Wisdom Insights: Holy Spirit Mother SN Strutt, 2025-07-28 It has been a great challenge and great pleasure for me to write this book WISDOM INSIGHTS which exposes what has been hidden from peoples sight for almost 1700 years since 364 AD It is wonderful to find out that we have a Mother in the godhead of The Trinity The ancient Hebrews mentioned that WISDOM is feminine and She is better known as Holy Spirit Mother or Mother God The early Christians and apostles also talked about the Holy Spirit Mother That knowledge was taken away in 364 AD at the Catholic council of Laodicea Shortly after this the all masculine Trinity was created There is countless evidence in this book about Holy Spirit Mother as mentioned by many writers Read in this book what the early Christians said about Holy Spirit Mother Even the great king Solomon mentioned that Wisdom is a feminine being and a Goddess or the wife of God the Father They together are the parents of Jesus the Messiah Now that makes a lot more sense than what we have been told about an all masculine Trinity The big questions are Why hide this knowledge 1700 years ago What was the purpose What were the ruling powers afraid of Please read this book to find out the answers You can read some of my own spiritual experiences in this book in visions dreams and prophecies about Holy Spirit Mother Please tell others what you learn from this book as it contains earthshaking information and proof
