accelerating rate The House of Commons is ineffective The Senate is not accountable and is scandal ridden Decision making is increasingly centralized in the largely invisible staff in the Prime Minister s Office PMO Many who have been active participants have turned off and tuned out because of understandable disillusionment The result is that actions that undermine democracy can now be taken without much fear of reprisal This book explains how our democratic governing machinery and operating principles have been undermined and what can be done to reverse this downward slide It is intended to enrage you and then engage you in the fight to restore and to enhance our democratic institutions and practices
