Blow Softly in Jericho. Translated from the Hebrew by Yohanan Goldman Ephraim Kishon,1970 Rethinking Public Administration Marc Holzer,2023-08-14 Governments have always required large public organizations or bureaucracies to deliver on their promises Yet most people leading and managing those agencies lack understanding of the full toolkit of values insights and findings that are necessary Considering how public administration can learn from a wide range of disciplines ranging from history and the humanities to management and the social sciences Marc Holzer delineates new ways of transforming organizations and building trust in governments Softly Now the Trumpet Francis J. Connelly,2015-04-10 Listen carefully Do you hear it Ever so low so low you can hardly perceive the sound But if you have ears to hear a small smile will soon invade your frown As the trumpet sounds just a little bit louder the smile grows commensurately and you wait with anxious joy for that day the day when the angels of God blow a thousand trumpets announcing the second coming of our Lord and Savior Jesus of Nazareth The Christ This book is devoted to telling the story of the role played by trumpets as revealed in sacred Scripture And as that story unfolds our endeavor will be to recognize and emphasize those occasions when trumpets are significantly associated with important biblical themes and truths particularly if these themes and truths tend to lead us to a fuller understanding and appreciation of our God Father Son Holy Spirit **World Jewry** ,1972 Catalog of Copyright Entries.
