O'Reilly**

Canadian Defence Decisions And Determinants:

Canada's Defence Procurement Woes Jeffrey F. Collins, 2023-12-15 This book challenges the perceived underlying causes and culprits of the ongoing challenges in Canadian defence procurement arguing that although headlines often put the blame on the political leadership the defence procurement bureaucracy ongoing pressures in the defence industry and continuous demands placed on Canada though its alliances also carry a large part of the responsibility Focusing on four main case studies the Fixed Wing Search and Rescue Plane the Joint Support Ships the Medium Support Vehicle System and the Halifax Class Modernization the author offers a comparative analysis of how these ongoing procurement efforts were dealt with by different administrations from Jean Chrétien and Paul Martin to Stephen Harper Canadian Defence Industry in the New Global Environment Alistair D. Edgar, David G. Haglund, 1995-05-01 Alistair Edgar and David Haglund examine changes in the international demand for defence products in the post Cold War era review the reorganization and rationalization of the supply side of the international defence market through various government policy initiatives and corporate strategies and discuss the ways in which the Canadian government and defence producers have attempted to cope with this new and uncertain international environment They also explore the international and domestic contexts military economic and political within which defence industries operate Edgar and Haglund's analysis draws on extensive interviews with political and industry leaders military personnel and government officials from Canada the United States the United Kingdom France Belgium the Netherlands Norway Denmark Spain and Germany This timely study of the domestic American and other NATO defence markets will interest scholars and students of Canadian defence policy Canadian foreign policy and Canadian external relations and public servants politicians and personnel in the industry Canadian Defence Danford William Middlemiss, Joel J. Sokolsky, 1989 FROST copy 5 From the John Holmes Library collection **Handbook of Canadian Foreign Policy** Patrick James, Nelson Michaud, Marc J. O'Reilly, 2006-01-01 Handbook of Canadian Foreign Policy is the most comprehensive book of its kind offering an updated examination of Canada's international role some 15 years after the dismantling of the Berlin Wall ushered in a new era in world politics Highlighting both well known and understudied topics this handbook presents a marriage of the familiar and the underappreciated that enables readers to grasp much of the complexity of current Canadian foreign policy and appreciate the challenges policymakers must meet in the early 21st century **Canadian Military Intelligence** David A. Charters, 2022-10-03 The most comprehensive history of Canadian military intelligence and its influence on key military operations Canadian intelligence has become increasingly central to the operations of the Canadian Armed Forces CAF Canadian Military Intelligence Operations and Evolution from the October Crisis to the War in Afghanistan is the first comprehensive history that examines the impact of tactical operational and strategic intelligence on the Canadian military Drawing upon a wide range of original documents and interviews with participants in specific operations author David A Charters provides an inside perspective on the development of military

intelligence since the Second World War He shows how intelligence influenced key military operations from domestic internal security to peacekeeping efforts to high intensity air campaigns including the October Crisis of 1970 the Oka Crisis the Gulf War peacekeeping and enforcement operations in the Balkans and the war in Afghanistan He describes how decades of experience innovation and increasingly close cooperation with its Five Eyes and NATO allies allowed Canada's military intelligence to punch above its weight Its tactical effectiveness and ability to overcome challenges reshaped the outlook of military commanders and intelligence emerged from the margins to become a central feature of military and defense operations Canadian Military Intelligence offers lessons from the past and critical implications for future intelligence support with the creation of the Canadian Forces Intelligence Command This book will be essential to both intelligence history and military history readers and collections *Perspectives on the Canadian Way of War* Bernd Horn, 2006-04-01 Contrary to popular opinion this nation has always consciously and consistently utilized military force to further its security as well as its economic and political well being Despite the best of intentions to aid others the reality is that military force has most often been used to serve the national interest in ways that were not always altruistic but rather to serve practical political purpose In the final analysis the Canadian military experience has been integral to creating the advanced affluent and vibrant nation that exists today This collection of essays written by such noted historians and authors as Douglas Delaney Stephen J Harris Ronald Haycock Michael Hennessy Bernd Horn and Sean Maloney spans the entirety of the Canadian military experience and underlines the reality that the government has consistently used its armed forces to achieve political purpose More often than not the Canadian way of war has been a direct reflection of circumstance and political will Warrior Chiefs Bernd Horn, Stephen John Harris, 2001-01-01 The first book in a two part series that examines the unique Canadian experience and outlook in regard to generalship and the art of the admiral The Politics of Peacekeeping in the Post-cold War Era David S. Sorenson, Pia Christina Wood, 2005 This book focuses on explaining peacekeeping commitment decisions at the nation state level filling a gap in the peacekeeping scholarly literature on the political dynamics of peacekeeping decisions *Empire's Ally* Gregory Albo, Jerome Klassen, 2013-01-01 The war in Afghanistan has been a major policy commitment and central undertaking of the Canadian state since 2001 Canada has been a leading force in the war and has spent hundreds of millions of dollars on aid and reconstruction After a decade of conflict however there is considerable debate about the efficacy of the mission as well as calls to reassess Canada's role in the conflict An authoritative and strongly analytical work *Empire's Ally* provides a much needed critical investigation into one of the most polarizing events of our time This collection draws on new primary evidence including government documents think tank and NGO reports international media files and interviews in Afghanistan to provide context for Canadian foreign policy to offer critical perspectives on the war itself and to link the conflict to broader issues of political economy international relations and Canada's role on the world stage Spanning academic and public debates *Empire's Ally* opens a new line of argument on why the mission has entered a stage of crisis

Nation's Navy Michael L. Hadley, 1992-01-03 A collection of incisive essays emerging from the second Fleet Historical Conference in Halifax Nova Scotia A Nation's Navy documents for the first time the evolution of a distinctive Canadian naval identity Contributors explore a wealth of pivotal issues the popular perception of the Canadian navy the navy as an instrument of national policy the impact of various wars and conflicts the navy as an expression of Canadian society the distinctive role of women and the integration of francophone Canadians and the future direction of Canadian naval policy Contributors include Catherine E Allan Serge Bernier Peter W Cairns Fred W Crickard Jan Drent Richard H Gimblett William Glover James Goldrick Barry Gough Michael L Hadley Peter T Haydon Michael A Hennessy James D Kiras William A March Doug M McLean Siobhan J McNaught Marc Milner Bernard Ransom Roger Sarty Graeme R Tweedie Barbara Winters and David Zimmerman

Learning to Love the Bomb Sean M. Maloney, 2007 In Learning to Love the Bomb Sean M Maloney explores the controversial subject of Canada's acquisition of nuclear weapons during the Cold War Based on newly declassified Canadian and U S documents it examines policy strategy operational and technical matters and weaves these seemingly disparate elements into a compelling story that finally unlocks several Cold War mysteries For example while U S military forces during the 1962 Cuban Missile Crisis were focused on the Caribbean Sea and the southeastern United States Canadian forces assumed responsibility for defending the northern United States with aircraft armed with nuclear depth charges flying patrols and guarding against missile attack by Soviet submarines This defensive strategy was a closely guarded secret because it conflicted with Canada's image as a peacekeeper and therefore a more passive member of NATO than its ally to the south It is revealed here for the first time The place of nuclear weapons in Canadian history has until now been a highly secret and misunderstood field subject to rumor rhetoric half truths and propaganda Learning to Love the Bomb reveals the truth about Canada's role as a nuclear power

Out of Darkness-Light Harold A. Skaarup, 2005-06-15 Canada has a rich and interesting military intelligence history one that continues to grow at a rapidly expanding rate Intelligence is a key element of operations enabling commanders to successfully plan and conduct operations It enables them to win decisive battles and it helps them to identify and attack high value targets In order to ensure Commanders have the required support they need to plan and conduct operations members of Canada's Military Intelligence Branch are serving in an increasingly dangerous number of hotspots around the world In recent years they have served in Bosnia Herzegovina Haiti Somalia Rwanda East Timor and Afghanistan just to name a few While Intelligence personnel have played a major role in ensuring the successful completion of these interdiction missions many of their stories remain classified This history cannot truly be complete until the Official Secrets Act permits a clearer picture to be told Out of Darkness Light Volume 2 should however give the interested reader at least a partial view of some of the service that has been carried out on Canada's behalf by the Canadian Forces Intelligence Branch for the years 1983 to 1997

Pragmatic Idealism Costas Melakopides, 1998-06-02 Melakopides defines Canadian internationalism as pragmatic idealism a balanced synthesis of

idealism and pragmatism and demonstrates concretely how it reflects the principles interests and values of the country's mainstream political culture Focusing on Canada's record in the areas of peacekeeping and peacemaking arms control and disarmament foreign development assistance human rights and ecological concerns Melakopides reveals that at the heart of Canadian foreign policy are the concepts and the practice of moderation communication mediation cooperation caring and sharing Pragmatic Idealism is an inspiring challenge to the assumption that all foreign policy is premised on realpolitik Students scholars and practitioners of Canadian foreign policy as well as historians Canadianists members of NGOs and interested members of the general public will find it an engaging and enlightening experience

The Palgrave Handbook of Gender, Sexuality, and Canadian Politics Manon Tremblay, Joanna Everitt, 2020-11-20 The Palgrave Handbook of Gender Sexuality and Canadian Politics offers the first and only handbook in the field of Canadian politics that uses gender which it interprets broadly as inclusive of sex sexualities and other intersecting identities as its category of analysis Its premise is that political actors identities frame how Canadian politics is thought told and done in turn Canadian politics as a set of ideas state institutions and decision making processes and civil society mobilizations does and redoes gender Following the standard structure of mainstream introductory Canadian politics textbooks this handbook is divided into four sections ideologies institutions civil society and public policy each of which contains several chapters on topics commonly taught in Canadian politics classes The originality of the handbook lies in its approach each chapter reviews the basics of a given topic from the perspective of gendered sexualized and other intersectional identities Such an approach makes the handbook the only one of its kind in Canadian Politics

From Cold War to New Millennium Bernd Horn, 2011-05-27 Canadian regimental histories are war stories that provide testimony to the feats of courage and tenacity of Canadians tested in combat or engaged in the sometimes tedious regimen of peace These regimental histories speak to the collective military heritage and legacy of the country They are in fact windows on our nation and ourselves This volume the companion to *Establishing a Legacy* the first volume provides a detailed account of The Royal Canadian Regiments story from 1953 to 2008 The RCRs history after the Korean War paralleled the growth and evolution of Canada through dangerous and trying times from the brink of nuclear Armageddon to a freefall of global destabilization economic catastrophe resurging global terrorism and the birth of transnational terror networks The RCR contributed to the victory in the Cold War participated in the bitter stabilization campaigns of the 1990s in the former Yugoslavia and fought and bled heavily in the reconstruction and counter insurgency battle in Afghanistan

NATO and the Bomb Erika Simpson, 2001 Annotation Employing previously classified Cabinet minutes memoranda letters diaries drafts of speeches and other documents Simpson political science U of Western Ontario analyzes the underlying beliefs and assumptions of high level policymakers responsible for shaping Canada's approach to NATO in the cold war years For over 30 years two conflicting belief systems the defenders and the critics Significantly influenced Canada's shifting defense policy particularly in the areas of nuclear weapons acquisitions and

Canadian troop contributions to Europe Simpson's analysis helps explain contemporary defense decisions and Canada's fluctuating attitudes toward NATO which have puzzled Americans and Europeans Annotation c Book News Inc Portland OR booknews.com **Canadian Defence Policy in Theory and Practice** Thomas Juneau,Philippe Lagassé,Srdjan

Vucetic,2019-09-04 This edited volume provides a comprehensive overview of contemporary debates and issues in Canadian defence policy studies The contributors examine topics including the development of Canadian defence policy and strategic culture North American defence cooperation gender and diversity in the Canadian military and defence procurement and the defence industrial base Emphasizing the process of defence policy making rather than just the outcomes of that process the book focuses on how political and organizational interests impact planning as well as the standard operating procedures that shape Canadian defence policy and practices Air University Library Index to Military Periodicals ,1996 The Strange Demise of British Canada C. P. Champion,2010 Did Canada come of age in the 1960s or does it remain a British country

Establishing a Legacy Bernd Horn,2008-05-19 Regimental histories are a virtual window to a nation They provide insight into a country's culture values and martial spirit But more specifically they tell the story of the men and women who fight their nation's wars Created as an infantry school corps to train the Militia the Royal Canadian Regiment quickly grew to serve the national interest at home and abroad From its first operational mission in Canada's rugged Northwest to assist in quelling the Riel Rebellion to the harsh veldt of South Africa to help defeat the Boers Canada's oldest permanent force infantry regiment produced a legacy of courage and professionalism This proud history was continued in the furnace of both world wars in Europe and shortly thereafter in Korea It becomes evident that in its first 70 turbulent years of existence the Royal Canadian Regiment established a heritage of honour and service to Canada paid for in the blood bravery and tenacity of its members

Whispering the Secrets of Language: An Psychological Quest through **Canadian Defence Decisions And Determinants**

In a digitally-driven world where displays reign great and quick transmission drowns out the subtleties of language, the profound secrets and emotional subtleties hidden within phrases often get unheard. Yet, situated within the pages of **Canadian Defence Decisions And Determinants** a charming literary value sporting with natural thoughts, lies an extraordinary journey waiting to be undertaken. Published by a talented wordsmith, this wonderful opus encourages readers on an introspective trip, lightly unraveling the veiled truths and profound influence resonating within the very fabric of every word. Within the emotional depths with this poignant review, we shall embark upon a genuine exploration of the book is core subjects, dissect its captivating publishing model, and yield to the effective resonance it evokes serious within the recesses of readers hearts.
