The Making of Rebel Without a Cause Douglas L. Rathgeb, 2015-06-08 In 1954 troubled director Nicholas Ray chatted at a dinner party about his controversial plan for a film about middle class juvenile delinquents He was told of a book written by a prison psychologist and owned by Warner Bros called Rebel Without a Cause Though he was initially unimpressed Ray adapted the book into his own screenplay and Warner Bros hired him to direct what would become a classic From the backgrounds of the many players to the pre production production and post production of the film this complete history recounts every aspect of Rebel Without a Cause from its rudiments to the 1955 Academy Awards the selection of cast and crew legal fights changing screenwriters and the many variations of the story

location scouting auditions script readings difficulties with the censors romances and fights the editing test screenings and of course the death of its star Dozens of intimate anecdotes from wardrobe decisions to James Dean s pranks add rich detail An epilogue discusses the possible sequels rights conflicts documentaries musicals and spin off attempts and offers concluding words on the cast and crew

Running Heavy Jeff Grant,2019-12-01 Running Heavy provides you with motivation inspiration and knowledge to make a huge impact on your running and overall fitness I wrote this eBook and developed the 2 included 8 week training programs with an intense passion for helping people overcome the same challenges I ve experienced starting as an overweight runner and completing challenging ultramarathons and endurance events around for the past two and a half decades Running Heavy offers a powerful 360 degree approach to support two groups of runners those carrying 1 Extra Bodyweight overweight heavy big boned more bodyfat than you want need to pass a running test while heavy worried about your knees If you feel heavy when you run you re covered here 2 Extra Weight carried pulled or pushed athletes who want to build speed power durability and endurance from running with weight vests prowlers sleds tires buddies and other loads If your job sport or training passion involves moving heavy loads quickly with your body you re covered here Learn how to run heavy without getting hurt Coach Grant takes you through an in depth course on injury prevention safe technique realistic and effective progressions and more You ll learn the 11 rules of heavy running why each rule matters and how to use these rules to run in a way to reach your goals without trashing your body His program even dives into the mind training topic of mental weight emotional baggage body image ego and other factors that weigh many people down Whether you are running while overweight or throwing on a weight vest PPE and dragging a sled the fundamentals are the same across both groups The safety considerations injury prevention supplemental strength and flexibility work are the same The progressions and mind game tactics are all the same You may even find yourself in both groups at one or more points in your life There is no program like this that approaches weighted running holistically from equipment to progressions from mind to body from knowledge to full training plans You ll never view running heavy the same after completing the Running Heavy program Training Plans Workout Libraries and Mind Hacks This program includes two separate 8 week training programs a library of workouts for weight vests sleds and other loads and a toolbox full of mind training tools For those interested in exercise science Running Heavy draws from the key studies in this relatively young field of study The programming is based on science as well as Coach Grant s 25 years of experience finishing and coaching runners to finish some of the most extreme races on the planet About the Coach Coach Jeff Grant has trained Navy SEALs Professional Athletes Law Enforcement Officers Celebrities and MORE Jeff trains in the Swiss Alps where he lives and coaches Tier 1 Clients and leads adventure travel expeditions around the globe *Hearings* United States. Running--Just Undo It Jack Nirenstein,2005-06-06 Recognized leaders in the scientific research and development fields of running should never have been taken seriously They have all failed to solve the mechanics of what it takes to run My techniques are not simply better they are the only way to do it effectively They will help everyone achieve better health safety and performance than they have been able to do by running the old way If running is a part of your exercise routine Running Just Undo It will help you improve your performance Author Jack Nirenstein s amazing methods will transform how you run by teaching you simply to pay close attention to the mechanics of the human body While gravity running is not a new concept the Nirenstein method is the first and only way to make it work Nirenstein contends that athletes tend to let bad science interfere with their inherent body mechanics Too many runners don t achieve optimum performance because of inaccurate instructions about proper form The standard science of pushing hard for a longer stride sounds logical but Nirenstein shows you how it actually opposes the body s forward motion With stretching techniques step by step instructions for all types of running and many helpful photos and illustrations you ll be off and running in no time

Fragments of a World Lesley Smith,2023-05-30 The first modern biography of medieval French scholar and bishop William of Auvergne Today William of Auvergne 1180 1249 is remembered for his scholarship about the afterlife as well as the so called Trial of the Talmud But the medieval bishop of Paris also left behind nearly 600 sermons delivered to all manner of people from the royal court to the poorest in his care In Fragments of a World Lesley Smith uses these sermons to paint a vivid picture of this extraordinary cleric his parishioners and their bustling world The first modern biography of the influential teacher bishop and theologian Fragments of a World casts a new image of William of Auvergne for our times deeply attuned to both the spiritual and material needs of an ever changing populace in the medieval city

Loving Lindsey Patricia Keelyn,2016-05-31 Lindsey Baker and Will Claxton were once best friends until betrayal drove them apart Now someone is sabotaging Lindsey s ranch and Will seems the most likely candidate Years earlier her father foreclosed on a loan that cost Will his family s land Still he insists he had nothing to do with the accidents plaguing Lindsey s ranch He wants his property returned but he plans to buy it fair and square Lindsey wants to believe the man she s loved since childhood but she fears he ll do almost anything to reclaim his family s ranch His sudden interest in her as a woman is too convenient Can she trust a man who s never seen her as anything but a friend or will he break her heart once again
