Better Than Coffee Dr. Shon Shree Lewis, 2019-02-08 For all you coffee and tea lovers this book is a heartwarming love story of a family once divided by anger brokenness and shame from a history of unhealthy addictions who recovers with God's healing These family and friends meet regularly trying to resolve their troubles over Coffee Talk learn later that although coffee provides them with temporary comfort God becomes their ultimate comfort for every walk of their lives Over time these family and friends learn to reprioritize their way of living as God's healing begins to rebuild and establish new relationships in their lives Although they are still able to enjoy their family and friends get together having coffee talks tea talks become a fun way to share their happiness as they learn how to get free from unhealthy addictions brokenness or despair in their lives from God's help and the support of one another Although the characters are fictional the power of God and Christianity is real May each reader be inspired to love God and enjoy coffee or tea and to share their blessings and life's adventures with their loved ones LEXICAL EVALUATION Glad to have found this book Truly it's a can't put down book The author's writing is pretty standard There were easy to discern words and readers would be able to understand the Christian Relationship entailed in this book There isn't any Lexical contempt in her writing Sarah Clark Wilson Authors Press Senior Literary Book Scout **Spook Rock** Pasquale Morrone, 2004-04 In the seventeenth century Salem Massachusetts had a terrible secret Now over three hundred years later in upstate New York BRAD BANNING a new and inexperienced filmmaker unwittingly discovers that secret It had escaped the tyranny of the witch hunters and made its home in Spook Rock a tiny backwoods commune its throat held in a death grip by an evil force more powerful than time itself When Banning intrudes too far into the lives of the witches power mad Lorianne casts him and his crew into the Abyss populated with ancient monsters as well as incongruous beacons of purity Along the way Banning and his companions whom he dubs his crew discover truths about themselves and others which are deeper and as real as the Hell they find themselves in and the Heaven with whose help they hope to escape **Design Matters: Logos 01** Capsule, 2007-06-01 The nuts and bolts of effective logo design The design bar is at an all time high for those brave enough to participate in the industry Today's designers must be clear on all the steps necessary to create work that stands out in an increasingly competitive marketplace Unfortunately most design books only focus on type color and layout issues The Design Matters series takes a more in depth approach allowing designers to learn not only how to create work that is aesthetically appealing but that is also strategy driven and smart This book focuses on creating logos while others in the series dissect brochures packaging publications and letterhead systems

Each book offers all the essential information needed to execute strong designs in concert with beautiful and well crafted examples so readers can successfully hit the mark every time

Mathematics Today, 2004 Her Cowboy Crush Ava Catori, 2014-03-20 Love a cowboy romance This contemporary western romance combines heart felt emotions with all the sexiness of cowboys He s not the man she remembers Her best friend s brother is all grown up His boyish charm has been replaced with a wall of muscle and a wicked mischievous smile He s all man When sparks fly Amanda s loyalty is tested She s there to support her newly widowed best friend but all she can think about is the sexy cowboy The air sizzles between them Like a bee to honey Alex is drawn to Amanda with an urgency he s never known Desperate to resist the magnetic attraction he tries to stay focused on the task at hand helping his newly widowed sister But avoiding the obvious is getting harder as the air sizzles between them Can Amanda and Alex resist temptation or will fate step in and make a final decision for them Note this book was previously titled A Lonely Heart cowboy cowboys cowboy romance western romance contemporary romance fountain romance contemporary western womens fiction relationships love dating romance romance book

Cast Upon a Restless Sea Terry Umphenour, 2006-06-21 Please she begged Karina didn t know what she begged for maybe for the flare to do its work or maybe for the pain to stop She never saw which way the flare headed A coughing fit that ended with a strong taste of blood in her mouth delivered her back into the comforting realm of darkness back to where problems ceased to exit and back to where pain could not find her Fifteen year old Karina expects hardships and surprises during her five month school term at sea aboard the Star Fin a research vessel designed to turn troubled adolescents into responsible adults Classes in marine biology and advanced scuba diving help her gain confidence and self control but nothing prepares her for encounters with moray eels a dangerous Portuguese man of war deadly sea snakes and man eating sharks When blood frenzied sharks viciously attack a family of capsized kayakers Karina s skills and courage are put to the ultimate test Her skills are tested even further when Karina and her peers attempt to explore a shipwreck deep in the ocean After the group is sabotaged and stranded by a fellow classmate everything that can go wrong does Are Karina and her friends strong enough to survive the elements a sinking ship and decompression sickness

Business Structures David G. Epstein, 2007 A popular and highly adaptable casebook for use in either a three credit or four credit course on business organizations or corporations The second edition continues the traits that made the original so popular The book is intended for all law students whether they will practice on Wall Street or Main Street It is aimed not only at those who were finance majors and know that they will take advanced corporate courses It s also for the poetry majors who assume that they are going to dislike the course Students who use the book are often shocked at how much they enjoy the subject and class The book best meets law students need to understand not only the legal issues that arise in battling for control of a large mature public corporation but also the legal and business issues that arise in starting and growing a new business The book is student friendly it speaks to the student and conveys much meaningful information much like a text book in other fields It features

problems and questions that integrate and develop doctrine Unlike many other casebooks that merely cobble together a series of cases and open ended questions the book carefully teaches in an enjoyable but organized way During class the professor can focus on the fun material the book has already taught students the nuts and bolts The book has a unique structure as students follow a business Bubba s Burritos through every phase of each of the business structures The course builds with the same cast of characters as they explore how to form a business how to make it grow how to raise capital how to transfer ownership how to assess liability issues and how the business may come to an end This same business life cycle is experienced for the sole proprietorship general partnership close corporation public corporation limited partnership and LLC Students will compare and contrast the advantages and disadvantages of each business structure The book draws on special resources The contributions of Mike Roberts of the Harvard Business School are especially obvious Students benefit from B School materials excerpts from periodicals problems and lots of original text to focus on both business and legal issues Likewise new co author George Shepherd a legal scholar and economist offers economic theory made easy he translates important economic concepts into simple language that all can enjoy And it s SHORT It provides a comprehensive view of business organizations in fewer than 850 pages including some light hearted and light headed efforts at humor We don t force the professor to spend hours trying to determine what parts of a bloated book are important enough to assign We have done the distilling for you The book features the innovation of asking questions before most cases as well as after to focus the students reading The combination of cases is compelling the old classics plus new teaching vehicles that will become classics In addition the second edition features up to the minute discussion of new developments such as CEO compensation and Sarbanes Oxley These materials can be adapted to almost any need For those desiring full coverage of publicly traded corporations no problem as the book treats Section 16b proxy fights and takeovers Those desiring to leave those materials out will find plenty for a full three or four credit course on the variety of business structures
