

Mormon Missionary Milestones: Numbers Serving

As of October 2012, young men can begin missionary service at age 18 (formerly 19) and young women at age 19 (formerly 21). As a result, the "wave" of members choosing to serve has steadily grown.

Of Mormon Numbers

Katrin Zwirgmaier

Of Mormon Numbers:

Mormon's Clues James Warr, 2006-03 This book is a must for the serious student of Book of Mormon geography Written with an outside the box approach it takes a new look at the subject and proposes new locations based upon the clues given by the book's prophets The author reasons that the primary clue would be the narrow neck of land and proposes a location for that landmark The remaining lands and cities are then located working out from this key point Proposals for the Jaredite lands are also made and the Jaredite and Nephite cultures compared and contrasted The important topics of distance direction and populations are discussed in a straight forward manner Where possible archeological sites are identified and correlated with the proposed geography A location for the Hill Cumorah is suggested and a novel method proposed for proving Book of Mormon sites The work is appropriately illustrated with helpful maps and charts A discussion of the various theories regarding Book of Mormon lands is also included **Foundational Texts of Mormonism** Mark

Ashurst-McGee, Robin Scott Jensen, Sharalyn D. Howcroft, 2018 Joseph Smith founding prophet and martyr of the Church of Jesus Christ of Latter day Saints personally wrote dictated or commissioned thousands of documents Among these are several highly significant sources that scholars have used over and over again in their attempts to reconstruct the founding era of Mormonism usually by focusing solely on content without a deep appreciation for how and why a document was produced This book offers case studies of the sources most often used by historians of the early Mormon experience Each chapter takes a particular document as its primary subject considering the production of a document as an historical event in itself with its own background purpose circumstances and consequences The documents are examined not merely as sources of information but as artifacts that reflect aspects of the general culture and particular circumstances in which they were created This book will help historians working in the founding era of Mormonism gain a more solid grounding in the period's documentary record by supplying important information on major primary sources **International Journal of Religion -**

 Frederic Alphonso Noble,1884 Second Witness: Analytical and Contextual Commentary on the Book of Mormon Brant A.
 Gardner,2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of
 Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of
 Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a
 historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics
 anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it
 relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship
 which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the
 first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical
 background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s
 purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon
 created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God *The Rise of*
Mormonism Rodney Stark,2005 This new work the first to collect Rodney Stark s influential writings on the Mormon church
 includes previously published essays revised and rewritten for this volume His work sheds light on both the growth of
 Mormonism and on how and why certain religions continue to grow while others fade away Jacket The Latter-Day Saints'
Millennial Star ,1898 A Selected List of References on Mormon Folklore and Folksong ,1970 Hand-book on
Mormonism ,1882 Mormon Studies Ronald Helfrich, Jr.,2021-12-30 Mormonism arose in early 19th century New York
 and has fired the imaginations of its devotees critics and students ever since Some intellectuals and academics read
 Mormonism as the product of economic change wrought by the Erie Canal in the Burned over District of western New York
 State and upper north eastern Ohio Others read Mormonism as an authoritarian reaction to Jacksonian democracy Finally
 some including most of those who became Mormons in the early 19th century and most of those who are believing Mormons
 today read Mormonism as the intervention of God in human history This book engages with Mormon Studies from its
 beginnings in the early nineteenth century to the end of the 20th century It covers those who fought over Mormonism s truth
 or falsity on those who tried to understand Mormonism as a religious and sociological phenomenon and on those who
 explored the history of Mormonism from a more dispassionate perspective It concludes with an exploration of the culture war
 that erupted as Mormon Studies professionalized particularly after the 1960s Handbook of Contemporary Religions in

Brazil Bettina Schmidt, Steven Engler, 2016-09-19 The Brill Handbook of Contemporary Religions in Brazil provides an unprecedented overview of Brazil's religious landscape. It offers a full, balanced and contextualized portrait of contemporary religions in Brazil, bringing together leading scholars from both Brazil and abroad, drawing on both fieldwork and detailed reviews of the literatures. For the first time, a single volume offers overviews by leading scholars of the full range of Brazilian religions alongside more theoretically oriented discussions of relevant religious and culture themes. This Handbook's three sections present specific religions and groups of traditions: Brazilian religions in the diaspora and issues in Brazilian religions (e.g., women, possession, politics, race and material culture). *Admission of Utah, 1889* United States.
