeremiah, 2002 God desires for us to live every moment in this type of wonder But for many of us the wide eyed astonishment we once experienced in God's presence has all but vanished We may

genuinely worship God on Sunday mornings but then we spend the rest of the week yearning to rediscover that sense of awe back cover

From the Heart Melinda Morris, 2025-09-30 My poems come to me at different times sometimes at night I will wake up with things on my mind and it starts pouring out I keep a pen and pad by my bed to write it down so that I don't forget it Not all of it comes at once Sometimes I get bits and pieces of it so I write it down and then it all comes together It's about my feelings about what has happened to me and others and the feeling I feel It's like I feel my pain and their pain or their joy It's very hard to explain I just write what I feel
