Camelback Falls Jon Talton, 2011-04 In the quiet of my forgotten office in the old country courthouse behind the plastic doorplate that reads Deputy David Mapstone Sheriff's Office Historian I fiddled with the tribal fashion of cops The tan uniform blouse with epaulets and pocket flaps the opening above the pocket made for a cheap Cross pen and the gold plated MCSO letters running parallel on each side of the collars An off white felt Stetson sat on my desk We might be one of the largest urban counties in the United States but we kept our Old West traditions Historian turned deputy sheriff David Mapstone returns in this exciting sequel to Jon Talton's Concrete Desert When his friend Peralta newly sworn in as sheriff is shot by a sniper History Shamus Mapstone can't keep a cool academic distance And he'd better not while Peralta lies comatose in the hospital the powers that be appoint Mapstone

acting Sheriff in his place Peralta feels unqualified but he's the only person whose temporary appointment won't infuriate all the other candidates who want the Sheriff's position permanently Meanwhile a cryptic note scrawled by Peralta before the shooting forces Mapstone to confront his own personal history which has drawn him unwittingly into danger As Mapstone discovers the past has deadly consequences The mean streets of the New West have never been more sinister Glimpses of Phoenix David William Foster,2013-05-01 Part of the self image of Phoenix is that the city has no history and that anything of importance happened yesterday Also that Phoenix the Arizona state capital is a clean city despite a past of police corruption and social oppression The real Phoenix easygoing sun drenched a place of ever expanding development and economic growth guarantees it is said an enviable lifestyle low taxes and unfettered personal freedom and opportunity Little of this is true Phoenix has been described as one of the least sustainable cities in the country This sixth largest urban area of the United States has an alarmingly superficial and tourism oriented discourse among its leaders This book examines a series of narrative works novels theater chronicles investigative reporting personal accounts editorial cartooning even a children's television program that question this discourse in a frequently stinging fashion The works examined are anchored in a critical understanding of the dominant urban myths of Greater Phoenix and an awareness of how all the newness modernity and fun in the sun mentality mask a uniquely dystopian human experience **The Pain Nurse** Jon Talton,2009-11 Desperate to clear her name after becoming a suspect in the murder of a doctor nurse Cheryl Beth Wilson teams up with detective Will Borders who suspects the killings in the city are the work of a serial killer Dry Heat (EasyRead Super Large 18pt Edition) , **The Nurse Murders** Jon Talton,2023-12-05 A sadistic killer is terrorizing Phoenix and he's got Gene Hammons number It's 1936 and private investigator Gene Hammons has more work than he can handle A crime syndicate J Edgar Hoover a wealthy family from back East and a wily stalker all want something from him His capable but drug addicted brother still a homicide detective is as much a hindrance as a help Luckily Hammons finds a professional ally in Pamela Bradbury a fellow gumshoe with some new tricks to teach him When the two pair up there doesn't seem to be a case they can't solve from kidnapping to blackmail to an intricate gold smuggling operation But then a young nurse with red hair is sadistically raped and killed and Gene recognizes the signs of a lust murderer having famously solved the case of the University Park Strangler years earlier When he's contacted by the killer Hammons knows he and Pamela must work quickly to catch the brutal murderer before he strikes again The two come to each other's rescue more than once and as deep feelings develop between them it's not lost on Gene that their relationship might well prove dangerous especially for Pamela with her lovely red hair Rich in atmosphere and authentic period detail THE NURSE MURDERS is a gritty nail biting race to catch a killer in a city struggling to assert itself amidst the hardships corruption and political machinations of post World War I America Concrete Desert Jon Talton,2011-05-27 Having recently lost his job as a history professor David Mapstone returns to his boyhood home of Phoenix Arizona to find the city dramatically changed It's now a haven for wealthy retirees and a seasonal

retreat for West Coast sophisticates But pockets of his earlier life some welcome some not remain Mapstone eagerly accepts a temporary job from his old friend and Maricopa County Chief Deputy Mike Peralta Look into still open cases and see if he can close any He is beginning to settle into his new job when his college sweetheart appears at his door one evening True to his memory of her she is there because she wants something Her sister is missing and she wants Mapstone to look for her Mapstone s search for the missing woman is quickly resolved when her body is discovered in the desert but he is stunned to find the dead sister in circumstances identical to a sensational 40 year old unsolved murder Mapstone s dogged investigation of both murders bridges the chasm of clashing cultures meshing his own long ago memories with the tangled doings of newcomers and their acolytes young women eager to share the lifestyle of tainted wealth drugs and careless violence *Dry Heat (Volume 1 of 2) (EasyRead Super Large 24pt Edition)* , *A Brief History of Phoenix* Jon Talton,2015-11-09 Though the new metropolis is one of America s largest many are unaware of Phoenix s rich and compelling history Built on land once occupied by the most advanced pre Columbian irrigation society Phoenix overcame its hostile desert surroundings to become a thriving agricultural center After World War II its population exploded with the mid century mass migration to the Sun Belt In times of rapid expansion or decline Phoenicians proved themselves to be adaptable and optimistic Phoenix s past is an engaging and surprising story of audacity vision greed and a never ending fight to secure its future Chronicling the challenges of growth and change fourth generation Arizonan Jon Talton tells the story of the city that remains one of American civilization s great accomplishments *City of Dark Corners* Jon Talton,2024-04-02 Talton shines in weaving together the mystery elements of the plots with historical events from the Prohibition period Fast paced gritty and exciting this one will have fans of both Depression era and southwestern set crime fiction begging for more Booklist Starred Review A fresh take on classic noir *City of Dark Corners* reveals the seedy underbelly of the budding city of Phoenix in the 1930s and the lengths one man will go to uphold justice no matter the cost Phoenix 1933 A young city with big dreams and dark corners Great War veteran and rising star Gene Hammons lost his job as a homicide detective when he tried to prove that a woman was wrongly convicted of murder to protect a well connected man Now a private investigator Hammons makes his living looking for missing persons a plentiful caseload during the Great Depression when people seem to disappear all the time But his routine is disrupted when his brother another homicide detective still on the force enlists his help looking into the death of a young woman whose dismembered body is found beside the railroad tracks The sheriff rules it an accident but the carnage is too neat and the staging of the body parts too ritual Hammons suspects it s the work of a lust murderer similar to the serial strangler whose killing spree he had ended a few years earlier But who was the poor girl dressed demurely in pink And why was his business card tucked into her small purse As Hammons searches for the victim s identity he discovers that the dead girl had some secrets of her own and that the case is connected to some of Phoenix s most powerful citizens on both sides of the law Perfect for fans of David Baldacci and historical mysteries *City of Dark Corners* puts readers at the heart of

the fear and uncertainty of the Great Depression and the lawlessness of America during prohibition Additional praise for City of Dark Corners This gritty stand alone deals with Phoenix s rough and tumble past and its questionable police force in the 1930s Talton excels at creating the ambiance of historic Phoenix Suggested for fans of realistic historical mysteries or Phoenix Noir Library Journal Starred Review References to movie actors and other celebrities of the day as well as speakeasies and bootleggers lend atmosphere to this well crafted tale involving desperate people who could easily disappear Publishers Weekly **Library Journal** ,2006 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately

Bowker's Guide to Characters in Fiction 2007 ,2008-02 **What Do I Read Next?** ,2001 **Deadline Man** Jon Talton,2012-05-31 He s a man we know only as the columnist He writes for a newspaper in Seattle isn t afraid to stir up trouble and keeps his life including his multiple lovers and his past in safe compartments But it s all about to be violently upended when he goes out on what seems like the most mundane of assignments looking into a staid company that never makes news The moment one of his sources takes a dive off a downtown skyscraper the columnist is plunged into a harrowing maze of murder intrigue and secrets that powerful forces intend to keep hidden at all costs All he has to go on is a corporate world where nothing is as it seems increasingly menacing encounters with mysterious federal agents and the unsettling meme eleven eleven Meanwhile the paper itself is dying So the columnist joins with an aggressive young reporter to see if one explosive story can save a newspaper Soon they re running to make the deadline of their lives **Dry Heat (EasyRead Super Large 20pt Edition)** , **Forthcoming Books** Rose Arny,2003 **Deadline Man** Jon Talton,2011-05-27 He s a man whose life is so intertwined with his job that we know him only as the columnist He writes for a newspaper in Seattle isn t afraid to stir up trouble and keeps his life including his multiple lovers and his past in safe compartments But it s all about to be violently upended when he goes out on what seems like the most mundane of assignments looking into a staid company that never makes news The Publishers Weekly ,2004
