Creating A Positive School Culture How Principals And Teachers Can Solve Problems Together

Theodore Kowalski, Thomas J. Lasley

Creating A Positive School Culture How Principals And Teachers Can Solve Problems Together:

Creating a Positive School Culture Marie-Nathalie Beaudoin, Maureen Taylor, 2004-07-08 This book is outstanding It addresses a definite need in schools today and will be very effective in helping people understand some of the school climate related issues If educators understand problems and their causes and have potential methods for solving them only good can come from it Charles F Adamchick Jr Teacher Blairsville High School PA Educational Consultant Learning Sciences International This book is a great resource for those interested in creating an enriching and inspiring school environment At a time when so many of our schools are in crisis it is so refreshing to read a book that demonstrates how teachers and administrators can turn a school into a safe and caring community Beaudoin and Taylor consolidate the expertise of teachers and administrators who know how to realistically build nurturing constructive and positive relationships Gerald Monk Professor Department of Counseling and School Psychology San Diego State University Create and cultivate a supportive respectful and positive school climate Principals and teachers have very different perspectives pressures and struggles As a result problems of negativity isolation or censure often develop among staff members This may cause principals and teachers to spend a tremendous amount of energy addressing these issues instead of focusing on their primary goal improved student achievement Creating a Positive School Culture provides strategies for understanding and solving staff problems preventing conflicts and enriching school climates By combining therapeutic knowledge with day to day educational experience the authors offer innovative solutions for overcoming many energy and morale sapping problems including gossip cliques negativity and competition To help engage and inspire readers this volume includes Teacher and principal interview excerpts Concise case examples of school culture problems Step by step guidance for school culture interventions Best practices culled from the authors extensive research Ready to use tools including school culture surveys and staff development exercises Based on more than 200 surveys and interviews with principals and teachers this practical guidebook clearly explains how administrators teachers parents and staff can all work together to solve problems and build a culture of caring and respect

Creating a Positive School Culture Marie-Nathalie Beaudoin, Maureen Taylor, 2015-06-23 Principals and teachers have very different perspectives pressures and struggles As a result problems of negativity isolation or censure often develop among staff members This may cause principals and teachers to spend a tremendous amount of energy addressing these issues instead of focusing on their primary goal improved student achievement Creating a Positive School Culture provides strategies for understanding and solving staff problems preventing conflicts and enriching school climates By combining therapeutic knowledge with day to day educational experience the authors offer innovative solutions for overcoming many energy and morale sapping problems including gossip cliques negativity and competition To help engage and inspire readers this volume includes Teacher and principal interview excerpts Concise case examples of school culture problems Step by step guidance for school culture interventions Best practices culled from the authors extensive research

Ready to use tools including school culture surveys and staff development exercises Based on more than 200 surveys and interviews with principals and teachers this practical guidebook clearly explains how administrators teachers parents and staff can all work together to solve problems and build a culture of caring and respect

The Principal's Guide to Managing School Personnel Richard D. Sorenson, Lloyd M. Goldsmith, 2008-11-10 An excellent tool for aspiring principals as well as those who find it uplifting to be reassured that they are doing the right thing Gerard Dery Principal Nessacus Regional Middle School Dalton MA This book serves as a valuable tool for districts seeking to enhance the skill level of their principals and would be ideal for professional development Carolyn Banks Regional Director of Teacher Education University of La Verne A comprehensive guide to building successful relationships with all school personnel Inspiring faculty and support staff to perform their best is a key factor in developing a school culture that helps students thrive This resource provides principals with the policies procedures and techniques to lead and manage school personnel and create an effective work environment The authors provide real world scenarios and practical strategies to help define the principal s leadership role and strengthen personnel management skills The book also offers reflective exercises in each chapter to assist administrators in evaluating their own schools and practices Based on ISLLC and ELCC standards for school leadership this book covers Shaping school culture to promote shared ownership of the school s vision Recruiting selecting and retaining qualified personnel Effective communication and conflict resolution Handling challenging situations such as supervising marginal employees and addressing grievances The Principal s Guide to Managing School Personnel is an indispensable reference for managing one of your school s most important resources your staff

Handbook of Data-Based Decision Making in Education Theodore Kowalski, Thomas J. Lasley, 2010-04-15 Education has fought long and hard to gain acceptance as a profession and since professionals by definition use data to shape the decisions they make education has little choice but to continue moving in this direction This 3 part handbook represents a major contribution to the literature of education It is a unique compendium of the most original work currently available on how when and why evidence should be used to ground practice It is a comprehensive cross disciplinary research based and practice based resource that all educators can turn to as a guide to data based decision making The Handbook of Data Based Decision Making in Education is a must read for researchers who are just beginning to explore the scientifically based nature of educational practice It is also appropriate for policy makers and practitioners who are confronted with young people who need to be in classrooms where best practices are the norm and not the exception

Leading School Culture through Teacher Voice and Agency Sally J. Zepeda, Philip D. Lanoue, Grant M. Rivera, David R. Shafer, 2022-08-17 Leading School Culture through Teacher Voice and Agency helps school leaders uncover understand and build the skill set to engage teachers in the work of school culture as they navigate the changes needed to improve the achievement for all students This book presents a Framework for School Culture that explores how school culture when acted upon through teacher voice and agency is an untapped resource that

can move schools forward By supporting teacher voice and agency the school and its teachers and leaders move toward taking collective responsibility for sustaining a culture of improvement that is stronger and more responsive This research grounded book is rich in practical tools to help leaders work with teachers ensuring all the educators in a school are taking ownership over their own learning and developing the skills to reshape school culture to ensure students teachers and community members thrive
