Jill Moffitt

Canadian Red Cross Society Automated External Defibrillation Training Program:

ACSM's Health/Fitness Facility Standards and Guidelines-5th Edition American College of Sports Medicine, Sanders, Mary, 2019 ACSM's Health Fitness Facility Standards and Guidelines Fifth Edition presents the current standards and guidelines to help health and fitness establishments provide high quality service and program offerings in a safe environment. Revised by an expert team of professionals with expertise in architecture, health and wellness, law, safety, related practices and policies, and the health and fitness club industry, this authoritative guide provides a blueprint for health and fitness facilities to elevate the standard of care they provide their members as well as enhance their exercise experience. OHS Canada, 1998. Canadian Red Cross Society Automated External Defibrillation Training Program Canadian Red Cross Society, Mosby Lifeline, 1996-08-01.

ACSM's Guidelines for Exercise Testing and Prescription American College of Sports Medicine, 2013-03-04. The flagship title of the certification suite from the American College of Sports Medicine, ACSM's Guidelines for Exercise Testing and Prescription is a handbook that delivers scientifically based standards on exercise testing and prescription to the certification candidate, the professional, and the student. The 9th edition focuses on evidence-based recommendations that reflect the latest research and clinical information. This manual is an essential resource for any health fitness and clinical exercise professional: physician, nurse, physician assistant, physical and occupational therapist, dietitian, and health care administrator. This manual gives succinct summaries of recommended procedures for exercise testing and exercise prescription in healthy and diseased patients.

ACSM's Resources for the Health Fitness Specialist American College of Sports Medicine, 2013-03-07. This valuable new resource is specifically designed for candidates for the ACSM's Certified Health Fitness Specialist (HFS) and those personal trainers wanting to take their knowledge to the next level. It contains the latest material on health and fitness written by the entity setting the standard for scientifically based practice. The American College of Sports Medicine. The American College of Sports Medicine is the largest sports medicine and exercise science organization in the world. More than 45,000 members are dedicated to advancing and integrating scientific research to provide educational and practical applications of exercise science and sports medicine.

ACSM's Resources for the Personal Trainer American College of Sports Medicine, 2013-03-22. ACSM's Resources for the Personal Trainer provides a broad introduction to the field of personal training, covering both basic science topics and practical application. It was originally designed to help people prepare for the ACSM Personal Training Certification Exam. It continues to serve that function, but the market for it has expanded to practitioners in the field looking for an additional resource as well as in an academic setting where the book is a core text for personal training programs.

ACSM's Resource Manual for Guidelines for Exercise Testing and Prescription David P. Swain, ACSM, Clinton A. Brawner, 2012-12-26. ACSM's Resource Manual for Guidelines for Exercise Testing and Prescription was created as a complement to ACSM's Guidelines for Exercise Testing and Prescription and elaborates on all major aspects of preventative rehabilitation and fitness programs and

the major position stands of the ACSM The 7th edition provides information necessary to address the knowledge skills and abilities set forth in the new edition of Guidelines and explains the science behind the exercise testing and prescription ACSM s Resource Manual is a comprehensive resource for those working in the fitness and clinical exercise fields as well as those in academic training
