United States Patent Office United States. Patent Office,1955-11 [The Dash for Khartoum: A Tale of the Nile Expedition](#)

G. A. Henty,2017-01-01 The story of the Nile Expedition is so recent that no word of introduction is necessary to the historical portion of the tale The moral such as it is of the story of the two lads brought up as brothers is Never act in haste for repentance is sure to follow In this case great anxiety and unhappiness were caused through a lad acting as he believed for the best but without consulting those who had every right to a voice in the matter That all came right in the end in no way affects this excellent rule for all might have gone wrong We are often misled by a generous impulse more often perhaps than by an evil one but the consequences may be just as serious in the one case as the other When in trouble you should always go freely to your best friends and natural advisers and lay the case fully before them It may be that if the trouble has arisen from your own fault you will have to bear their temporary displeasure but this is a small thing in comparison with the permanent injury that may arise from acting on your own impulse In most cases cowardice lies at the bottom of concealment and cowardice is of all vices the most contemptible while the fear of the displeasure of a parent has ruined many a boy s life Therefore when you are in serious trouble always go to your best friend your father and lay the case frankly and honestly before him for you may be sure that present displeasure and even punishment are but small things in comparison with the trouble that may arise from trying to get out of the difficulty in other ways [Moorman's Book of Poker](#) Chris

The Look Alike By Joseph A. Levy

Michael Biton is a young ambitious law student. He has completed his first year at Brooklyn Law School and everything is going perfectly for him as he is doing an internship with the City of New York. Suddenly, out of nowhere, he gets identified, arrested, and subsequently indicted for a rape that he insists he did not commit. His future, which had been unlimited, now becomes uncertain as he must pay a lot of money to a high-profile criminal defense lawyer while at the same time deal with an arrogant overzealous prosecutor who is determined to convict him at any cost. As he awaits trial, he starts to find out that there are many weird aspects to the case and that it is raising a lot of questions for which there are no answers. He also finds out that there is a person who looks exactly like him who attends the same law school and who worked in the same building as he. The Look Alike is more than just a legal thriller. It is an intense personal drama about Michael Biton getting a legal education, an education far different from the casebook law that he has been getting in law school. It is a book
